Acknowledgment

The editor gratefully acknowledges the financial support of the Swiss National Science Foundation, which greatly facilitated the work leading to this commentary. The editors of Oxford University Press also supported the publication process with great commitment and professionalism. Last but not least, I would like to acknowledge the excellent work done by my former assistants Martina Kunz and Leslie-Anne Duvic-Paoli in gathering the source materials circulated among the contributors as well as in the organization of a workshop held in Geneva in October 2013.
