

Second Edition

# NEUROLOGICAL SURGERY

Volume 1

A Comprehensive Reference  
Guide to the  
Diagnosis and Management of  
Neurosurgical Problems

*Edited by*

JULIAN R. YOUMANS, M.D., Ph.D.

Professor, Department of Neurological Surgery,  
School of Medicine, University of California  
Davis, California

# Contributors

---

## **MAURICE S. ALBIN, M.D.**

### *Ultrasound in Neurosurgery*

Professor of Anesthesiology and Neurological Surgery, Department of Anesthesiology, University of Texas Health Science Center at San Antonio. Attending Anesthesiologist, Bexar County Hospital and Audie Murphy Veterans Administration Hospital, San Antonio, Texas.

## **JOHN F. ALKSNE, M.D.**

### *Cerebral Death*

Professor of Neurological Surgery, Chairman of the Division of Neurological Surgery, University of California at San Diego, School of Medicine. Attending Neurological Surgeon, University of California at San Diego Medical Center; Chairman of the Department of Neurological Surgery, Kaiser Medical Center, San Diego, California. Chairman of the Department of Neurological Surgery, Veterans Administration Medical Center, La Jolla, California.

## **MARSHALL B. ALLEN, JR., M.D., F.A.C.S.**

### *Intracerebral and Intracerebellar Hemorrhage, Sympathectomy*

Chairman of Department of Neurological Surgery, Medical College of Georgia. Chief of Neurological Surgery, Eugene Talmadge Memorial Hospital; Consultant, University Hospital and Veterans Administration Hospital, Augusta, Georgia; Dwight D. Eisenhower Army Medical Center, Fort Gordon, Georgia; and Central State Hospital, Milledgeville, Georgia.

## **EHUD ARBIT, M.D.**

### *Extradural Dorsal Spinal Lesions*

Instructor in Neurological Surgery, Cornell University Medical College. Neurological Surgeon, The New York Hospital Cornell Medical Center, New York.

## **NANCY JANE AUER, M.D.**

### *Extracranial Arterial Occlusive Disease*

Associate Resident in Neurological Surgery, Baptist Memorial Hospital, Memphis, Tennessee.

**DONALD P. BECKER, M.D., F.A.C.S.***Pathophysiology, Diagnosis, Treatment, and Outcome of Head Injury in Adults*

Professor of Neurological Surgery, Chairman of Division of Neurological Surgery, Virginia Commonwealth University, Medical College of Virginia. Chief of Neurological Surgery, Medical College of Virginia Hospitals; Consultant, McGuire Veterans Administration Hospital and St. Mary's Hospital, Richmond, Virginia.

**JOHN R. BENTSON, M.D.***Acoustic Neuromas*

Associate Professor of Radiology, University of California at Los Angeles. Chief of Section of Neuroradiology, University of California Los Angeles Medical Center, Los Angeles, California.

**LESLIE BERNSTEIN, M.D., D.D.S., M.B. B.Ch., D.L.O., F.A.C.S.***Neurotology*

Professor of Otorhinolaryngology, Chairman of Department of Otorhinolaryngology, University of California, School of Medicine at Davis, Davis, California. Chief of Otorhinolaryngology, University of California Davis Medical Center at Sacramento, Sacramento, California.

**HENRY BERRY, M.D., M.R.C.P.(U.K.), F.R.C.P.(C.)***Peripheral Nerve Entrapment*

Associate Professor of Medicine (Neurology), University of Toronto School of Medicine. Director, Clinical Neurophysiology Laboratory, St. Michael's Hospital, Toronto, Ontario.

**GILLES G. P. BERTRAND, M.D., F.R.C.S.(C.)***Anomalies of Craniovertebral Junction*

Professor of Neurological Surgery, McGill University Faculty of Medicine. Neurological Surgeon-in-Chief, Montreal Neurological Institute and Hospital, Montreal, Quebec.

**PETER McL. BLACK, M.D., Ph.D.***Hydrocephalus in Adults*

Assistant Professor of Surgery, Harvard Medical School. Assistant in Neurosurgery, Massachusetts General Hospital, Boston, Massachusetts.

**ROGER BOLES, M.D., F.A.C.S.***Cranial Nerve Injury in Basilar Skull Fractures*

Professor of Otolaryngology, Chairman of Department of Otolaryngology, School of Medicine, University of California at San Francisco. Chief of Otolaryngology Services, University of California at San Francisco General Hospital; Attending Staff, San Francisco General Hospital and Veterans Administration Hospital; Consultant, Letterman Army Hospital, San Francisco, California; Consultant in Otolaryngology to Surgeon General of the United States Air Force, San Francisco, California; Consultant, United States Naval Hospital, Oakland, California.

**ROGER CONLEY BONE, M.D.***Pulmonary Care and Complications*

Associate Professor of Medicine, University of Arkansas School of Medicine. Chief of Pulmonary Medicine, University of Arkansas Medical Center; Consultant, Veterans Administration Hospital, Little Rock, Arkansas.

**CHARLES E. BRACKETT, M.D., F.A.C.S.***Pulmonary Care and Complications, Arachnoid Cysts, Subarachnoid Hemorrhage, Post-Traumatic Arachnoid Cysts, Cordotomy*

Professor of Neurological Surgery, Chairman of Department of Neurological Surgery, University of Kansas Medical Center, College of Health Sciences and Hospital. Chief of Neurological Surgery Service, University of Kansas Medical Center; Attending Staff, Kansas City Veterans Administration Hospital, Kansas City, Missouri.

**VERNE L. BRECHNER, M.D., F.A.C.A.***Conduction Anesthesia Techniques*

Clinical Professor of Anesthesiology, School of Medicine, University of California at Los Angeles. Attending Staff in Anesthesiology, Center for Health Sciences, University of California at Los Angeles, Los Angeles, California; Medical Director, Centinela Pain Management Center, Inglewood, California.

**ROBERT W. BRENNAN, M.D.***Differential Diagnosis of Altered States of Consciousness*

Professor of Medicine, Pennsylvania State University College of Medicine. Chief of Division of Neurology, The Milton S. Hershey Medical Center, Hershey, Pennsylvania.

**WILLIAM H. BROOKS, M.D.***Classification and Biology of Brain Tumors*

Assistant Professor of Neurological Surgery, University of Kentucky College of Medicine. Chief of Neurological Surgery, Veterans Administration Hospital, Lexington, Kentucky.

**DONALD DEANE BURROW, M.B., B.S., F.R.A.C.P.***Pathophysiology and Evaluation of Ischemic Vascular Disease*

Lecturer in Medicine, School of Medicine, University of Adelaide. Senior Visiting Neurologist, Royal Adelaide Hospital and Repatriation General Hospital, Adelaide, South Australia.

**ALBERT B. BUTLER, M.D.***Classification and Biology of Brain Tumors*

Professor of Neurological Surgery, School of Medicine, University of Virginia. Attending Surgeon, University of Virginia Hospital, Charlottesville, Virginia.

**FERNANDO CABIESES, M.D., Ph.D., F.A.C.S.***Parasitic and Fungal Infections*

Professor of Neurological Surgery (Ret.), School of Medicine, Universidad de San Marcos. Chief, Neurological Surgery Unit, Peruvian Armed Forces, Anglo-American Hospital, and Hospital 2 de Mayo, Lima, Peru.

**SHELLEY N. CHOU, M.D., Ph.D., F.A.C.S.***Urological Problems; Scoliosis, Kyphosis, and Lordosis; Tumors of Skull*

Professor of Neurological Surgery, Head of Department of Neurological Surgery, University of Minnesota Medical School. Chief of Neurological Surgery Service, University of Minnesota Hospitals; Consultant, Minneapolis Veterans Administration Hospital, Minneapolis, Minnesota.

**KEMP CLARK, M.D., F.A.C.S.***Cervical, Thoracic, and Lumbar Spinal Injury; Anterior Operative Approach to Cervical Spine*

Professor of Neurological Surgery, Chairman of Division of Neurological Surgery, University of Texas Health Science Center at Dallas. Director of Neurological Surgery Service, Parkland Memorial Hospital; Chief of Neurological Surgery Service, Children's Medical Center, Dallas, Texas.

**CULLY A. COBB, III, M.D., F.A.C.S.***Glial and Neuronal Tumors, Lymphomas, Sarcomas and Vascular Tumors, Tumors of Disordered Embryogenesis*

Assistant Clinical Professor of Neurological Surgery, University of California, School of Medicine at Davis, Davis, California. Attending Neurological Surgeon, Sutter Community Hospitals and University of California Davis Medical Center at Sacramento, Sacramento, California.

**WILLIAM M. COCKE, JR., M.D., F.A.C.S.***Scalp Injuries, Tumors of Scalp*

Professor of Surgery, Chief of Plastic and Reconstructive Surgery, School of Medicine, Texas Technical University. Chief of Plastic Surgery, Health Sciences Center; Attending Staff, St. Mary's of the Plains, Lubbock, Texas; Consultant, Veterans Administration Hospital, Big Springs, Texas.

**WILLIAM F. COLLINS, M.D., F.A.C.S.***Physiology of Pain*

Harvey and Kate Cushing Professor of Surgery, Chief of Section of Neurological Surgery, Yale University School of Medicine. Neurological Surgeon-in-Chief, Yale-New Haven Medical Center, New Haven, Connecticut.

**EDWARD S. CONNOLLY, M.D., F.A.C.S.***Spinal Cord Tumors in Adults*

Clinical Professor of Neurological Surgery, Tulane University School of Medicine; Associate Professor of Neurological Surgery, Louisiana State University School of

Medicine. Chairman of Department of Neurological Surgery, Ochsner Clinic, New Orleans, Louisiana.

**GUY CORKILL, M.B., B.Ch., F.R.C.S., F.R.C.S.(E.), F.R.A.C.S.**

*Craniofacial Neoplasia*

Professor of Neurological Surgery, University of California, School of Medicine at Davis, Davis, California. Attending Neurological Surgeon, University of California Davis Medical Center at Sacramento, Sacramento, California; Consultant in Neurological Surgery, Martinez Veterans Administration Hospital, Martinez, California; David Grant Medical Center, Travis Air Force Base, Travis, California.

**WILLIAM S. COXE, M.D., F.A.C.S.**

*Viral Encephalitis*

Professor of Neurological Surgery, Washington University School of Medicine. Assistant Neurological Surgeon, Barnes and Allied Hospitals; Attending Neurological Surgeon, St. Louis City Hospital; Consultant, Veterans Administration Hospital, St. Louis, Missouri.

**BENJAMIN L. CRUE, JR., M.D.**

*Stereotaxic Mesencephalotomy, Trigeminal Tractotomy*

Clinical Professor of Surgery (Neurological Surgery), University of California, School of Medicine at Los Angeles, Los Angeles, California. Director, New Hope Pain Center, Alhambra Community Hospital, Alhambra, California.

**COURTLAND H. DAVIS, JR., M.D., F.A.C.S.**

*Extradural Lumbar Spinal Lesions*

Professor of Surgery (Neurological Surgery), Bowman Gray School of Medicine, Wake Forest University. Staff Neurological Surgeon, North Carolina Baptist Hospital, Winston-Salem, North Carolina.

**DAVID O. DAVIS, M.D.**

*Computed Tomography*

Professor of Radiology, Chairman of Department of Radiology, The George Washington University School of Medicine. Chairman of Radiology, The George Washington University Hospital, Washington, District of Columbia.

**ARTHUR L. DAY, M.D., F.A.C.S.**

*Intracavernous Carotid Aneurysms and Fistulae*

Assistant Professor of Neurological Surgery, University of Florida College of Medicine. Attending Neurological Surgeon, Shands Teaching Hospital; Assistant Chief, Section of Neurological Surgery, Veterans Administration Medical Center, Gainesville, Florida.

**IRA C. DENTON, JR., M.D.***Ventriculography*

Chief of Neurological Surgery, St. Paul Hospital, Dallas, Texas; Attending Neurological Surgeon at St. Paul Hospital; Consulting Neurological Surgeon, Irving Community Hospital and Medical Arts Hospital, Dallas, Texas, and Lewisville Hospital, Lewisville, Texas.

**RICHARD A. DE VAUL, M.D.***Pain Refractory to Therapy*

Associate Professor of Psychiatry, The University of Texas Medical School at Houston. Attending Staff, Hermann Hospital and Memorial Southwest Hospital, Houston, Texas.

**DONALD D. DIRKS, Ph.D.***Acoustic Neuromas*

Professor of Head and Neck Surgery, University of California at Los Angeles, School of Medicine. Staff, Head and Neck Surgery, University of California at Los Angeles Hospital, Los Angeles, California.

**MICHEL DJINDJIAN***Spinal Angiography*

Neurochirurgien Assistant, Service de Neurochirurgie, Hôpital Henri Mondor, Creteil, France.

**RENÉ DJINDJIAN***Spinal Angiography*

Professeur Feu de Neuroradiologie à la Faculté de Médecine de Paris. Chef Feu du Service de Neurochirurgie, Hôpital Lariboisière, Paris, France.

**PAUL J. DONALD, M.D., F.R.C.S.(C.), F.A.C.S.***Craniofacial Neoplasia*

Associate Professor of Otorhinolaryngology, Vice Chairman of Department of Otorhinolaryngology, University of California, School of Medicine at Davis, Davis, California. Attending Staff, Department of Otorhinolaryngology, University of California Davis Medical Center at Sacramento, Sacramento, California.

**CHARLES G. DRAKE, M.D., F.R.C.S.(C.), F.A.C.S.***Aneurysms of Posterior Circulation*

Professor of Surgery, Chairman of Department of Surgery, Faculty of Medicine, The University of Western Ontario. Chief of Surgery, Victoria and St. Joseph's Hospitals, London, Ontario.

**PIERRE M. DREYFUS, M.D.***Diagnostic Biopsy*

Professor of Neurology, Chairman of Department of Neurology, University of California, School of Medicine at Davis, Davis, California. Chief of Neurology Service, University of California Medical Center at Sacramento, Sacramento, California.

**ARTHUR B. DUBLIN, M.D.***Spinal Angiography*

Associate Professor of Diagnostic Radiology, Department of Diagnostic Radiology, University of California, School of Medicine at Davis, Davis, California. Chief of Neuroradiology Section and Staff Neuroradiologist, University of California Davis Medical Center at Sacramento, Sacramento, California.

**STEWART B. DUNSKER, M.D.***Hyperextension-Hyperflexion Injuries*

Adjunct Associate Professor of Anatomy, University of Cincinnati College of Medicine. Assistant Attending Neurological Surgeon, University of Cincinnati Hospital; Attending Neurological Surgeon, Good Samaritan Hospital and Christ Hospital, Cincinnati, Ohio.

**PETER DYCK, M.D., F.A.C.S.***Echoencephalography*

Clinical Professor of Neurological Surgery, University of Southern California. Consultant, St. Vincent's Medical Center, Good Samaritan, Queen of Angels, and Los Angeles Orthopedic Hospitals, and Ross-Loos Medical Center, Los Angeles, California.

**MICHAEL J. EBERSOLD, M.D.***Meningeal Tumors of Brain*

Instructor in Neurological Surgery, Mayo Medical School. Consultant, Department of Neurological Surgery, Mayo Clinic; Attending Neurological Surgeon, St. Marys Hospital and Rochester Methodist Hospital, Rochester, Minnesota.

**GEORGE EHNI, M.D., M.S., F.A.C.S.***Extradural Cervical Spinal Injuries*

Professor of Neurological Surgery, Baylor College of Medicine. Senior Attending Staff, Methodist, St. Luke's, Ben Taub, and Veterans Administration Hospitals, Houston, Texas.

**WILLIAM G. ELLIS, M.D.***Diagnostic Biopsy*

Associate Professor of Pathology and Neurology, University of California, School of Medicine at Davis, Davis, California. Attending Neuropathologist, University of California Davis Medical Center at Sacramento, Sacramento, California.

**ALAN S. FLEISHER, M.D.***Carotid Artery Occlusion for Aneurysms*

Associate Professor of Neurological Surgery, Emory University School of Medicine. Chief of Neurological Surgery, Grady Memorial Hospital, Atlanta, Georgia.

**ELDON L. FOLTZ, M.D., F.A.C.S.***Affective Disorders Involving Pain*

Professor of Neurological Surgery, School of Medicine, University of California at Irvine. Chief of Section of Neurological Surgery, University of California Medical Center, Irvine, California.

**BARRY N. FRENCH, M.D., F.R.C.S.(C.), F.A.C.S.***Midline Fusion Defects*

Associate Professor of Neurological Surgery, University of California, School of Medicine at Davis, Davis, California. Attending Staff, University of California Davis Medical Center at Sacramento and Sutter Community Hospitals of Sacramento, Sacramento, California; Consultant in Neurological Surgery, Veterans Administration Hospital, Martinez, California.

**ANDREW J. GABOR, M.D., Ph.D.***Post-Traumatic Epilepsy*

Associate Professor of Neurology, University of California, School of Medicine at Davis, Davis, California. Director, Laboratory of Electroencephalography and Clinical Neurophysiology, University of California Davis Medical Center at Sacramento, Sacramento, California.

**FRANCIS W. GAMACHE, JR., M.D.***Metastatic Brain Tumors*

Assistant Professor of Neurological Surgery, Cornell University Medical College. Attending Neurological Surgeon, New York Hospital-Cornell Medical Center, New York, New York.

**TAHER EL GAMMAL, M.B., Ch.B., F.F.R.***Intracerebral and Intracerebellar Hemorrhage*

Professor of Radiology, Medical College of Georgia. Chief of Neuroradiology, Eugene Talmadge Memorial Hospital; Attending Staff, Veterans Administration Hospital, Augusta, Georgia.

**PHILIP L. GILDENBERG, M.D., Ph.D., F.A.C.S.***Pain Refractory to Therapy*

Professor of Neurological Surgery and Chief of Division of Neurological Surgery, University of Texas Medical School at Houston. Chief of Neurological Surgery, Hermann Hospital, Houston, Texas.

**SIDNEY GOLDRING, M.D., F.A.C.S.***Epilepsy in Adults*

Professor of Neurological Surgery and Co-Head of Department of Neurology and Neurological Surgery, Washington University School of Medicine. Neurosurgeon-in-Chief, Barnes Hospital and St. Louis Children's Hospital, St. Louis, Missouri.

**STANLEY J. GOODMAN, M.D., F.A.C.S.***Bacterial Infections*

Associate Clinical Professor of Neurological Surgery, University of California, School of Medicine at Los Angeles, Los Angeles, California. Attending Staff, South Bay Hospital; San Pedro Peninsula Community Hospital, San Pedro, California; Community Hospital of Gardena, Gardena, California; Kaiser Hospital, Harbor City, California; Wadsworth Veterans Administration Hospital, Los Angeles, California; Little Company of Mary Hospital and Harbor General Hospital, Torrance, California.

**JACK KNIGHT GOODRICH, M.D., F.A.C.R., F.A.C.N.P.***Radionuclide Imaging Studies*

Formerly Professor of Radiology, School of Medicine, Duke University. Director of Nuclear Medicine Service, Hamot Medical Center; Radiologist, Radiology Associates of Erie, Erie, Pennsylvania.

**JOHN R. GREEN, M.D., F.A.C.S.***Epilepsy in Children*

Adjunct Professor of Surgery (Neurological Surgery), University of Arizona College of Medicine, Tucson, Arizona. Director, Barrow Neurological Institute of St. Joseph's Hospital and Medical Center, Phoenix, Arizona.

**RICHARD PAUL GREENBERG, M.D., Ph.D.***Diagnosis, Treatment, and Outcome of Head Injury in Adults*

Assistant Professor of Neurological Surgery, Medical College of Virginia, Virginia Commonwealth University. Attending in Neurological Surgery, Medical College of Virginia Hospitals, Richmond, Virginia.

**MELVIN GREER, M.D.***Pseudotumor Cerebri*

Professor of Neurology, Chairman of Department of Neurology, University of Florida College of Medicine. Chief of Neurology, University of Florida Teaching Hospitals and Clinics, Gainesville, Florida.

**GERALD A. GRONERT, M.D.***Neuroanesthesia*

Professor of Anesthesiology, Mayo Medical School. Consultant, Anesthesiology, Mayo Clinic; Attending Staff, St. Marys Hospital, Rochester, Minnesota.

**MUTAZ B. HABAL, M.D., F.R.C.S.(C.), F.A.C.S.***Craniofacial Malformations*

Adjunct Professor, University of Florida, Gainesville, Florida; Courtesy Professor, University of South Florida, Tampa, Florida. Director, Tampa Bay Center for Craniofacial Surgery; Attending Surgeon, Tampa General Hospital and University Community Hospital, Tampa, Florida; All Children's Hospital, St. Petersburg, Florida.

**JULES HARDY, M.D., F.R.C.S.(C.), F.A.C.S.**

*Indications for and Results of Hypophysectomy, Transsphenoidal Hypophysectomy*

Professor of Neurological Surgery, Chairman of Division of Neurological Surgery, University of Montreal Faculty of Medicine. Neurosurgeon, Notre Dame Hospital and University of Montreal Hospital, Montreal, Quebec.

**LAWRENCE C. HARTLAGE, Ph.D., F.A.P.A., F.A.A.M.D., F.A.O.A.**

*Psychological Testing*

Professor of Neurology and Pediatrics, Medical College of Georgia, Neuropsychologist, Talmadge Memorial Hospital; Consultant, University Hospital and Veterans Administration Hospitals, Augusta, Georgia, and Eisenhower Army Medical Center, Fort Gordon, Georgia.

**PATRICIA L. HARTLAGE, M.D.**

*Psychological Testing*

Associate Professor of Neurology and Pediatrics, Medical College of Georgia. Attending Staff, Talmadge Memorial Hospital; Consulting Staff, University Hospital and Gracewood State School and Hospital, Augusta, Georgia.

**NELSON HENDLER, M.D.**

*Psychiatric Aspects of Pain*

Assistant Professor of Psychiatry, The Johns Hopkins University School of Medicine. Psychiatric Consultant, Chronic Pain Treatment Center, Johns Hopkins Hospital, Baltimore, Maryland; Clinical Director, Mensana Clinic, Stevenson, Maryland.

**E. B. HENDRICK, M.D., F.R.C.S.(C.)**

*Spinal Cord Tumors in Children*

Professor of Surgery, University of Toronto. Neurosurgeon in Chief, The Hospital for Sick Children; Consultant in Neurological Surgery, Queensway General Hospital and Ontario Society for Crippled Children; Active Staff in Neurological Surgery, Toronto Western Hospital; Consultant Neurosurgeon, North York General Hospital, Toronto, Ontario.

**SADEK K. HILAL, M.D., Ph.D**

*Interventional Neuroradiology, Tumors of Orbit*

Professor of Radiology, Columbia University College of Physicians and Surgeons. Attending Radiologist, Presbyterian Hospital; Director of Neuroradiology, Neuro-radiological Institute of New York, New York, New York.

**ROBERT EDGAR HODGES, M.D.**

*Nutrition and Parenteral Therapy*

Professor of Internal Medicine, University of Nebraska College of Medicine. Chief of Clinical Nutrition Section, University of Nebraska Medical Center, Omaha, Nebraska.

**STEPHEN F. HODGSON, M.D.***Empty Sella Syndrome*

Assistant Professor of Medicine, Mayo Medical School. Consultant in Internal Medicine and Endocrinology, Mayo Clinic; Attending Physician, St. Marys Hospital and Rochester Methodist Hospital, Rochester, Minnesota.

**HAROLD J. HOFFMAN, M.D., F.R.C.S.(C.), F.A.C.S.***Supratentorial Tumors in Children*

Associate Professor of Surgery, University of Toronto Faculty of Medicine. Neurological Surgeon, The Hospital for Sick Children, Toronto, Ontario.

**GWENDOLYN R. HOGAN, M.D.***Clinical Examination of Children*

Professor of Pediatrics, Professor of Neurology, University of Mississippi School of Medicine. Chief of Pediatric Neurology Service, University of Mississippi Medical Center, Jackson, Mississippi.

**TAKAO HOSHINO, M.D., D.M.Sc.***Chemotherapy of Brain Tumors*

Associate Professor of Neurological Surgery, School of Medicine, University of California at San Francisco. Research Associate, Laboratory of Radiobiology, School of Medicine, University of California at San Francisco, San Francisco, California.

**EDGAR M. HOUSEPIAN, M.D., F.A.C.S***Tumors of Orbit*

Professor of Clinical Neurological Surgery, Columbia University College of Physicians and Surgeons. Attending Neurological Surgeon, Columbia-Presbyterian Medical Center, New York, New York.

**ALAN R. HUDSON, M.D., Ch.B., F.R.C.S.(Ed.), F.R.C.S.(C.)***Peripheral Nerve Entrapment*

Professor of Neurological Surgery, Chairman of Division of Neurological Surgery, University of Toronto. Neurological Surgeon-in-Chief, St. Michael's Hospital, Toronto, Ontario.

**ROBIN P. HUMPHREYS, M.D., F.R.C.S.(C.)***Posterior Fossa Tumors in Children*

Assistant Professor of Neurological Surgery, University of Toronto Faculty of Medicine. Neurological Surgeon, The Hospital for Sick Children; Consultant, North York General Hospital and Ontario Crippled Children's Center, Toronto, Ontario.

**WARREN Y. ISHIDA, M.D.***Peripheral and Sympathetic Nerve Tumors*

Attending Neurological Surgeon, Kapiolani Children's Hospital, Queen's Medical Center, St. Francis Hospital, and Kuakini Medical Center, Honolulu, Hawaii.

**FREDERICK A. JAKOBIEC, M.D., D.Sc.***Tumors of Orbit*

Professor of Ophthalmology and Pathology, Cornell University Medical College. Director of Laboratories, Manhattan Eye, Ear and Throat Hospital, New York, New York.

**PETER J. JANNETTA, M.D.***Micro-Operative Decompression for Trigeminal Neuralgia, Cranial Rhizopathies*

Professor of Neurological Surgery, Chairman of Department of Neurological Surgery, University of Pittsburgh. Active Staff, Presbyterian-University Hospital and Children's Hospital of Pittsburgh; Senior Attending Neurological Surgeon, Montefiore Hospital; Senior Consultant, Veterans Administration Hospital, Pittsburgh, Pennsylvania.

**THOMAS McNEESE KELLER, M.D.***Cerebral Death*

Attending Neurological Surgeon, Santa Rosa Memorial Hospital, Community Hospital, and Warrack Hospital, Santa Rosa, California.

**LUDWIG G. KEMPE, M.D., F.A.C.S.***Glomus Jugulare Tumors*

Professor of Neurological Surgery and Anatomy, Medical University of South Carolina. Staff, Veterans Administration Medical Center, Charleston, South Carolina.

**STEPHEN A. KIEFFER, M.D.***Tumors of Skull*

Professor of Radiology, Chairman of Department of Radiology, State University of New York at Syracuse. Chief of Radiology, University Hospital, Syracuse, New York.

**DAVID J. KIENER, M.D.***Neurotology*

Assistant Professor of Otolaryngology, University of California, School of Medicine at Davis, Davis, California. Attending Staff, University of California Davis Medical Center at Sacramento, Sacramento, California.

**ROBERT B. KING, M.D., F.A.C.S.***Cephalic Pain*

Professor of Neurological Surgery, Chairman of Department of Neurological Surgery, State University of New York, Upstate Medical Center College of Medicine, Syracuse, New York. Chief of Neurological Surgery, State University Hospital of Upstate Medical Center; Attending Neurological Surgeon, Crouse-Irving Memorial Hospital; Consultant, Neurological Surgery, Veterans Administration Hospital. Syracuse, New York.

**PULLA R. S. KISHORE, M.D.***Head Injury in Adults*

Professor of Radiology, Medical College of Virginia, Virginia Commonwealth University, Richmond, Virginia. Director of Neuroradiology, Medical College of Virginia Hospitals; Consultant in Radiology, McGuire Veterans Administration Hospital, Richmond, Virginia.

**DAVID G. KLINE, M.D., F.A.C.S.***Peripheral Nerve Injuries*

Professor of Neurological Surgery, Head of Department of Neurological Surgery, Louisiana State University School of Medicine; Chief of Louisiana State University Neurological Surgery Service. Attending Staff, Touro and Hotel Dieu Hospitals; Academic Staff, Ochsner Clinic; Consultant, United States Public Health, Veterans Administration Hospital, New Orleans, Louisiana, and Biloxi Air Force Base Hospital, Biloxi, Mississippi.

**ARTHUR I. KOBRINE, M.D., Ph.D., F.A.C.S.***Computed Tomography*

Professor of Neurological Surgery, George Washington University School of Medicine. Attending Neurological Surgeon, George Washington University Hospital, Washington Hospital Center, Children's Hospital and National Medical Center, Washington, District of Columbia.

**CAROLE C. LA MOTTE, Ph.D.***Physiology of Pain*

Assistant Professor of Neuroanatomy and Neurological Surgery, Sections of Neuroanatomy and Neurological Surgery, Yale University School of Medicine, New Haven, Connecticut.

**ALEX M. LANDOLT, M.D.***Sellar and Parasellar Tumors*

Privatdozent, Neurosurgical Clinic, Kantonsspital, University of Zurich, Zurich, Switzerland.

**THOMAS WILLIAM LANGFITT, M.D., F.A.C.S.***Increased Intracranial Pressure*

Charles Harrison Frazier Professor of Neurosurgery, Director of Division of Neurological Surgery, University of Pennsylvania School of Medicine. Vice President for Health Affairs, University of Pennsylvania, Philadelphia, Pennsylvania.

**EDWARD R. LAWS, M.D., F.A.C.S.***Empty Sella Syndrome*

Professor of Neurological Surgery, Mayo Medical School. Neurological Surgeon, Mayo Clinic; Attending Neurological Surgeon, St. Marys Hospital and Rochester Methodist Hospital, Rochester, Minnesota.

**HUN JAE LEE, M.D.***Parasitic and Fungal Infections*

Late Professor of Neurological Surgery, Chairman of Department of Neurological Surgery, Yonsei University College of Medicine. Late Chief of Neurological Surgery, Yonsei Medical Center, Seoul, Korea.

**VICTOR A. LEVIN, M.D.***Chemotherapy of Brain Tumors*

Associate Professor of Neurological Surgery, Pharmacology and Pharmaceutical Chemistry, Schools of Medicine and Pharmacy, University of California at San Francisco. Associate Director, Brain Tumor Research Center; Chief, Neuro-Oncology Service, Department of Neurological Surgery, San Francisco, California.

**JAMES S. LIEBERMAN, M.D.***Neuromuscular Electrodiagnosis*

Professor of Physical Medicine and Rehabilitation and Neurology, University of California, School of Medicine at Davis, Davis, California. Attending Physiatrist and Neurologist, University of California Davis Medical Center at Sacramento, Sacramento, California.

**JOHN D. LOESER, M.D.***Dorsal Rhizotomy*

Professor of Neurological Surgery, University of Washington School of Medicine. Attending Physician, University Hospital, Veterans Administration Hospital, Harborview Medical Center, and Children's Orthopedic Hospital, Seattle, Washington.

**DONLIN M. LONG, M.D., Ph.D., F.A.C.S.***Tumors of Skull, Chronic Pain, Pain of Spinal Origin, Pain of Visceral Origin, Peripheral Nerve Pain*

Professor of Neurological Surgery, Chairman of Department of Neurological Surgery, The Johns Hopkins School of Medicine. Neurological Surgeon-in-Chief, Johns Hopkins Hospital, Baltimore, Maryland.

**JOHN E. LONSTEIN, M.D., F.A.C.S.***Scoliosis, Kyphosis, and Lordosis*

Assistant Professor of Orthopedic Surgery, University of Minnesota Medical School.
