自序

人的一生,除了工作和事业,生活中总有一些爱好和兴趣。摄影对于我已是生活中最重要的组成部分。从旅游探险摄影,得到精神上的充实、愉悦,再提高到心灵的洗涤,灵魂的沟通。每一次的南极之行,用心的体会,感悟人生之道,用南极纯静洁白的意境融入我纷杂的心境,荡去心中的污淖,清除世俗的陋习和烦恼。南极的宽容和博大,给了我意识的升华,心胸的宽广,这正是我6次南极之行最大的收获!

勿庸置疑,每一次的旅途,都有不同的光影留存与心理感受,尤其是这片纯洁静谧的冰雪天地,以 她的冷静与宽容涤荡过我世俗的心态,以她的无语温柔且不可抗拒地修改了我的人生轨迹。

南极之行,给人养成一个好心态,面对工作和生活,事业与家庭。

好心态让旅途不畏艰险,不惧严寒。

好心态让眼前一切事物都可亲、可敬!

6次的南极之旅,让我更加深刻地悟出一些哲理及微妙的关系:好与坏,远与近,大与小,快与慢,

名与利,虚与实,穷与富,舍与得……

企鹅的出现让人欢呼,冰山的相遇让人愉悦,一袭冷风都是清凉爽朗,随手抓一把冰雪,都值得慢慢欣赏。面对一望无际的冰原,思绪万干又静如止水。带着这样的好心态在现实生活和工作中,又领悟到更多道理: 宽容、冷静、淡定、朴实。

这正是南极的魅力!

南极的精灵帝企鹅,为了生命的延续,战胜恶劣天气而表现的团队精神,令人佩服!

绅士般的风度,翩翩起舞;潜游的气泡,恰似珍珠;夕阳的倩形,斑斓的光影;跃起的英姿,入水的瞬间,演绎出一幕幕精彩绝伦的水中芭蕾;出神入化,妙不可言!

我很感激大自然给了这样可遇不可求的机会!我用心灵与它沟通,我用灵魂与之相聚!

南极的精灵啊,心中金色的菩萨!

不少朋友在看过我有关南极主题的摄影作品之后,除了一如往常的赞叹之外,总是会有一个同样的问题:究竟是什么在吸引着我,让我如此痴迷南极?是啊,我们似乎早已习惯现代文明带来的诸多便利和舒适。事实上,我的6次南极之旅是身心感受的线性演变——源于探险觅奇,经历心魄震撼,萌发探究之心,顿生痛惜之情。而这一切的根源在于人类肆意的妄行,甚至也包括你和我。

南极以她的至寒维系着这颗蓝色星球的生命底线,以她的静默倾诉诸般人类将来可能面对的灾难和不幸。

思之愈切,情之至深,我再也无法割舍对这片极地的眷恋之情,冰雪清涤着我的眼眸,至寒冷静着我的大脑,我还将继续我的南极之道,除了用镜头和心灵记录这片纯净美丽的冰雪天地,更期盼用心神与她进行某种形式的通灵对话。

无有他图,为你,为我,为我们。

PREFACE

A person's life, in addition to work and career, there are always some hobbies and interests. For me, photography is already the most important part of life. Adventure traveling photography brings me the spiritual enrichment, a feeling of perspective, and even a chance to cleanse the soul and get in touch with one's senses. Whenever I journey to the Antarctic, I can see my direction in life. The pure white of the Antarctic pierces through all my confusion. It dilutes the muddy water in my heart, cleansing the impurities. The tolerance and breadth of the Antarctic is simply sublime my mind. What has left the biggest impression on me is the sense of sheer vastness.

Needless to say, every journey brings with different image retention and psychological feelings. In particular, this piece of pure tranquility of snow and ice earth washes away all my worldly state of mind with her calm and tolerance, and silently, without resistance, shifts my perspective in life.

Traveling to the Antarctic gives you a positive outlook on your work, your life, your career and your family.

Positive outlook makes you no fear of the dangers or the bitter cold in the journey.

Positive outlook enables you to face the world with a friendly and respectful attitude.

Six Antarctic trips help me deeply realize some philosophical and subtle relationships: good and bad, far and near, large and small, fast and slow, fame and fortune, virtual and real, poor and rich, give and get......

The joys of seeing penguins, the wonderful experience of meeting the icebergs, even a blast of icy wind just make you feel refreshing. Filling your hands with ice and snow is also worth to be savored. Faced with the vast stretches of ice, a whole host of thoughts stand motionless like the frozen water. Adopting this positive attitude in your work and everyday life offers a deeper understanding of generosity, calmness, serenity and simplicity.

That is the charm of the Antarctic.

The spirit of the Antarctic is embodied in the Emperor penguins, whose teamwork and ability to overcome terrible weather is inspiring.

With their gentlemanly demeanor, Emperor penguins dive into the water like a beautiful setting sun, with bubbles rising around them like pearls. They leap and dance heroically, entering the water like a scene from some fantastic water ballet, too beautiful to describe!

I am grateful that nature has given me such an incredible opportunity. My spirit communicates with nature. My soul is at one with it.

The spirit of Antarctic is in my heart like an unknown god!

Many of my friends questioned me in addition to their complimentary what it was that real attracted me to the Antarctic after they review my photography took in Antarctic. Why am I so obsessed with the Antarctic? It is true that we have long been accustomed to the comfort and convenience of modern life. But in truth, my six trips to the Antarctic represent the linear development of my physical and mental feelings. It starts with seeking the unknown, breathtaking experiences that stir the soul, and then it embeds itself deep in your heart and suddenly brings a feeling of regret. This is as a result of human follies, of which we are all guilty.

Antarctic maintains the bottom line of life for this blue planet with her extremely coldness, presenting the disaster and misfortune that human being may face in the near future with her silence.

It is carved so deep into my mind and my heart; my feelings toward this land will never wane. The snow and ice purify my eyes, the coldness calms my thoughts. My life will continue to be linked to Antarctic. As well as using my camera lens and my soul to record the purity of this beautiful world of endless snow and ice, and look forward to connect my mind and heart with her in some kind of psychic dialogue.

There is no other purpose, just for me, for you, and for any of us.

ANTARCTIC PARADISE

首次的南极之行,来到梦寐以求的地方,忍受着西风带十几米高海浪的颠簸,五脏六腑就像要从口中 涌出,疲惫不堪,终于来到南极半岛。美丽的天堂湾,洁静的冰山,蔚蓝的天空,无暇的浮冰,旭日 的朝晖,金色的晚霞,一个没有污淖的世界,真正的人间天堂!

南乔治亚岛大批的国王企鹅,栖息的海豹,扑翅的燕鸥,翱翔的信天翁,构成一幅壮观的动物世界。

好好享受这自讨苦吃的乐趣吧!

好好享受这大自然的神奇和魅力吧!

My first Antarctic trip — when I came to the place I had dreamed about, enduring turbulent ten-meter waves driven by westerly winds that made me feel like my guts would spill out of my mouth, until, exhausted, I finally reached the Antarctic Peninsula. The beautiful Paradise Bay, the pristine icebergs, the azure sky, the immaculate ice floes, the light of the morning sun, the golden glow of sunset, an undefiled world, a true paradise on earth!

On South Georgia Island, large groups of king penguins, basking seals, fluttering terns and soaring albatrosses form a spectacular menagerie.

Enjoy to the full this experience for which you've put yourself through such hardships!

Enjoy to the full the magic and charm of this wilderness!
