前言

河北省简称“冀”，地处中国北方，环绕北京，毗邻辽宁、内蒙古自治区、山西、济南、山东及天津市，东临渤海，西倚太行、北靠燕山，南抱华北大平原，面积 18.8 万平方千米，海岸线 487 千米，人口 7300 余万，省会石家庄市，是中国重要的旅游资源大省。

河北历史悠久，文化璀璨，古迹众多。早在两百万年前，古人类就在我省阳原县泥河湾一带繁衍生息。五千多年前，中华民族的三大始祖黄帝、炎帝、蚩尤在这里从征战到融合，开创了中华文明。春秋战国时期，河北省地属燕国和赵国，有“燕赵”之称。元、明、清三朝定都北京，河北成为拱卫京师的畿辅重地。悠久的历史使河北形成了深厚的文化积淀。全省现有国家级历史文化名城 5 座，国家级文物保护单位 168 处，世界文化遗产 4 处。承德避暑山庄及周围寺庙，清代皇家陵寝群——清东陵和清西陵，老龙头、山海关、金山岭、大境门等万里长城精华地段，保定

直隶总督署，正定隆兴寺，赵县赵州桥，邯郸武灵丛台等饮誉海内外。

河北自然风光秀美，民俗风情独特。河北是中国唯一兼有海滨、平原、湖泊、丘陵、山地、高原的省份，地形地貌多样、四季气候宜人。名山大川、急流飞瀑、江河湖海、温泉冰雪、森林草原等各类旅游资源应有尽有、丰富多彩。吴桥杂技、永年太极、唐山皮影、承德满族蒙古族歌舞民俗风情独特。全省拥有国家级风景名胜区 7 处，国家级森林公园 25 处，国家地质公园 7 处（其中世界地质公园 2 处），国家级自然保护区 11 处。渤海之滨、坝上草原、白洋淀、燕山峻岭、太行风光等均为旅游名胜。

河北旅游资源丰富多彩，可形象地概括为：“金、银、红、绿、蓝”五色之美。目前，全省旅游景区、景点已达 600 余处。璀璨的历史文化、旖旎的水光山色与绚丽的民俗风情交相辉映，构成了河北五彩缤纷的旅游大观园。

Foreword

Hebei, also called "Ji", is located in the north of China. Hebei encloses Beijing, and borders with Liaoning, Inner Mongolia Autonomous Region, Shanxi, Jinan, Shandong and Tianjin, and Bohai sea in the east, Taihang mountains in the west, Yan mountains in the north and the North- China plains in the south. Total area is 188,000 km², the coastal line 487 km, population over 73 million and the capital city Shijiazhuang. Hebei is significantly large for tourism resources.

Hebei is a cradle of historic civilizations. Two million years ago, ancient humans emerge in the Nihewan valley in Yangyuan county. Till five thousand years ago, the three Chinese emperors Huang, Yan and Chiyao fought and founded the Chinese civilizations here. By the Spring and Autumn Period, and Warring States Period, two kingdoms came into form, namely, Yan and Zhao. That is what Hebei is generally known for even today. Beijing acts as the capital during Yuan, Ming and Qing dynasties. Likewise, Hebei encloses Beijing and forms a profound tradition, with 5 national- level historic cities, 168 national- level and 4 world cultural heritage sites. Chengde summer mountain resort with its outlaying temples, the eastern and western Qing tombs, Laolongtou

(old dragon head), Shanhaiguan, Jinshanling and Dajingmen, Baoding Zhili mansions, Zhengding Longxing temple, Zhaoxian Zhaozhou bridge and Handan Congtai are well- known worldwide.

Hebei boasts a natural and beautiful scenery with spectacular folklores, blended with coasts, plains, lakes, hills, mountains and highlands, in addition to a diversified geography, comfortable climate, rivers, waterfalls, hot springs, ice, snow, forest grasslands, Wujiao acrobatics, Yongnian taiji, Tangshan shadow plays, and Chengde Manchu- Mongolian dances. This feature is Hebei- specific. There are 7 national- level scenic sites, 25 national- level forest parks, and 7 national- level geological parks (2 are world geological parks), and 11 national- level nature reserves. The Bohai beaches, Bashang grasslands, Baiyangdian lake, Yanshan and Taihang mountains, to name only a few.

The tourism resources may be symbolized as five colors of golden, silver, red, green and blue. There are now over 600 tourism sites across the province, with the historical culture, beautiful scenery, and remarkable folklores as the main theme.
