Fu Yingdong, a native of Linyi, Shandong province, university education, an engineer. Once employed in the army for six years he works now in a government department. He is the member of China Photographer Association, News Photography Association of China, State level I Phtographer. He has compiled The Former Residence of Wang Xizhi and Splendid Linyi and got many honors.

Preface

Nowadays the city constructions anywhere show their colourful charm and specific style. If you have opportunity to travel you may find that no matter the small towns of the south China or the big cities of north, no matter the old capital of the west or the new cities of the east, the city construction of China is going on the track of sound progress and highlight the charming humanistic characteristics.

No dout it is the artists who can present all the construction results. Fu Yingdong, the young photographer from Linyi just does such an instructive thing.

As we know Linyi is a famous old revolutionary region. Now Linyi has casted off the poverty and backwardness and has developed into a mordern commercial and trade city known all over the world. Specially in the urban construction and treatment of the rivers Linyi is advanced and has got the honors such as China Human Living Environment Model Prize, National Civiled City, National Garden City, etc.

Three years ago Mr. Fu Yingdong has compiled the book Splendid Linyi which gave me a strong stike and which I made a preface for . Now Mr. Fu ask me to make the freface again for his new photographing work City Rhyme of Linyi presenting the development of Linyi city construction. After I read the the sample manuscript I was drawed and shocked again by the beautiful photoes and the city development it appears. It is a really big shock that Linyi has changed so much in such short period of time. The book records the brilliant achivement of Linyi city contruction in the past 30 years since the reform and opening up to the outside world and indicates the glory and dream of Yimeng Area people. It also embodies the Yimeng Spirits. Mr. Fu Yingdong spent 15 years and recorded the every aspect of the city construction with his camera lens. Now the works apears and gives the chance to everyone to understand Linyi. This is really a happy thing.

Thanks to the city constructors of Linyi, Thanks to Mr. Fu yingdong. We have every reason to look forward to a more beautiful tomorrow of Linyi city.

Yang Huancai

Director of Department of Housing and Urban-Rual Construction of Shandong Province

当今的城市建设,到处都展现着多彩的风姿,散发着独特的魅力。如果你有机会到处走走,你会发现,无论是南国的小镇,还是北疆的大邑,无论是西域的古都,还是东部的新城,中国的城市建设正在步入一个良性发展的格局,并越来越凸显出迷人的人文质地。

而能够呈现这一切建设成果的,无疑要靠我们的艺术家,用他们别具一格的创造性劳动,向世人展示。来自沂蒙老区临沂的青年摄影家付迎东先生便做了这样一件有意义的事。

大家都知道,临沂是著名的革命老区,现在已发展成为名震天下的现代商贸城。这些年,临沂不但早早摆脱了贫穷落后,还成功打造出了多个全国的先进典型。尤其在城区建设对河的治理更是超前,获得"中国人居环境范例奖",成为全国文明城市、国家园林城市等一系列荣誉称号。时代的发展就是这样的不可思议。

记得三年前,迎东同志就出版了一部反映临沂城建历史变迁的大型画册《锦绣临沂》。那本书曾给了我一次强烈的震撼。当我了解到作者还是城建战线的一名普通职工,心中又多了一份感动。尽管才疏,但我也欣然给作了序。近日,迎东同志再一次把他反映临沂城建发展变化的新的摄影作品集《临沂城韵》的样稿交与我,再次嘱我为即将出版的画册做序。当我精心浏览过《临沂城韵》的样稿,再一次被图片的精美和里面反衬出来的巨大城市景象所深深吸引。凝思驰怀,念兹在兹。没想到,"纳蒙山之灵气,汲沂水之精魂,物华天宝,人杰地灵"的临沂短时间的变化竟是这般地让人浩叹!那山水神韵折射出的城市色彩,那犹如九天星河般的城市描绘,丝丝不亚于我所历经过的通州大邑及经典园林。无疑,这本画册熔铸着建国60多年来、尤其是改革开放30多年来临沂城市建设的辉煌,也饱含沂蒙人的光荣与梦想,更是沂蒙精神的最有价值的体现。付迎东同志积十五年之功,用镜头倾力记录临沂城市建设过程的点点滴滴,毕力付心,滔滔文思,捧献出这样一部作品,给于我们每个人了解临沂的机会,实是幸事!

感谢老区的城市建设者们,感谢像付迎东这样的辛勤的劳动者们,他们是老区现代化的建设者,也是忠实的记录者,他们是在为我们的后人铭刻一段历史。

"山水有音唱高天"。临沂城的美是飘荡在华夏大地上的一首不落的华彩乐章,所以,我们有理由期待临沂更加美好的明天!

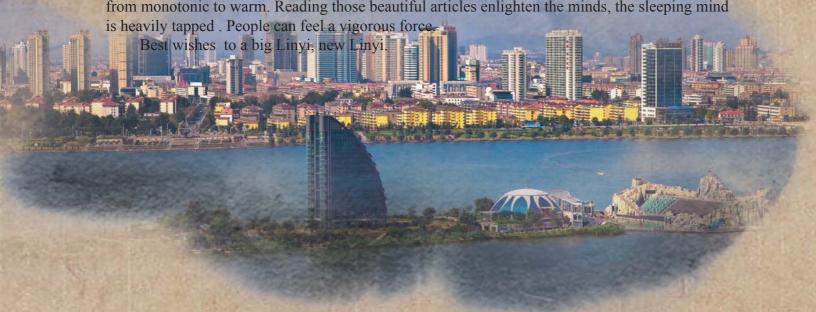

Foreword

As one of the old revolutionary regaion, Linyi has became a model of development as it casted off the poverty firstly among the 18 porverty-stricken areas in China. The development achivements of Linyi include many aspects. However the urban construction is undoutedly the most beautiful namecard.

During the course of carrying out the strategy of Building the Big and New Linyi, the predormination of Linyi city construction is to make the central urban area bigger and stronger and lead the comprehensive development of the urban and rural area. Based on this the space planning of the central urban area was made. It is regarding the river as the axis and developing along the two sides of Yihe River by six units. The comprehensive harness works of the Yihe River has beed awarded "China Human Living Environment Model Prize" by the Ministry of Construction. Yihe River Wetland Park has been listed as the national wetland park. A lot of key projects have been completed such as North urban area, Suhe River Area, Linyi Economic Development Area, Linyi Commercial City, Liyi University, etc. The population of the built-up district increaed from 905 thousand of 2005 to 1720 thousand of 201 1, the area of the built-up district increased from 109 square kilometers of 2005 to 173 square kilometers of 201 1. Linyi city has appeared its characteristics of city of water, capital of commerce and state of culture. A warter-front ecological livable city with blue sky, green land, clear water , clean streets, smooth traf fic, bright lights, beautiful buildings lays before the people.

Today, the Linyi city infrastructure is more perfect, the happiness index of the masses increased dramatically; Linyi city image changes from "Y imeng Mountain Time" to the new era of River-front construction.

Facing the great scene of ever-changing, the artist's creative passion continues to surge. City Rhyme of Linyi is born in such an atmosphere. Through a bundle of lens, people can feel the historical change of Linyi city construction from small to lar ge, from the desert to the bustling, from monotonic to warm. Reading those beautiful articles enlighten the minds, the sleeping mind is heavily tapped. People can feel a vigorous force.

"遥知六出呈祥瑞,且喜琅琊大有成。"明朝大诗人王缙在沂蒙大地的踏雪颂吟, 抒发了对故乡的眷恋和希冀之情。往事越千年,当年诗人"大有成"的希冀如今在 这片古老的热土上处处生发,完美呈现。在这片充满生机与活力的土地上,经济文 化成大观,开天图画成乐土。一个美丽富饶的大临沂、新临沂正向我们诗意地走来。

作为革命老区,作为在全国 18 个连片贫困地区率先脱贫、且走出了超乎常规发展之路的典型,临沂发展的成就凝结着太多的要素。而城市建设,无疑就是一张最美丽的名片。

在实施"大临沂、新临沂"建设的战略构思指导下,做大做强中心城市,带动城乡一体化全面发展,成为临沂市建设的主调。基于此,在中心城区的建设上科学地制定了"以河为轴、两岸开发、一河六片、组团发展"的空间规划。首先,承借沂河、祊河、陷泥河的"水"优势,以水为魂,拉开了"大水城"建设的序幕。相继实施了沂河、涑河、陷泥河等河道整治工程,在城区形成50平方公里的水面,打造出"七河相通、八水绕城"的景观,充分彰显了滨水生态特色,世世代代绕城而过的沂河一下子变成纵贯市区的城市内河,赋予了临沂城市新的内涵和魅力。期间,沂河综合治理工程获"中国人居环境范例"奖,沂河湿地公园被列为国家城市湿地公园。其次,按照"南工北文中商"的功能布局和"北上东进南强西优"的思路,相继建设了北城新区、涑河片区、经济开发区、临港经济开发区、临沂商城、临沂大学等一批重点工程,实施了城中村和棚户区改造,加快了市政公用设施建设,使中心城市的承载能力和龙头作用不断增强。建成区人口由2005年的90.5万人增加到2011年的172万人,建成区面积由2005年的109平方公里扩展到2011年的173平方公里。"水之城、商之都、文之邦"的特色充分彰显。2009年,住房和城乡建设部将临沂市城镇化的做法编入《村镇建设白皮书》,并将其评为"中国城乡建设范例城市"。一个"天蓝、地绿、水清、街净、路畅、灯明、楼美"的滨水生态宜居城市已展现在世人面前。由此,临沂市荣膺全国文明城市、国家园林城市、中国优秀旅游城市、国家环保模范城、中国书法名城等一系列称号。

破茧成蝶,万象俱新。历经 2500 余年发展历史的临沂城,裹挟着历史久远的震荡,沐浴着先人文化的遗风,在沂河、凉河等众多水系的簇拥下,纳巍巍蒙山苍松翠云送来惠风,合浩瀚大海波涛拍岸铮铮节拍,把一派北方的雄浑深沉、南国的典雅清秀,如诗如画地书写在这片热土上。如今,临沂城基础设施更加完善,人民群众幸福指数大幅提升;临沂城市形象从此由"沂蒙山区时代"转变到"滨河建设新时期"。

面对日新月异的大好景象,艺术家们创作激情不断涌动。《临沂城韵》大型画册就是在这样一种氛围中诞生的。透过一组组镜头,能使人感受到临沂城建从无到有、从小到大、从荒芜到繁华、从单调到热烈的历史性变化;读着那一篇篇启迪人心灵的优美文字,沉睡的心灵被重重敲击着,使人感受着蓬勃向上的力量。

衷心祝福大临沂、新临沂!

绿韵临沂

人言"江南风光好",绿色临沂赛江南。临沂市园林局(滨河景区)通过近几年来的不懈努力,临沂城市建成区绿化覆盖率从 28.19%增加到 41.05%,绿地率从 27.08%增加到 36.68%,人均公共绿地面积从 8.7 平方米增加到 17.05 平方米,楼顶绿化覆盖层已达 100 万平方米。从"城水相依、人水亲和"的水系景观,到"春花、夏荫、秋叶、冬枝"的道路景观;从绿意浓浓的空中花园,到花红柳绿的广场游园,如今,绿色已经成为临沂的城市主色调。一个"人在景中、房在园中、城在林中"的新临沂正矗立在世人的面前。
