

DISEASES  
OF THE  
**NERVOUS SYSTEM**  
A TEXT-BOOK OF  
**NEUROLOGY AND PSYCHIATRY**

BY  
**SMITH ELY JELLIFFE, M.D., Ph.D.**

FORMERLY PROFESSOR OF PSYCHIATRY, FORDHAM UNIVERSITY, NEW YORK; FORMERLY ADJUNCT  
PROFESSOR OF DISEASES OF THE MIND AND NERVOUS SYSTEM, NEW YORK POST-GRADUATE  
MEDICAL SCHOOL AND HOSPITAL; MANAGING EDITOR JOURNAL OF NERVOUS  
AND MENTAL DISEASE

AND

**WILLIAM A. WHITE, M.D.**

SUPERINTENDENT OF ST. ELIZABETH'S HOSPITAL, WASHINGTON, D. C.; PROFESSOR OF  
PSYCHIATRY, GEORGE WASHINGTON UNIVERSITY, AND LECTURER ON PSYCHIATRY,  
U. S. ARMY AND U. S. NAVY MEDICAL SCHOOLS

*SIXTH EDITION, THOROUGHLY REVISED*

ILLUSTRATED WITH 497 ENGRAVINGS AND 13 PLATES

# CONTENTS.

INTRODUCTION: On Some Principles Underlying a Classification of Diseases  
of the Body and Modifications of Human Behavior . . . . .

21

## CHAPTER I.

### METHODS OF EXAMINATION OF THE NERVOUS SYSTEM.

Questionnaires . . . . .	27
Family History . . . . .	29
History of Patient . . . . .	33
Adult Diseases . . . . .	35
Present Illness . . . . .	37
General Observations . . . . .	38
Physical Examination . . . . .	38
Vegetative System Examination . . . . .	39
Endocrine Status . . . . .	47
Sensorimotor Examination . . . . .	50
Cranial Nerves . . . . .	50
Head and Neck . . . . .	88
Upper Extremities . . . . .	88
The Muscles of the Trunk . . . . .	100
The Lower Extremities . . . . .	101
Reflexes—Stimulus Responses . . . . .	106
Reflexes of Upper Extremities . . . . .	107
Abdominal Reflexes . . . . .	108
Reflexes of the Lower Extremities . . . . .	109
Types of Vegetative Reflexes . . . . .	115
Tremors . . . . .	118
Associated Reflexes . . . . .	119
Examination of Sensory Nervous System . . . . .	121
Epicritic Sensibility . . . . .	122
Protopathic Sensibility . . . . .	124
Deep Sensibility . . . . .	124
Pilomotor, Vasmotor and Secretory Disturbances . . . . .	126
Trophic Disturbances . . . . .	128
Scheme for Testing Sensibility . . . . .	128
Status Corporis . . . . .	130
Electrical Skin Reactions . . . . .	130
Mental Examination Methods . . . . .	130
Psychoanalysis . . . . .	143
The Complex . . . . .	143
Technic . . . . .	147

## PART I.

## THE PHYSICO-CHEMICAL SYSTEMS.

## THE NEUROLOGY OF METABOLISM.

## CHAPTER II.

## VEGETATIVE OR VISCERAL NEUROLOGY.

The Vegetative Nervous Systems—The Endocrine System . . . . .	149
Vegetative Receptors . . . . .	154
Spinal Synapses . . . . .	155
Oblongata Synapses of Vegetative Functions . . . . .	164
Pontine Synapses and Localizations . . . . .	166
Midbrain, Interbrain and Higher Synapses of Vegetative Pathways . . . . .	167
Cortical Stations of the Vegetative Pathways . . . . .	175
Sympathetic and Parasympathetic Divisions . . . . .	178
Special Pathology of the Vegetative System . . . . .	182
Eye Sympathetic . . . . .	182
Glaucoma . . . . .	185
Tear Glands . . . . .	185
Mucous and Salivary Glands . . . . .	186
Neck Sympathetic . . . . .	187
Cervical Sympathetic . . . . .	187
Gastro-intestinal Syndromes . . . . .	188
Esophagus . . . . .	191
Stomach and Intestines . . . . .	191
Rectum . . . . .	195
Spastic Constipation . . . . .	196
Respiratory Apparatus . . . . .	197
Pulmonary Visceromotor and Viscerosensory Reflexes . . . . .	198
Vascular Apparatus . . . . .	199
Heart . . . . .	199
Bloodvessels: Vasomotor Neuroses . . . . .	202
Tonic Hyperemias . . . . .	203
Erythromelalgia . . . . .	204
Spastic Anemic Group . . . . .	205
Raynaud's Disease . . . . .	205
Intermittent Claudication . . . . .	207
Ophthalmic Migraine . . . . .	208
Periodic Palsies: Ophthalmoplegic, Facioplegic, Hemiplegic Migraine . . . . .	224
Vasomotor Irritability Group . . . . .	226
Angioneurotic Edema . . . . .	226
Blood Syndromes . . . . .	233
Chlorosis . . . . .	234
Eosinophilia . . . . .	234
Genito-urinary System . . . . .	235
Bladder . . . . .	235
Sexual Organs . . . . .	236
Vegetative Skin Syndromes . . . . .	239
Scleroderma . . . . .	241

## Special Pathology of the Vegetative System—

## Vegetative Skin Syndromes—

Multiple Neurotic Gangrene of the Skin . . . . .	243
Sweat Secretory Mechanisms . . . . .	243
Pilomotor System . . . . .	244
Bony and Ligamentous Syndromes: Osteopathies, Arthropathies . . . . .	245
Achondroplasia . . . . .	246
Bony Dystrophies . . . . .	248
Spinal Cord . . . . .	249
Arthropathies . . . . .	250
Diseases of the Muscles . . . . .	252
Myasthenia Gravis . . . . .	254
Thomsen's Disease—Myotonia Congenita . . . . .	256
Myotonia Atrophica . . . . .	257
The Muscular Dystrophies or Myopathies . . . . .	259
Fatty Syndromes . . . . .	266
Obesity . . . . .	266
Adiposis Dolorosa . . . . .	267

## CHAPTER III

## THE ENDOCRINOPATHIES.

Internal Secretions. General Considerations . . . . .	269
The Thyreopathies; Thyreoses—The Thyroid . . . . .	279
Hypothyreoses . . . . .	281
Myxedema . . . . .	281
Cretinism . . . . .	287
Sporadic Cretinism . . . . .	287
Cretinoid Degeneration . . . . .	291
Goiter . . . . .	291
Goiter Heart . . . . .	291
Endemic Cretinism . . . . .	291
Endemic Deaf-mutism . . . . .	294
Mild and Mixed Hypothyroid States . . . . .	294
Hyperthyreoses . . . . .	300
Exophthalmic Goiter . . . . .	300
Parathyroid Syndromes . . . . .	310
Tetany . . . . .	311
Diseases of the Hypophysis—Pituitary . . . . .	319
Pituitary Acidoplutism: Acromegaly and Gigantism . . . . .	324
Pituitary Basophilism . . . . .	329
Hypopituitarism . . . . .	330
Dyspituitarism . . . . .	331
Infundibular Syndromes . . . . .	335
Diseases of the Pineal Organ . . . . .	335
Pineal Syndrome . . . . .	335
Diseases of the Suprarenal Body . . . . .	336
Suprarenal Syndromes . . . . .	336
Hypoadrenalemia . . . . .	339
Addison's Disease . . . . .	339
Hyperadrenalemia . . . . .	340
Suprarenal Pseudohermaphroditism . . . . .	340
Suprarenal Virilism . . . . .	340

Disease of the Gonadal Systems . . . . .	342
Genital Syndromes . . . . .	342
Agenitalism, Hypergenitalism, Hypogenitalism . . . . .	342
Hermaphroditism . . . . .	343
Agenitalism: Eunuchs . . . . .	343
Dysgenitalism . . . . .	345
Chlorosis . . . . .	345
Dysgonadal Syndromes . . . . .	345
Gonadal Inferiority Syndromes . . . . .	346
Disorders of the Thymus . . . . .	348
Diseases of the Pancreas . . . . .	351
Pancreatic Syndromes . . . . .	351
Hypoglycemias . . . . .	351
Diseases of the Kidney . . . . .	353

---

## PART II.

### SENSORIMOTOR SYSTEMS.

#### THE NEUROLOGY OF SENSATION AND MOTION.

Introduction . . . . .	355
------------------------	-----

---

## CHAPTER IV.

### CRANIAL NERVES.

Diseases of the Olfactory Tract . . . . .	357
Olfactory . . . . .	357
Diseases of the Visual Apparatus . . . . .	365
Color-blindness . . . . .	367
Retinitis . . . . .	369
Optic Nerve . . . . .	371
Diseases of Optic Nerve . . . . .	371
(a) Axial Neuritis . . . . .	371
(b) Interstitial Peripheral Neuritis . . . . .	374
(c) Diffuse Neuritis . . . . .	377
Disease at or about the Chiasm . . . . .	377
Quadrigeminal and Pulvinar Disease . . . . .	379
Cortex Diseases . . . . .	380
Diseases of the Oculomotor Nerves . . . . .	384
Ocular Nerves, Third, Fourth, Sixth . . . . .	384
Third Nerve Palsies . . . . .	384
Syndromes . . . . .	385
Chronic Progressive Eye Palsies . . . . .	390
Fourth Nerve Palsy . . . . .	390
Sixth Nerve Palsy . . . . .	391
Diseases of the Trigeminal Nerve . . . . .	397
Fifth or Trigeminal Nerve . . . . .	397
Motor Part . . . . .	397
Sensory Part . . . . .	399
Progressive Facial Hemiatrophy . . . . .	403

Diseases of the Facial Nerve . . . . .	403
Seventh Nerve . . . . .	403
Cortical Palsies . . . . .	404
Pontine Facial Lesions . . . . .	406
Peripheral Facial Palsies . . . . .	406
Diseases in the Vestibular and Auditory Pathways . . . . .	410
Vestibular Apparatus . . . . .	412
Nervus Vestibularis . . . . .	414
Vestibular Vertigoes . . . . .	415
Auditory Nerve . . . . .	419
Vagus Nerve Disturbances . . . . .	422
Disorders of the Taste Apparatus . . . . .	424
Glossopalatine and Glossopharyngeal Nerves . . . . .	424
Diseases of the Laryngeal Nerves . . . . .	427
Laryngeal Disorders . . . . .	427
Diseases of the Spinal Accessory and Hypoglossal Nerves . . . . .	429
Accessory . . . . .	429
Hypoglossus . . . . .	430
Speech Disturbances . . . . .	433
Aphasias . . . . .	437
Motor Aphasia . . . . .	442
Auditory Aphasia . . . . .	442
Visual Agnosias . . . . .	443
Newer Orientations . . . . .	443
Writing Disturbances . . . . .	446

## CHAPTER V.

## AFFECTIONS OF THE PERIPHERAL NERVES: SENSORY AND MOTOR.

Neuralgias . . . . .	447
Special Localized Forms of Neuralgias . . . . .	456
Trigeminal Neuralgia . . . . .	457
Tic Douloureux . . . . .	457
Cervico-occipital Neuralgia . . . . .	460
Diaphragmatic Neuralgia . . . . .	461
Brachial Neuralgia . . . . .	461
Intercostal Neuralgia . . . . .	464
Lumbar Plexus Neuralgia . . . . .	465
The Sciaticas . . . . .	465
Lumbo-abdominal Neuralgia . . . . .	471
Testicular Neuralgia . . . . .	471
Crural Neuralgia . . . . .	471
Femoral Neuralgia . . . . .	472
Obturator Neuralgia . . . . .	472
Neuralgias of the Pudendal Plexus . . . . .	472
Neuralgias of the Coccygeal Plexus . . . . .	473
Herpes Zoster; Shingles; Zona. Radicul/o-ganglionic Syndrome (Acute Posterior Poliomyelitis) . . . . .	473
Radiculitis . . . . .	475
Neuritis . . . . .	479
Polyneuritis, Multiple Neuritis . . . . .	480
Alcoholic Multiple Neuritis . . . . .	482
Lead Neuritis . . . . .	485

Neuritis—	
Arsenical Neuritis . . . . .	485
Other Intoxications . . . . .	486
Infectious Disease Types . . . . .	486
Plexus Palsies . . . . .	487
Brachial Plexus Palsies . . . . .	487
Total Brachial Palsy . . . . .	488
Inferior Root Type . . . . .	490
Superior Brachial Plexus Palsy . . . . .	490
Mixed Types . . . . .	491
Cervical Rib . . . . .	491
Lumbosacral Syndromes . . . . .	493
Lumbar Root Syndromes . . . . .	493
Sacral Root Syndromes . . . . .	494
Peripheral Palsies . . . . .	495
Defects, Congenital and Acquired . . . . .	495
Peripheral Palsies due to War Injuries . . . . .	496
Injuries to Facial Nerve . . . . .	504
Spinal Accessory Nerve . . . . .	504
The Long Thoracic Nerve . . . . .	505
The Circumflex Nerve . . . . .	505
Ulnar Nerve . . . . .	505
Musculocutaneous Nerve . . . . .	507
Median Nerve . . . . .	507
Radial or Musculospiral Nerve . . . . .	509
Sciatic Nerve . . . . .	513
External Popliteal Nerve . . . . .	513
Internal Popliteal Nerve . . . . .	514

## CHAPTER VI.

## LESIONS CHIEFLY OF THE SPINAL CORD.

Acute Polioencephalomyelitis . . . . .	520
Spinal Forms . . . . .	528
Acute Ascending Form—Landry's Paralysis . . . . .	532
Bulbar and Pontine Forms . . . . .	533
Encephalic or Cerebral Form . . . . .	534
Cerebellar Forms . . . . .	534
Meningitic Forms . . . . .	534
Polyneuritic Forms . . . . .	534
Vegetative Types . . . . .	534
Incomplete or Minor Forms . . . . .	535
Primary Progressive Muscular Atrophies . . . . .	540
Group 1. The Progressive Nuclear Atrophies: (1) Spinal, (2) Bulbar and (3) Mesencephalic Forms . . . . .	542
Spinal . . . . .	542
Chronic Poliomyelitis . . . . .	542
Aran-Duchenne Type. Progressive Muscular Atrophy . .	544
Infantile Hereditary Forms . . . . .	545
Bulbopontine Types. Chronic Progressive Bulbar Palsies .	545
Pontomesencephalic Forms—Chronic Progressive Ophthalmoplegia . . . . .	546

## CONTENTS

15

Primary Progressive Muscular Atrophies—	
Group 2. The Neural, Neuritic or Spinal Neuritic Atrophies . . . . .	547
Peroneal-forearm Type . . . . .	548
Tabetic Type . . . . .	550
Amyotrophic Lateral Sclerosis Syndrome . . . . .	551
Fracture, Dislocation, Concussion and Myelitic Syndromes . . . . .	555
Concussion Syndromes . . . . .	566
Compression of the Cord . . . . .	566
Bone Hypertrophies . . . . .	566
Tuberculosis (Caries) . . . . .	567
Spinal Cord Tumors . . . . .	568
Lateral Sclerosis Group . . . . .	571
Combined Scleroses. Combined Degenerations . . . . .	573
Combined Sclerosis . . . . .	574
Combined Sclerosis in Paresis . . . . .	575
Toxic Anemic Forms . . . . .	575
Senile Forms . . . . .	575
Syringoencephalomyelia . . . . .	576
Multiple Sclerosis Syndromes . . . . .	590

## CHAPTER VII.

LESIONS AT THE LEVEL OF THE MEDULLA, PONS, BRAIN-STEM OR MIDBRAIN.	
Medullary Syndromes . . . . .	613
Lesions of the Pons . . . . .	616
Inferior Alternate Paralysis . . . . .	625
Peduncle Syndromes . . . . .	631
Corpora Quadrigemina Syndromes . . . . .	634
Rabies . . . . .	638
Tetanus . . . . .	644

## CHAPTER VIII.

PARALYSIS AGITANS, LENTICULAR DEGENERATION, DYSTONIA MUSCULORUM,  
CHOREA, AND RELATED STRIATUM SYNDROMES.

Paralysis Agitans Syndromes . . . . .	648
Hepatolenticular Degeneration: Wilson's Disease: Westphal-Strümpell Pseudosclerosis. Dystonia Musculorum . . . . .	658
Wilson's Disease, Lenticular Degeneration Type . . . . .	659
The Chorea . . . . .	663
Chorea Minor . . . . .	665
Huntington's Chorea . . . . .	668

## CHAPTER IX.

## CEREBELLAR SYNDROMES.

Introduction . . . . .	672
Chief Syndromes . . . . .	684
Inferior Cerebellar Peduncle—Corpus Restiforme . . . . .	684
Lesions of the Middle Cerebellar Peduncle . . . . .	685
Lesions of the Superior Cerebellar Peduncles . . . . .	685

## Chief Syndromes—

Lesions within the Cerebellum Itself . . . . .	685
Aplasia of Cerebellum . . . . .	685
Combined Aplasias of the Cerebellum and Brain . . . . .	686
Olivo-ponto-cerebellar Atrophy . . . . .	686
Cerebellum and Cord Atrophies or Aplasias . . . . .	687
Primary Parenchymatous Degeneration . . . . .	689
Tumors of Cerebellum . . . . .	689
Dyssynergia Cerebellaris Progressiva—Chronic Progressive Cerebellar Tremor . . . . .	692
Wounds of the Cerebellum . . . . .	692
Hemorrhage of Cerebellum . . . . .	693
Abscess of Cerebellum . . . . .	693
Associated Posterior Fossa Complications . . . . .	694

## CHAPTER X.

## INJURY AND DISEASES OF THE MENINGES. FRACTURES OF THE SKULL, CEREBRAL CONCUSSION, ETC.

Fracture of the Skull. Meningeal Apoplexy . . . . .	697
Meningeal Apoplexy . . . . .	697
Head Injuries and Mental States . . . . .	699
Inflammation of Dura . . . . .	703
Pachymeningitis Externa . . . . .	703
Pachymeningitis Interna Simplex . . . . .	703
Pachymeningitis Interna Hemorrhagica . . . . .	703
Diseases of the Arachnoid and Pia. Leptomeningitis . . . . .	705
Acute Leptomeningitides . . . . .	705
Infectious Meningitis . . . . .	709
Epidemic Cerebrospinal Meningitis . . . . .	709
Tuberculous Meningitis . . . . .	712
Scrofulous Meningitis . . . . .	712
Syphilitic Meningitis . . . . .	712
Chronic Leptomeningitis . . . . .	714
Hydrocephalus . . . . .	715
Sunstroke . . . . .	717

## CHAPTER XI.

## DISEASES OF THE BRAIN.

Encephalitis—Abscess of the Brain . . . . .	718
Acute Encephalitis . . . . .	719
Epidemic Encephalitis . . . . .	721
Diagnosis of Encephalitides . . . . .	729
Abscess of the Brain . . . . .	730

## CHAPTER XII.

DISEASES OF THE BRAIN (*Continued*).

Vascular Disturbances—Cerebral Apoplexies . . . . .	734
Vascular Instability . . . . .	736
Anemia . . . . .	736
Hyperemia . . . . .	736

Vascular Disturbances—Cerebral Apoplexies—	
Cerebral Arteriosclerosis . . . . .	737
Cerebral Apoplexies . . . . .	737
Hemorrhage, Thrombosis, Embolism . . . . .	738
The Apoplectic Attack . . . . .	739
The Thalamic Syndromes . . . . .	743
Sensory Changes in Cortical Lesions, Suprathalamic Pathways . . . . .	747
Cortical Sensory Disturbances . . . . .	751
Apraxia . . . . .	753
Sinus Thrombosis . . . . .	762

## CHAPTER XIII.

## TUMORS OF THE BRAIN.

True Tumors . . . . .	766
Infectious Tumors . . . . .	768
Parasitic Cystic Tumors . . . . .	768
Aneurismal Tumors . . . . .	768
Frontal Lobe Tumors . . . . .	774
Central Convolutions . . . . .	778
Parietal Lobes . . . . .	779
Temporal Lobes . . . . .	779
Occipital Lobe . . . . .	782
Corpus Callosum Tumors . . . . .	783
Optic Thalamus Tumors . . . . .	785
Basal Ganglia Tumors . . . . .	785

## CHAPTER XIV.

## NEUROSYPHILIS. . . . .

Syphilis of the Cranial Bones Causing Nervous Symptoms . . . . .	804
Syphilitic Meningitis of the Base . . . . .	805
Syphilitic Meningitis of the Convexity . . . . .	808
Cerebral Syphilis . . . . .	810
Vascular Types . . . . .	810
Parenchymatous or Central Types (General Paralysis) . . . . .	814
Dementing Forms . . . . .	828
Depressed Forms . . . . .	828
Expansive Forms . . . . .	829
Agitated Forms . . . . .	832
Irregular Forms . . . . .	832
Juvenile Paresis . . . . .	834
Syphilitic Psychoses . . . . .	835
Tabes . . . . .	839
Syphilitic Meningomyelitis . . . . .	857
Congenital or Hereditary Syphilis . . . . .	862

## PART III.

## PSYCHICAL OR SYMBOLIC SYSTEMS.

## NEUROSES, PSYCHONEUROSES, PSYCHOSES.

INTRODUCTION . . . . .	879
2	

## CHAPTER XV.

## THE PSYCHONEUROSES AND ACTUAL NEUROSES.

The Actual Neuroses. (Neurasthenia and Anxiety Neurosis, Hypochondria and Tic)	899
Neurasthenia	899
Anxiety Neurosis	902
Hypochondria	910
Tic	910
The Psychoneuroses. (Hysteria, Compulsion Neurosis and "Shell Shock")	912
Conversion Hysteria	912
Fixation Hysteria	920
Anxiety Hysteria	921
Compulsion Neurosis	922
"Shell Shock"	932
Mixed Neuroses	933
Treatment of the Neuroses and Psychoneuroses	933

## CHAPTER XVI.

## MANIC-DEPRESSIVE PSYCHOSES

Bodily Type	944
Manic Phase	946
Depressive Phase	952
The Periodical Types	955
The Cyclothymias	957
The Mixed States	960
Involution Melancholia	961

## CHAPTER XVII.

THE PARANOIA GROUP	974
--------------------	-----

## CHAPTER XVIII.

EPILEPSY AND CONVULSIVE TYPES OF REACTION	988
Classical Epilepsy	996
Heredity	996
The Epileptic Constitution	996
The Seizure	998
Varieties of Convulsive Attacks	1006
Continuous Epilepsy	1007
Narcolepsy	1007

## CHAPTER XIX.

DEMENTIA PRECOX (SCHIZOPHRENIA) GROUP	1027
---------------------------------------	------

Dementia Simplex	1027
Hebephrenia	1028
Catatonia	1030
Paranoid Forms	1034
Mixed and Atypical States	1035

## CHAPTER XX.

## INFECTION-EXHAUSTION PSYCHOSES.

The Toxic-infectious Group in General . . . . .	1055
Prefebrile, Febrile and Postfebrile Psychoses . . . . .	1056
Infection and Initial Delirium . . . . .	1056
Fever Delirium . . . . .	1057
Postfebrile Psychoses . . . . .	1058
Exhaustion Psychoses . . . . .	1068
Collapse Delirium . . . . .	1059
Acute Hallucinatory Confusion (Amentia) . . . . .	1060
Typhoid Fever . . . . .	1061
Influenza . . . . .	1062

## CHAPTER XXI.

## THE TOXIC PSYCHOSES

Alcoholism . . . . .	1063
Drunkenness . . . . .	1065
Chronic Alcoholism . . . . .	1065
Delirium Tremens . . . . .	1067
Korsakow's Psychosis . . . . .	1068
Alcoholic Hallucinosis . . . . .	1070
Alcoholic Pseudoparesis . . . . .	1071
Alcoholic Pseudoparanoia . . . . .	1071
Alcoholic Epilepsy . . . . .	1072
Dream States . . . . .	1072
Dipsomania . . . . .	1072
Opium . . . . .	1074
Cocaine . . . . .	1075
Miscellaneous Intoxicants . . . . .	1075
Bromides . . . . .	1076
Carbon Monoxide . . . . .	1077
Lead . . . . .	1077
Mercury . . . . .	1077
Uremia . . . . .	1078
Diabetes Mellitus . . . . .	1078
Gastro-intestinal Diseases . . . . .	1079
Pellagra . . . . .	1079

## CHAPTER XXII.

## PSYCHOSIS ASSOCIATED WITH ORGANIC DISEASES.

Apoplexy . . . . .	1081
Traumatism . . . . .	1081
Acute Chorea . . . . .	1084
Chronic Chorea . . . . .	1085
Paralysis Agitans . . . . .	1086
Multiple Sclerosis . . . . .	1086
Encephalitis Lethargica . . . . .	1087
Polyneuritis . . . . .	1088
Heart Disease . . . . .	1088

## CHAPTER XXIII.

PRESENTILE, SENILE, AND ARTERIOSCLEROTIC PSYCHOSES.	
The Presenile Psychoses . . . . .	1091
Involution Melancholia . . . . .	1091
Other Psychoses of this Period . . . . .	1096
The Senile Psychoses . . . . .	1099
Intermediate Conditions . . . . .	1100
Normal Senile Involution . . . . .	1101
Simple Senile Deterioration . . . . .	1102
Senile Delirium . . . . .	1102
Presbyophrenia . . . . .	1102
Alzheimer's Disease . . . . .	1106
Arteriosclerotic Psychoses . . . . .	1106
Arteriosclerotic Brain Atrophy . . . . .	1107
Subcortical Encephalitis . . . . .	1107
Perivascular Gliosis . . . . .	1107
Senile Cortical Devastation . . . . .	1107
Senile Epilepsy . . . . .	1111

## CHAPTER XXIV.

IDIOCY, IMBECILITY, FEEBLE-MINDEDNESS, AND CHARACTEROLOGICAL DEFECT GROUPS.	
Feeble-mindedness . . . . .	1115
Imbecility . . . . .	1115
