# 前 言

英语写作作为一种主要的交际手段,越来越受到人们的重视,它也是跨世纪人才必备的重要工具之一。近年来,随着英语教学改革的不深入,培养学生的写作能力已被提到了相当重要的位置上来,学生的写作水平也有明显的提高。但是,从四、六级考试结果来看,仍有相当一部分考生达不到作文及格线(9分)。由此看来,英语写作仍是学生的一个薄弱环节,有待于继续加强。

为了尽快提高学生的写作能力,使广大考生在较短的时间内有较大的收益,我们组织了本书的内容。根据《大学英语教学大纲》和《大学英语四、六级考试大纲》的指导思想,本书以段落的写作方法为起点,分别介绍了写作中常见的几种文体形式及四、六级考试中常见的题型,着重阐述各类作文的写作方法与技巧,对范文进行适当的分析和评论。同时,本书还注重理论与实践相结合,每部分后附有一定数量的练习,为学生提供练习的机会。

本书的特点是:一、形式新颖。本书一改此类辅导书的常用形式,从段落写作入手,由浅入深,逐步深入,讲练结合,使学生最终能够写出语言正确,内容连贯的文章。二、内容丰富。本书提供了近200篇范文,包括日常生活中各方面的内容和当今社会上的热门话题,覆盖面广,可帮助学生尽快掌握一些不同内容的语言表达形式,提高语言表达能力。三、适用性强。本书注重讲练结合,随学随用;所选的范文语言规范,难度适中,各个层次的学生均可模仿。

## 第一章 大学英语四、六级写作简介

### 一 写作的目的及要求

短文写作的目的是测试学生用英语书面表达思想的能力。一定的写作能力是大学英语教学大纲规定的目标之一,同时,这也是大学生在未来工作中会遇到的交际需要。作为一种测试手段,短文写作能够直接有效地测出考生综合运用语言的能力,较准确地反映考生的英语水平。

大学英语作文测试要求考生能够运用学到的语言知识,按规定的题目要求,在30分钟内写出一篇120个词左右的短文,语意连贯,表达正确,无重大语法错误。题目的内容包括科技、社会、文化或日常生活等方面的一般常识。题目形式多种多样,有提纲作文,段首主题句作文,关键词作文,图表作文和规定情景写作等。

### 二 评分原则

1. CET作文题采用总体评分(Global Scoring)方法。阅卷人员就总的印象给出奖励分(Reward Scores),而不是按语言点的错误数目扣分。

2. 从内容和语言两个方面对作文进行综合评判。内容和语言是一个统一体。作文应表达题目所规定的内容,而内容要通过语言来表达。要考虑作文是否切题,是否充分表达思想,也要考虑是否用英语清楚而适切的表达思想,也就是要考虑语言上的错误是否造成理解上的障碍。

### 三 评分标准

1. 本题满分为 15 分。

2. 阅卷标准共分五等:2 分、5 分、8 分、11 分及 14 分。

3. 阅卷人员根据阅卷标准,对照样卷评分,若认为与某一分类(如 8 分)相似,即定为该分数(即 8 分);若认为稍优或稍劣于该分数,则可加一分(即 9 分)或减一分(即 7 分)。但不得加或减半分。

4. 评分标准:

2 分——条理不清,思路紊乱,语言支离破碎。

5 分——基本切题。表达思想不清楚,连贯性差。大部分句子均有错误,且多数为严重错误。

8 分——基本切题。有些地方表达思想不够清楚,文字勉强连贯;语言错误相当多,其中有一些是严重错误。

11 分——切题。表达思想清楚,文字连贯,但有少量语言错误。

14 分——切题。表达思想清楚,文字通顺,连贯性较好。基本上无语言错误,仅有个别小错。

[注:白卷,作文与题目毫不相关,或只有几个孤立的词而无法表达思想,则给 0 分]

5. 字数不足应酌情扣分:

累计字数	CET4	90~99	80~89	70~79	60~69	50~59	<49
	CET6	110~119	100~109	90~99	80~89	70~79	<69
扣 分		1	2	3	5	7	9

[注:1. 如题目中给出主题句,起始句,结束句,均不得计入所写字数。

2. 只写一段者:0~4 分;只写两段者:0~9 分(指规定三段的作文)]

## 四 样卷评分分析

### CET4 样题

#### Writing (30 minutes)

**Directions:** For this part, you are allowed thirty minutes to write a composition on the topic *Don't Hesitate to Say "No"*. You should base your composition on the outline below:

1. 别人请求帮忙时,在什么情况下我们会说“不”。
2. 为什么有些人在该说“不”的时候不说“不”。
3. 该说“不”时不说“不”的坏处。

### Don't Hesitate to Say "NO"

#### [样卷 1]

In our everyday life, we often meet some people who ask us for help. What shall we do?

Of course, helping others is a virtue, but in some cases, we will have to say "no". For example, if what others want you to do is unreasonable or even illegal, you should say "no" without any hesitation. Everyone has his own principle of doing things, and we won't do anything opposite to the right principle. If we did, it would do nothing but harm to both of us and others. In other cases, if the request from others is reasonable but beyond your ability, what you should do is just to say "no". Never promise others what you can't do. If you can't keep your promise, you will be considered dishonest and it will do you no good when dealing with other people.

In a word, if we don't want to get into unnecessary trouble, just say "no" without hesitation when it is quite necessary.

**评析:** 得分 14 分。切题,表达清楚,过渡自然,内容连贯,句型变化多样,语言手段较丰富,几乎无语法错误。但最后总结意思不够清

楚。

[样卷 2]

Most of us hope to create a friendly atmosphere with others, so it's important to help other people when they need your help. But sometime, under some conditions it is more wise to say "No". For example, if a friend of yours ask you to do a wrong thing even to help him to commit a crime, your best answer of course is "No". We help each other in order to express our care and love to others, but first of all the principle of helping others is to do the right thing.

Why some people fail to say "No" when they should. It is because of their lack of judgement of what is right and what is wrong or it is because that the wish of keeping friendly with others makes their judgement weak.

If you fail to insist on your principle and say "Yes" when you should say "No". You will possibly do some wrong thing which will not only be bad for others but also bad for for yourself.

So don't fear to say "No" when the chance of saying it comes to you.

评析:得分 11 分。切题,条理清楚,意思连贯,有少量语言错误,且句式不够灵活,语言显得单词一些。

[样卷 3]

Every one may meet with the trouble. So we should help the others when they are unlucky. But, in some case we must say "No" to the one who turns to us for help. When someone wants us to do something harm to the others, we should say "No".

But, some people can't say "No" when others ask them to do the wrong thing. The reason always is they are friends and they

can't refuse the friends' require.

But when they say "Yes" to the people who wants to do the thing harm to the others, they also do mistakes themselves. They will meet with the sentences by people at the last. So when someone asks us to do the thing which is harm for the others, we should not hesitate to say "No".

评析:得分 8 分。内容基本切题,文字勉强连贯,语言错误较多,且有一些是较严重的错误,还有个别标点符号错误。

[样卷 4]

When the others ask us help, we usually say "Yes". But when the others ask us to do some wrong thing, we must say "No". Some people alway say "Yes", perhaps they only sees the benefit before them and omits the bad results. There are lots of examples for this. Some people use they power give others ways and get money. At last they are exposed and sentensed in count. It's a very lardge problem in our county.

When we must say "no", we shouldn't hesitate to say "No". So! we can let others and ourself make little mistake. We can alway has the right heart to face everyboby. If we hesitate to say "No", the world will be worse and worse, filled with cheat and false. There will lack true and progress.

评析:得分 5 分。文章基本切题,表达思想不够清楚,有些地方令人费解,大部分句子都有错误,受汉语影响较严重。

[样卷 5]

When somebody aske for some help, we all give a hand to him. But, the thing what we forced or conunter the rule, we will say "No".

What is the result of someone didn't say "No" what could say

“No”? Some people think say “No” will give anyone harm. When they ask for a help, then anyone will not give them a hand. Some people because of getting something. Example, money, good, or they will say “Yes” and help someone.

What is the harm of “Hesitate to Say ‘No’”. You will getting the harm what you couldn’t. Think over, You help he who forced the rule, then you will connect with he. It’s dangers to you.

Don’t Hesitate to say “No”. You will get something what is best.

评析:得分 2 分。语言错误比比皆是,思路混乱,条理不清,有大量句子结构和拼写错误。

### CET6 样题

#### Writing (30 minutes)

**Directions:** For this part, you are allowed 30 minutes to write a composition on the topic *Should Firecrackers Be Banned?* You should write at least 120 words and you should base your composition on the outline (given in Chinese) below?

1. 有人认为放鞭炮是好事,为什么?
2. 有人认为放鞭炮是坏事,为什么?
3. 我的看法。

[suggested key words: firecracker 鞭炮; set off/let off 放(鞭炮)]

Remember to write your composition neatly.

#### Should Firecrackers Be Banned?

##### [样卷 1]

People’s opinions about whether firecrackers should be banned vary from person to person.

Some people say that it is a good thing to set off firecrackers.

To them, letting off firecrackers is a traditional means to celebrate our special days, particularly Spring Festival. If firecrackers were banned, our festivals would become too quiet to enjoy.

Others think firecrackers should be banned. In support to their argument, they list many facts to show that fires are caused by firecrackers, which bring so much damage to people. At the same time, they say, firecrackers make noise and cause air pollution.

Personally, I am on the side of the latter argument. It is true that firecrackers make our festivals more enjoyable but, I think, we can think out other entertainments. And also, we can appreciate the sound of firecrackers by listening to a tape recorder instead of setting them off. In a word, firecrackers should be banned for the benefit of all people.

评析:得分 14 分。切题,文理通顺,语言规范,用词恰当,句式变化多样。有个别小错,但不影响理解。

### [样卷 2]

In the Chinese New Year, we all like to set off firecrackers. But in these years, firecrackers are forbidden in some areas. Some people think that setting off firecrackers is a good thing because in the new year, everyone is happy, so setting off firecrackers will make him more excited. Especially children are more fond of firecrackers. And setting off firecrackers has lasted for hundreds of years, so it should not be banned.

On the other hand, some people think that setting off firecrackers is a bad thing. Because firecrackers are very dangerous. They might cause the fire, make the eyes blind and even kill somebody. So they must be banned.

I think firecrackers needn't be banned, but they must be limited. Firecrackers are good things, but when they make people

dangerous they become bad things. So when we are setting off firecrackers, we must pay much attention to safety.

评析:得分 11 分。切题,表达思想清楚,文字连贯,但有少量语言错误。

[样卷 3]

There is much controversy as to ban firecrackers. Some people think that firecrackers can play a important role in festervals. More happiness can be added to festervals. But others are opposed to it. Firecrackers are regarded as a kind of pollution. And many accidents happened for setting off firecrackers.

The opinions are reasonable in part. We should not go to extreme. Yes, the advantages of firecrackers is conspicuous to us. It's a part of our culture. But it indeed contributes to many wounded arised by it. According to investigation, there are many fires during the festival.

So we must integrate two opposite ideas. In correct place and at correct time, we set off firecracker for adding happiness. Now, many cities have found many solution to this question.

评析:得分 8 分。基本切题,文字比较连贯,但有些地方表达不够清楚,有一些语言错误,个别地方为较严重的错误。

[样卷 4]

Some people are intrested in seting off firecrackers. Why? Most of them will say that the firecrackers can inspire one's spirit. But almost all of the children look it as an intresting game.

But some people don't agree to leting off firecrackers. They think the game is dangerous, it always bring fires. It is not worthy of risking, especially to children. Some parents even forbid the children to look the game. They believe it can waste many good

time, apart from the dangrous.

But I think that the firecrackers can be set off on October 1, January 1 etc. It can bring excitment to people. But set off it by grownups and the children leave it far away. What do you think?

评析:得分5分。文章基本切题,但有些地方表达不够清楚,连贯性差,且有不少词汇及语法错误。

[样卷5]

Many Chinese set off firecrackers when marriging, moving etc. It is an old culture up date from ancient. Some person think to set off firecrackers is a kind of remember Chinese culture and will bring much fun to people.

Some person think it is a good idea to set off firecrackers.

To set off firecrackers will often bring forth fire or let somebody break. There are too many real facts showing that set off firecrackers is not safty and usually make something happy become to unhappy.

I think set off firecrackers is not suitable in cities. In a city, there are many people and many building. To set off firecrackers will make fire easy and burst people easy. Now we can use other way to instead of set off firecrackers.

Now, in many cities of China, people are prohibit to set off firecrackers. Let firecrackers never banne in cities.

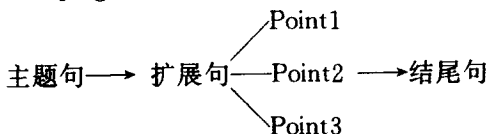

评析:得分2分。条理不清,思路紊乱。语言支离破碎,基本上无完整的句子,语言错误比比皆是。

## 第二章 段落的写作

段落是文章的基本组成部分,没有段落就没有文章。段落写得好对写好文章至关重要。因此,段落写作是大学英语写作练习的重要环节。段落不是一组句子的任意堆砌,而是由若干相互关联的句子,按照一定的规则组合而成,说明一个中心思想,或从一个角度对文章的主题进行阐述。

### 一 段落的组成

段落基本包括三个组成部分:主题句(topic sentence),扩展句(developing sentence)和结尾句(concluding sentence)。

#### 1. 主题句

主题句是段落的中心思想,统领全段,对段落的发展起决定作用。主题句不仅要求简洁明晰,内容具体,而且要有概括性,有助于段落的扩展。一般来说,主题句放在句首,中心突出,但也可以放在段中或段尾。有时为了强调段落的主题,主题句同时出现在段首或段尾。试举例如下:

##### (1) 主题句在段首

Police officers perform many important services. They may be

involved in solving crimes. They may find themselves helping lost children. Often police officers are also called upon to calm frightened people or to assist someone who has been wronged. They may give aid to motorists whose cars have broken down or who have been in accidents.

文章的第一句是该段的主题句,其关键词组是“perform many important services”。段落中的其它几个句子都是围绕该内容展开。

### (2) 主题句在段中

Californians and New Englanders are both Americans. They speak the same language and abide by the same federal laws. But they are very different in their ways of life. Mobility—both physical and psychological—has made a great impression on the culture of Californians; lack of mobility is the mark of the customs and morality of New Englanders.

主题句出现在段落中间,其前面的部分起承接上文的作用,而主题句则引出下文。这类段落的中心思想往往要根据上下文的意思才能确定。

### (3) 主题句在段尾

Doctors are of the opinion that most people cannot live beyond 100 years, but a growing number of scientists believe that the aging process can be controlled. There are more than 12,000 Americans over 100 years old, and their number is increasing each year. Dr. James Langley of Chicago claims that, theoretically and under ideal conditions, animals, including man, can live six times longer than their normal period of growth. A person's period of growth lasts about 25 years. If Dr. Langley's theory is accurate, future generation can expect a life span of 150 years.

文章首先引用数据说明越来越多的人将活过100岁。接着,又引用专家的观点,再次说明人们的寿命将会延长。最后,对全段内容进行总结,点明段落的中心思想。主题句起到了总结和加深读者印象的作用。

#### (4) 主题句在段首和段尾

Good manners are important in all countries, but ways of expressing good manners are different from country to country. Americans eat with knives and forks; Japanese eat with chopsticks. Americans say "Hi" when they meet; Japanese bow. Many American men open doors for women; Japanese men do not. On the surface, it appears that good manners in America are not good manners in Japan, and in a way this is true. ~~But in any country, the only manners (that are important) are those involving one person's behavior toward another person.~~ In all countries it is good manners to behave considerately toward others and bad manners not to. It is only the way of behaving politely that differs from country to country.

文章开门见山,点明主题,然后用具体事例对主题进行解释、说明,扩充主题句的内容。最后一句进行总结,重述主题句的内容,强化主题。

## 2. 扩展句

段落的主题点明之后,接着就用一系列的扩展句,对主题句进行解释、说明、阐述主题句的观点。一般来说,扩展句应紧扣主题,内容详实,具有较强的说服力,而且应层次清楚,条理性强,这样才能说理透彻,使人信服。

[例 1] Few can deny the strange coincidence in the death of John
