

西式家具和布置

A warm-toned photograph of a modern interior. In the foreground, a sofa with bold black and white vertical stripes is adorned with several pillows, including a bright yellow one and a white one. To the left of the sofa, a small black side table holds a stack of books and a small lamp. In the background, a light-colored wooden bookshelf is filled with books and decorative items, including a small red car. A large potted plant stands to the left of the bookshelf. The floor is made of light-colored wood, and the overall lighting is warm and ambient.
