FOREWORD TO THE THIRD EDITION

Chih Meng

Chinese University graduates and students in the United States constitute a highly strategic channel for actual, as well as potential, cooperation between this country and China. Among many reasons the following may be mentioned here:

Between the United States and China there are now, and there will be more, increasingly important educational, cultural, industrial and other relations. The Chinese students in this country may be counted upon to widen and strengthen these relations, since they are and will continue to be centers of radiation and adaptation for American ideas and ideals, scientific and industrial techniques and methods.

Furthermore, since the United States has renounced its extra-territorial rights in China, American firms wishing to do business in China may find it advisable to enlist the cooperation of American-educated students as trainees in the fields of engineering, industrial production and management, sales promotion, etc.

There is a rising demand on the part of American schools and other cultural organizations for knowledge of China, coming from the Chinese themselves. Many Chinese students in this country are in a position to act as interpreters of their own country and people.

Finally, complete understanding and cooperation between the American and Chinese peoples is a prerequisite to enduring peace in the Pacific.

The Directory is intended to be a reference for both the American friends and the Chinese in the United States and in China. The personal data contained therein is condensed from the fuller records in our files. There were 1295 names in the first edition, 1622 in the second edition, and 3022 in the present one. The comprehensiveness of the Directory is due to cooperation of those who have sent us their personal data from year to year. Some of the data is incomplete; some of it may need revision; and some names came in too late to be included in this edition. The names of Chinese military personnel and wartime industrial trainees are not included in the Directory. We wish to thank all for their cooperation which makes possible this Directory.

July 6, 1945
China House, New York

序言

旅美中國同人錄經過了三個多月的籌劃，已將印行問世這裡，我們願意把刊行的意旨申述一下：

人才是國家建設最重要的動力。計劃抗建工作，必先研究工礦農林及其他資源，確定發展方策，同時並須調查各種專門人才的分配，以作通盤的籌劃。有抗建大計而無人才，就變成紙上談兵。若專門人才的分配和抗建大計不符合，亦難收指臂之効。華美協進社對人才調查工作，一向積極進行，不遺餘力。但因往年留美同人往返祖國，行踪變動極速，正確的統計，不及印刷刊行。自太平洋戰事發生以來，從國內來美的人不多，而能由美返國的人更少。旅美同人行踪比較固定，正是刊行調查結果的時機。

我們留美的文化界人士和同學，因了戰時交通多阻和祖國音訊日漸疏少，留美同人對祖國抗建大計固然是極感隔膜。即祖國需才孔殷的建設機關，對正在美國研究或實習的專門人才，亦有情報不足，難以引用之感。我們希望這同人錄的刊行，能將留美專門人才情況對國內作一明晰的報告，庶幾乎在未來建設大業開展時，能達到人盡其才的境界。

自第二次世界大戰蔓延至全球後，中美兩國關係日趨密切，將來聯合國家戰勝，更必須切實攜手，以作新世界的和平動力。現在留美的中國同人，正是來日太平洋上兩大國家合作的主要幹部。這本同人錄，亦可以供兩國政府的參攷。

自發出調查表後，我們共收到一千式百六十多旅美同人的詳細履歷，一向存放本社以應中美政府機關之諮詢，並作介紹同學實習之根據。現在更把摘要印出，以應各界緊急的需求。以後再有新的履歷表寄來，或有同人變更通訊處，我們一定要在第二版刊行時補充修正。

孟治

卅貳年一月于紐約

再版序

我們艱苦的全民抗戰已將步入了第八年代，在這勝利的前夕，華國上下都在高談着戰後復興國家的問題，談到國家復興，第一要談到建設的問題，談到建設問題，就要談到專門人才問題，所以培養和調查專門人才，是目前抗戰建國的第一要務。

九十六年來，美國是我國訓練專門人才的重要場所，先後遣派來美的學生約有萬人，他們都是祖國抗建大業的中流砥柱，尤其自從美國參戰以後，目前在美國留學的專家和學生，不但已經加重了他們自己未來對祖國的責任，並且更担負起戰後對聯盟國在建設上合作的使命，因此我們對目前留美的專家和同學，有詳細調查和統計的必要，這就是我們刊行這本同人錄的宗旨。

自從旅美同人錄問世以來，各界人士，中美各政府機關，中華各文化組織，以及各實業團體紛紛向本社購取這的確証明了這種同人錄的刊行，在目前是有極大的需要的。

因為大家的住址時常變動，而我們所收到的調查表，往往又是非常的不齊全，所以許多不週全的地方，是無法補救的，譬如我們所收到的許多調查表，不曾填入詳細的履歷，或是年齡，那麼，我們是不願意印出任何原表所不曾填入的事項的。

在初版裡，我們一共刊印了一千二百九十五位同人的姓名，在再版裡，我們一共刊印了一千六百二十二位同人的姓名，當然還有許多位同人的姓名，我們不曾搜集進來，也還有許多位最近來自祖國的同學，因為居址未定，我們也不曾把他們編入，事實上印行的期限實在無法再行推延，這些，我們都要等待在下一版裡設法補入了。
