卷首语

涛涛黄河的古朴深邃与泉城湖光山色的秀丽典雅浑然天成地铸就了轻院人朴实、坚韧、开拓、进取的风格。50年的艰苦创业，半个世纪的不息奋斗，轻院人创造了自己的辉煌，一批批学子在山东轻工业的发展史上写下壮丽的篇章。

50年的风雨历程，她拥有了沉稳与韧性；20年改革春风的沐浴，她又拥有了青春的朝气与活力，山东轻工业学院将以更加开放的姿态，健步迈向二十一世纪。

Preface

The long historical Huanghe River and the Spring City with beautiful lakes and mountains give the people of Shandong Institute of Light Industry the spirit of sincerity, honesty, firmness and tenacity. The college is developing, opening and enterprising. After 50 years' hard work, they have created their own brilliant achievements. The graduates from all sessions have written their own glorious chapter in the developing history of light industries in Shandong Province.

With 50 years' trials and hardship, it has got the character of calmness and steadfastness. Immersed in the spring wind of openness for 20 years, it is now full of youth and vigor.

学院概况

山东轻工业学院位于素有“四面荷花三面柳，一城山色半城湖”之称的泉城济南，是山东省唯一的轻工业高等院校。

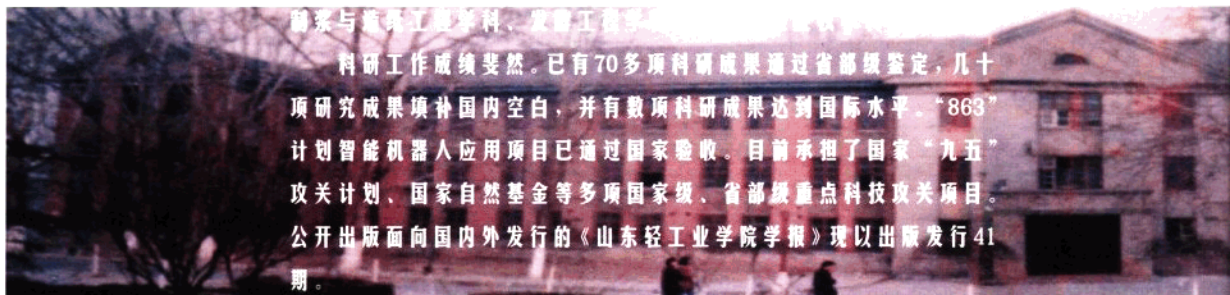

学院现有教职工780余人，其中具有副高职以上职称者210余人，在校学生3400余人。再读成人教育生3000余人。已毕业学生3万余人，遍布全省轻工行业，其中一大批成为领导骨干和技术骨干。

学院现有机电工程、轻化工程、化学工程、无机材料、食品工程、艺术设计、经济贸易等七个系和基础课、社会科学两个部，下设24个专业。拥有自动化研究所、精细化工研究所、无机材料研究所等5个研究所。制浆与造纸学科为省级重点学科。经国务院学位委员会批准，
制浆与造纸工程学科、发酵工程学科

科研工作成绩斐然。已有70多项科研成果通过省部级鉴定，几十项研究成果填补国内空白，并有数项科研成果达到国际水平。“863”计划智能机器人应用项目已通过国家验收。目前承担了国家“九五”攻关计划、国家自然科学基金等多项国家级、省部级重点科技攻关项目。公开出版面向国内外发行的《山东轻工业学院学报》现以出版发行41期。

学院十分重视国际间的学术交流与合作，多次邀请美国、德国、日本、加拿大、西班牙等外国专家、学者来院讲学、进行学术交流。我院还先后选派出国人员24人次，并长期聘请外籍教师来院任教。学院多次成功举办了大型国际学术研讨会，与德国合作建立的啤酒技术中心在我院落成。

学院占地200余亩，校舍总建筑面积12万平方米，教学科研仪器设备价值1600余万元，附属机构有附属小学、幼儿园、医务室等。

Brief Introduction

Shandong Institute of Light Industry is located in the Spring City of Jinan, where there is a view of lotus in four directions and willows in three. Whole of the city is with mountains and half with lakes. The college is the sole light industry institution of higher learning in Shandong Province.

The institute has 780 faculty and staff, over 210 of whom are professors, associate professors and research fellows. The number of students in residence is over 3,400. 30,000 graduates are in the light industries in Shandong Province. Many of them are backbones of scientific and technological industries.

The institute sets up the following departments: Mechanical and Electrical Engineering, Light Chemical Engineering, Chemical Engineering, Inorganic Materials, Food Engineering, Artistic Designing, Industrial Economics and Trade, Department of Basic courses and Department of social sciences. The college offers 24 specialities. There is an Institute of Automation, Institute of Fine Chemicals, Institute of pulp and paper-making, Institute of Inorganic Materials and so on. Pulp and paper-making is among the most respected courses in Shandong province. Pulp and Paper-making and Fermentation can now grant Masters' degrees.

The institute strengthens scientific research. More than 70 achievements in scientific research have passed provincial levels. Many have filled the state gaps in science and technology in china. Some have reached international levels. The institute also finished some subjects for state "863 plans" and for other various plans, such as the 9th five-year plan etc. The Journal of Shandong Institute of light Industry has published 41 issues.

The institute strengthens international academic exchanges and cooperation. Foreign experts and scholars from America, Germany, Canada, Japan and Spain have been invited to teach here and for academic exchanges. The institute has sent 24 people to study abroad. The institute has successfully organized international meetings several times and the Service-und-Beratungs-Station Fur Die Geteraenkeindustrie (S.B.G.) has been founded on campus.

The institute covers an area of over 200 mu .Its total building area is 120,000 square meters. It possesses equipment for teaching and scientific research worth more than 16,000,000 yuan (RMB). The institute has all necessary service facilities including a primary school, a kindergarten and a clinic etc.

领导关怀

Leaders' Concerns

原山东省委书记、国务院副总理、现全国人大副委员长姜春云来我院参观学生设计毕业展。

Jiang Chunyun, vice-chairman of the Standing Committee of the National People's Congress, former secretary of the Shandong Provincial Party Committee is visiting the students' works.

原山东省委书记梁步庭同志来我院检查指导工作时为我院签名留念。

Liang Buting, former secretary of the Shandong Provincial Party Committee inspects the institute and signs his name.

山东省副书记、政协主席韩喜凯同志在山东轻工高等教育发展委员会召开期间参观校史展。

Han Xikai, former vice-secretary of the Shandong Provincial Party Committee visits the college history exhibition during the founding of Shandong Light Industry Education Development Committee.

原山东省委书记、中共中央顾问委员会常委谭启龙同志来我院视察工作时，参观毕业作品。

Tan Qilong, former secretary of the Provincial Party Committee inspects the institute and visits the works of students.

山东省委书记、副省长宋法棠同志出席我院举办的第四届国际啤酒饮料技术研讨会
Song Fatang, vice-secretary of the Shandong Provincial Party Committee and vice-governor attends the Fourth International Beer and Beverage Conference.

原山东省政协主席陆惠曾同志参观我院科技成果展
Lu Maozeng, former chairman of Shandong Committee of the Chinese People's Political Consultative Conference attends an exhibition.

山东省副省长张瑞凤同志来我院检查指导工作时接受院报记者采访。
Zhang Ruifeng, vice-governor inspects the institute and is interviewed by the student reporter.

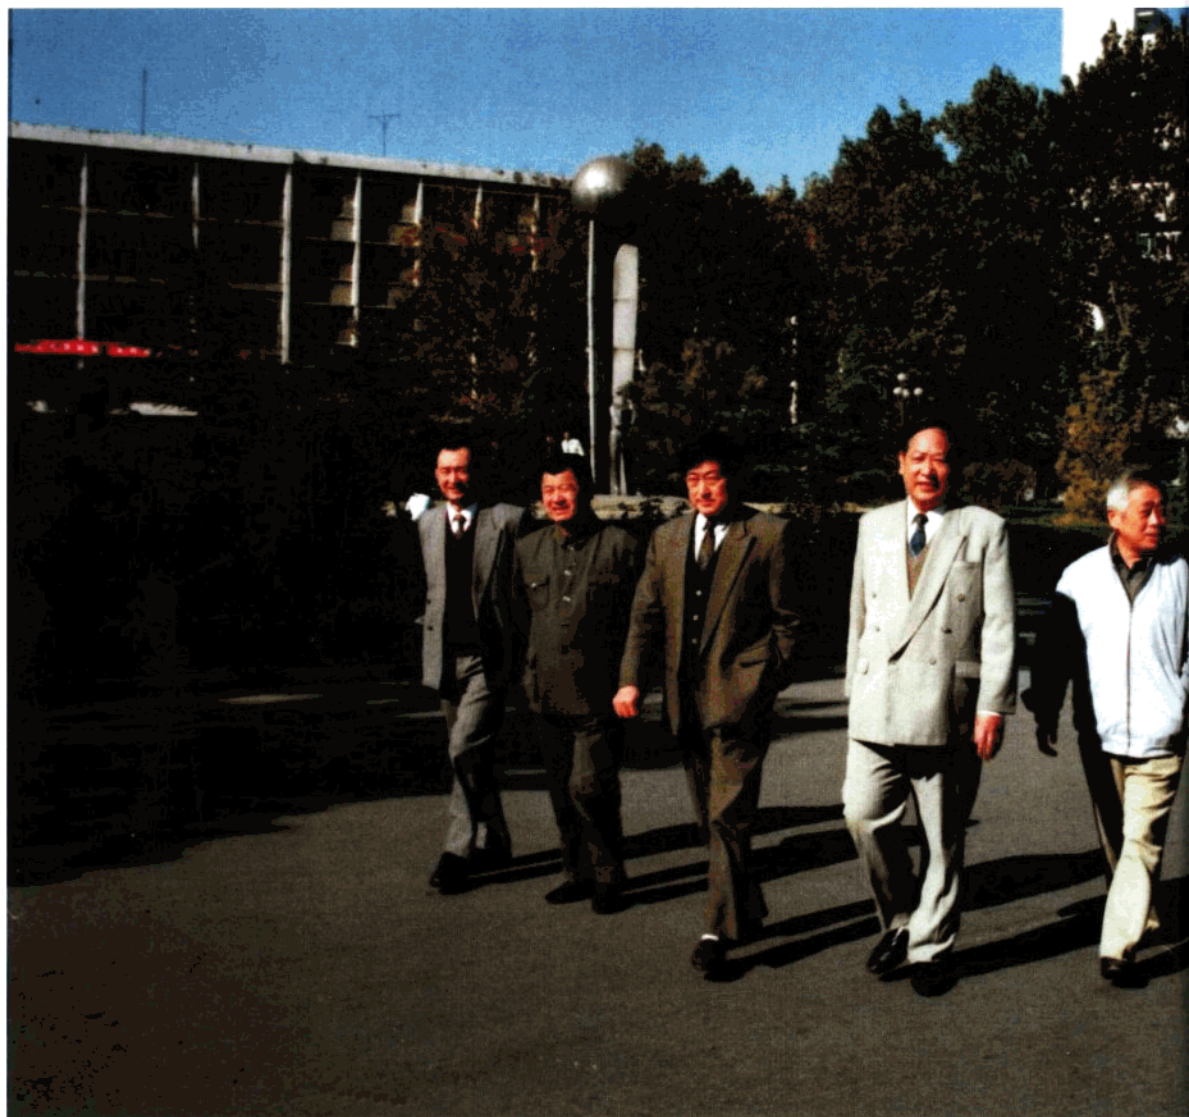

山东省副省长韩寓群同志来我院检查指导工作时参观啤酒技术中心。
Han Yuqun, vice-governor visits S.B.G.

山东省副省长杜世成陪同德国巴伐利亚州交通科技部长来我院参观时在全省部分厂长经理培训班上。
Du Shicheng, vice-governor accompanies German officials visiting S.B.G.

山东省一轻总会会长李昭泰、二轻总会副会长李志简同志在我院举办的山东轻工大型骨干企业座谈会上。
Li Zhaotai, president of the First Association of Shandong Light Industry and Li Zhijian, vice-president of the Second Association of Shandong Light Industry attend the Symposium of Managers of Shandong large light Industries.

现任院领导（左起）曲兆瑞、纪有权、孙卜选、翟焕波、王敏、刘韶华、朱摩西。
