Anxiously, he runs. A little cave!

He runs inside without a second thought.

It's dark here. Fear crawls to him.

He wants to go back out, but a thunder rumbles. TT is scared.

"Ah!" he screams.

[&]quot;Ah!" another scream, not his. 7

Boom! He crashed into someone.

8 "TT?"

"Momo?" It's the raccoon.

The two hold together.
"I'm scared!" they say to each other.
Flash and thunder tearing up the sky, TT and Momo hold each other tight.

Boom! "Good heavens, is there a monster here?" Rabbie thinks.

I2 "Rabbie?"
"TT, Momo?"

The three hold together. Rabbie sighs with relief.

Another while later, Fluffy comes in for shelter.
