Dear Editor,

I'm a senior high school student named Li Lei. Now many students have iPads and think it's a fashion to use them. **Using** (可替换为 With) **an iPad**, we can listen to music, surf the Internet, download a lot of learning materials and read them on the screen. Some students, however, bring their iPads to classroom and listen to music with earphones, which makes the teacher and other students greatly annoyed. **What's worse**, some of them even waste precious time in class **playing video games** (动名词形式作伴随状语).

In my opinion, as a student, we should **make good use of** iPad to help achieve academic success. Classroom is a place for students to study, and therefore, the school should **make a rule** to guide the students to use iPads **in a proper way**.

Yours sincerely,

Li Lei

你们班在英语课上进行了一场有关偶像崇拜的讨论,同学们提出了不同的看法。请根据下表的提示写一篇有关这次讨论的英语短文,内容包括同学们的看法以及你的看法。

Yes	No
1. 我们需要偶像	1. 我们不需要偶像
2. 偶像是我们的榜样,能激励我们努力上进	2. 偶像崇拜浪费时间、金钱,影响学习
3. 不少名人是得益于偶像崇拜而成名的	3. 不健康的偶像崇拜害人害己

注意:1. 词数 120 左右;

2. 可适当发挥,使行文连贯。

参考词汇:偶像—idol 崇拜—worship v./n.

Our class have had a discussion about idol worship. **Some of my classmates consider that** we need idols that have set examples to us. And our idols' deeds can inspire us to make efforts to make progress. **Besides, not a few** (固定短语,意为“不少”) figures have benefited from idol worship since they experienced their roads to be famous.

However, others believe we never need idols and idol worship can **do nothing but** waste money and time which we should have spent on studies. **What's worse**, some unhealthy idol worship may do harm to ourselves as well as others.

As for me, I'm not opposed to idol worship, but we must be aware that idol worship can't take the place of our efforts and our future **will and should be** created by our own hands.

1. 可以赚钱,减少家庭负担;
2. 可以积累社会经验,了解社会;
3. 可以提高个人能力,丰富生活。

请根据以上内容写一篇文章,谈谈你的观点。词数120左右。

Should Students Take Part-time Jobs?

Nowadays, more and more students are willing to do part-time jobs. They work as shop assistants, typists, waiters, salesmen, etc. Thus there are many discussions about whether students should take part-time jobs.

I am in favor of taking part-time jobs, because it brings many advantages to students. By doing part-time jobs, they can earn money on their own so that they can reduce their parents' burden. Besides, taking part-time jobs can help them get social experience, develop personal abilities and make their lives more colorful. What's more, it can let students know the society by themselves.

In a word, students should take part-time jobs as long as they can keep a balance between study and work.

Great changes have taken place in the way of communication in people's life.

Great changes have taken place in the way of communication in people's life.

In the past, people kept in touch with each other mainly by writing letters or using the public telephone. **But now**, almost everyone has his own mobile phone. People can communicate with each other almost at any place and at any time. **What's more**, people have easy access to the Internet, which enables them to send and receive emails whenever they like.

With these changes, people's pace of life has been quickened and people's work has been made more efficient (巧用被动语态). **It used to** take several days to hear from each other, **but now** it takes only several minutes, even if they are in two different countries.

In a word, people have an easier life nowadays.
