矢志不渝

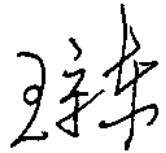

——致力于中国钢铁业昂头天外

“会当凌绝顶，一览众山小”。20年前，我们选择“泰山”为企业冠名，着实经历了一番理智的挑战。20年后，我仍为这一选择而欣慰。因为，泰钢20年的发展历程证明，我们所要的不仅是泰山“五岳独尊”的威名，更是她“昂头天外”的志气。

20年来，泰钢从一片废墟上起步，在各级领导的悉心关怀下，在各界朋友的鼎力帮助下，锐意发展，奋力开拓，困难面前不低头，成绩面前不骄傲，机遇面前不犹豫，始终保持着健康、欢乐、奔腾发展的良好态势。特别是1998年以来，泰钢克服种种困难，不事张扬、默默无闻地进行技术改造和规模扩张，走出了一条以科技打天下、靠诚信闯世界的企业发展之路，规模和实力连续五年连年翻番。目前，泰钢已具备年产铁120万吨、钢160万吨、材50万吨的能力，年创产值18亿元。

泰钢工业园于2003年6月10日经莱芜市委、市政府批准建设，占地面积10.8平方公里，计划投资100亿元人民币，预计2007年建成。届时泰钢将实现钢产量400-500万吨、销售收入250-300亿元、利税25-30亿元；工业园以钢铁生产、板带及板带后续产品深加工为重点，着力建设冷轧、镀锌、镀锡、彩板、焊管金属制品加工等一系列精品项目。

登高望远，极目天舒。与泰山结缘，就要有泰山的胸怀；以泰山冠名，就要有泰山的气度。20年的风雨过后，泰钢人深深明白了一个真理：作为中国钢铁业的一员，只有跳出自我，胸怀全局，才能打造中国的钢铁航母，才能实现中国钢铁事业昂头天外的宏伟目标，泰钢人愿为实现这一目标，广交挚友，不懈努力。

INSISTING ON

——Devoting himself to China's iron and steel industry without any regret.

20 years ago we selected the brand "TAISHAN" name our corporation with caution ,today I still feel happy for the selection.

During 20 years ,Taigang has grown up to a health ,happiness ,flourishing corporation from ruin under the help of leaders and friends. Especially since 1998,Taigang suffer much hardness, adopting technic change and scope expanding, exploit a road of depending credit and science-technic .Now Taigang have the capacity of manufacturing 1.2 million tons of pig iron,1.6 million tons of steel, 500 thousand tons of steel products ,which can making 1.8 billion yuan RMB production valve.

Taigang industry field is approved to building by laiwu committee and local government , covering 10.8 square kilometer of area ,planning to invest 10 billion yuan RMB .It is finished in 2007.Then Taigang can realize 4 -5 million tons of steel ,25-30 billion of selling incomes,2.5-3 billion profit and taxes .Taigang industry lay stress on deep machining iron and steel ,board strip and its after productions. Pay attention to building several such good project as cold rolling galvanization , tinning ,color board and welding pipe etc metal machining.

Over 20 years wind and cloud,people of Taigang get the truth that :it is jumping yourselves you can build Chinese iron &steel flattop ,can realize the large target of developing Chinese iron & steel business .People of Taigang will do their best. to realize this target .
