# 出版致辞

盛世修志，志载盛世。当公元纪年跨入2011年，《平泉县志》续志付梓，可喜可贺！

平泉县位于冀、辽、内蒙古三省区交界，地处华北经济圈与东北经济圈结合部，素有“京冀门楣、通衢辽蒙”之称，历史上曾经是塞北商贸重镇。解放后，特别是改革开放以来，平泉人民在党和政府的领导下艰苦奋斗，奋力拼搏，励精图治，经济和社会各项事业得到较好较快发展。2005年，全县生产总值实现33.12亿元，财政收入达到3.16亿元，农民人均纯收入2482元，城镇居民人均可支配收入7029元，分别比1992年增长6.3倍、8.9倍、3.7和5.3倍。农业三大特色产业基本形成，工业支撑作用明显增强，非公经济迅猛发展，商贸物流更加活跃，基础设施全面加强，人民生活水平显著提高，呈现出政通人和、百业俱兴、人民安居乐业的繁荣景象。地方志把这些成果记入史册，给今人以鼓舞；把我们工作的经验教训总结出来，给后人以启迪，这正是本部志书所要达到的愿景。

平泉是部宝书，她承载着泱泱五千年的历史文化；平泉是座宝库，她蕴藏着大量精美文物和众多的文化遗存；平泉是块宝地，她山川秀丽，田野肥美，资源丰富，是发展的重要基础。

值此《平泉县志》续志出版之际，我们代表县委、县政府感谢为编纂县志而辛勤劳动、忘我笔耕的全体人员！感谢各级专家学者的精心指导和无私帮助！感谢关注、支持本部志书编纂工作的各级领导和社会各界人士！同时，我们希望《平泉县志》续志的出版能够成为推介平泉、展示平泉、宣传平泉的窗口，让外界更加了解平泉，让平泉人更加热爱平泉，团结一心，共同矢志不渝地按照“三省通衢新枢纽、京津休闲养生园、全国一流宜居地、持续发展示范区”的功能定位，深入实施“工业强县、农业兴县、文化活县、商贸旺县”的发展战略，砥砺奋进，科学推进，全面发展，把平泉建设得更加美好。

## Words on Publish

The purpose of compiling the county record in flourishing age is to record this “flourishing age”. It is a joyous occasion that the sequel of “County Record of Pingquan” is to be published as the history moves into 2011.

Pingquan lies on the border of Hebei, Liaoning and Inner Mongolia, also on the link part of North China Economic Rim and Northeast China Economic Rim. Pingquan is a famous commercial center in history, known as “Gate lintel of Beijing and Hebei, joint between Liaoning and Inner Mongolia” since ancient times.

Since liberation, especially since the reform and opening-up of China, under the strong leadership of the Party and government, Pingquan People struggled hard and perseveringly, fought for every chance of development with enterprising spirit, so fairly fast development continued in social and economic undertakings. In 2005, Pingquan's GDP reached 3.312 billion yuan, fiscal revenue 316 million yuan, the net income per peasant 2482 yuan, the per capita disposable income of urban residents 7029 yuan, and 6.3 times, 8.9 times, 3.7 times, 5.3 times the figures for 1992, respectively.

Three characteristic industries of agriculture have basically taken shape, industry plays a more supporting role, non-public sector of the economy booms, commercial logistics become more vigorous, infrastructure has been strengthened in an all-round way, people's living standards improve obviously, Pingquan has emerged a scene of stability, harmony and prosperity. Putting down the achievements in county record is to encourage people today, and summing up the lessons and experience is to enlighten the future generation. This is the desirability of the publish of this county record.

Pingquan is a priceless book which has recorded five-thousand-year history and culture. Pingquan is a treasure-house which flows with a vast amount of exquisite cultural relics. Pingquan is a promising land with beautiful mountains, fertile soil, abundant resources, which forms the important basis for development.

On the occasion of the sequel of “County Record of Pingquan” coming to be published, we'd like to express heartfelt gratitude on behalf of the county committee of Party and government to the compilers for their selfless work, to the experts for their meticulous guidance, to the leading comrades and people of all walks of life for their unswerving support. Meanwhile, we hope the publish of this record could be a window to promote, demonstrate and publicize Pingquan, to make Pingquan well-known by the world and deeply loved by people of the soil. According to the functional orientation of “new hub on thoroughfare of three provinces, health garden for leisure of Beijing and Tianjin, city most appropriate for living, model region of sustainable development ”, and the development strategy of “the county established by agriculture, strengthened by industry, revitalized by commerce , prospered by culture”, Pingquan people will fight shoulder to shoulder tenaciously, work determinedly, persist in scientific development view and advance all-round development to build Pingquan more prosperous and harmonious.

Dong Zhengguo, the Secretary of the Party Committee of Pingquan
