NEW

HORIZONS

NEW HORIZONS showcases the wealth of exciting, innovative, and occasionally challenging choral music being written today. It encompasses the whole gamut of small-scale choral genres, both secular and sacred, and includes pieces for upper-voice and mixed choirs. With titles by some of the most accomplished choral composers active in Great Britain and abroad, the series introduces new repertoire and fresh talent to a broad spectrum of choirs.

Cecilia McDowall

Born in 1951 and educated at Edinburgh and London Universities, Cecilia McDowall has been described by the International Record Review as having a 'communicative gift that is very rare in modern music'. An award-winning composer, McDowall is often inspired by extra-musical influences, and her choral writing combines rhythmic vitality with expressive lyricism. Her music has been commissioned, performed, and recorded by leading choirs, among them Phoenix Chorale and the Choir of New College, Oxford, and is regularly programmed at prestigious festivals in Britain and abroad.
