优越的地理位置、众多的天然湖泊，八达的交通网络，得山水之势，显绿色之韵。

东西湖，地处长江北岸、武汉之西，汉江、汉北河及府河汇集之处。全境三面环水，乃古云梦泽的一部分。这里湖泊密布、河流纵横，青山滴翠、田野吐馨，港湾九曲、轻舟飘逸。

丰富的自然条件和深厚的历史文化内涵，赋予东西湖特有的个性魅力。新石器时代遗址马投潭，抗清名将张京故里，辛亥元老孙武故居，瓠子山鳞木化石以及楚天第一古镇等——飘溢着传统文化的芳香。穿行荷塘栈桥，畅游柏泉古井、古景德寺、明清古村落，观赏“彩云夕照群鹭飞”的金银湖，不仅令人陶醉于“三古”景区的古朴清秀，更会沉浸于“荷塘月色”与“落霞与孤鹭齐飞，秋水共长天一色”之遐想。

东西湖围垦，创业图强。改革开放以来，东西湖区分析自身优势，确立“以生态化、信息化推进工业化、城市化”的强区之路，加大城市基础设施建设力度，着力打造“七彩东西湖”和“强区、富民、和谐”的生态发展新区。通过几代人的共同努力，一座环境优美的宜居新城展现在世人面前。

放眼今日的东西湖，沿金山大道，有金银湖荡漾左右。在金银湖东、北、西，东流港、黄狮海、潇湘海、径河四条水道纵横贯通，金岛、银岛、卧龙岛等九个半岛依次探头湖中，形成了三湾十八岔、湖岸回旋、四水连接、九龙护珠的水势地貌；加之与相连的东方马城、高尔夫球场和金银湖国家湿地公园，构成了浓郁的水文化韵味。这里山水林园簇拥，春暖花开、夏秋果熟，沁心花香飘十里，绿叶成荫果满枝；水中鱼游虾戏，树梢鸟儿歌唱；园中游人成群，地头孩童嬉戏。一派青山碧水，和谐人居之诗情画意。

鲜花绿树，四季常青，是东西湖永不褪色的风景。彩色化的金山大道，一路姹紫嫣红，令人赏心悦目。吴家山的显山透绿、环湖生态防护林带、农田生态防护林带和道路沿路生态林带筑起东西湖生态廊道，与城中各种大小公园、绿地融为一体，形成了网带相连、点线面结合的园林绿地系统。截止2008年底，全区绿化覆盖率达到46.90%，绿地率39.08%，人均公园绿地面积9.22平方米，超过“国家园林城市”标准。

《古泽新曲》画册，收集近200幅图片，以生态文明建设为题，分景观道路、公园绿地、社会绿化、绿色家园、自然生态和历史文化六个部分，形象生动、系统全面的描绘了东西湖城镇环境、城镇面貌和城镇形象发生的翻天覆地的变化，详实纪录了东西湖人民辛勤耕耘的足迹。独特的视觉以及图文并茂的编排，融真实性与艺术性于一体，对激发全区人民以更加求真务实的精神、更加高昂的热情投入到“两型社会，和谐新城”建设之中，具有重要的历史意义和积极促进作用。

东西湖是大自然的恩赐，保护和建设东西湖是东西湖人的天职。相约东西湖，共享秀色美景，更是东西湖人的殷切期盼与荣耀。

With the superior geographic site, plenty of natural lakes, facility transportation net, the land is superior on the natural circumstance.

Dongxihu District is sited on the north bank of Changjiang River, the west part of Wuhan, the junction of Han River, Hanbei River and Fuhuan River. The whole district faces to the waters on the three sides, is a part of the Ancient Yunmeng Water land. It is density of lakes and rivers, around the green mountains and the fragrant farms. Boats are common to see floating on the winding rivers.

The district has unique features for its flourish natural situation and lots of historical cultural remains. In the place, there are Matou Pond, the ruins of the Neolithic Age, the native place of Zhang Jing, the famous general who against Qing, the old home of Sun Wu, one of the leaders of the 1911's Revolution, the fossil of lepidodendron in Mount Huzi, the 1st ancient town in Hubei area and so on. Also in the place, you can pass through bridges over lotus ponds, you can visit the ancient well in Boquan, the ancient Jingde Temple, the ancient village of Ming and Qing Dynasty, you can see the sightseeings of birds flying over Jinyin Lake in the sunset. You can not only be inebriated by the natural scenes of the three ancient scenic places, but also be immersed by the artistic mind of the famous articles and poems such as "the moonlight over the lotus pond" and "the evening glow parallels with a lonely duck to fly, the autumn river shares a scenic hue with the vast sky".

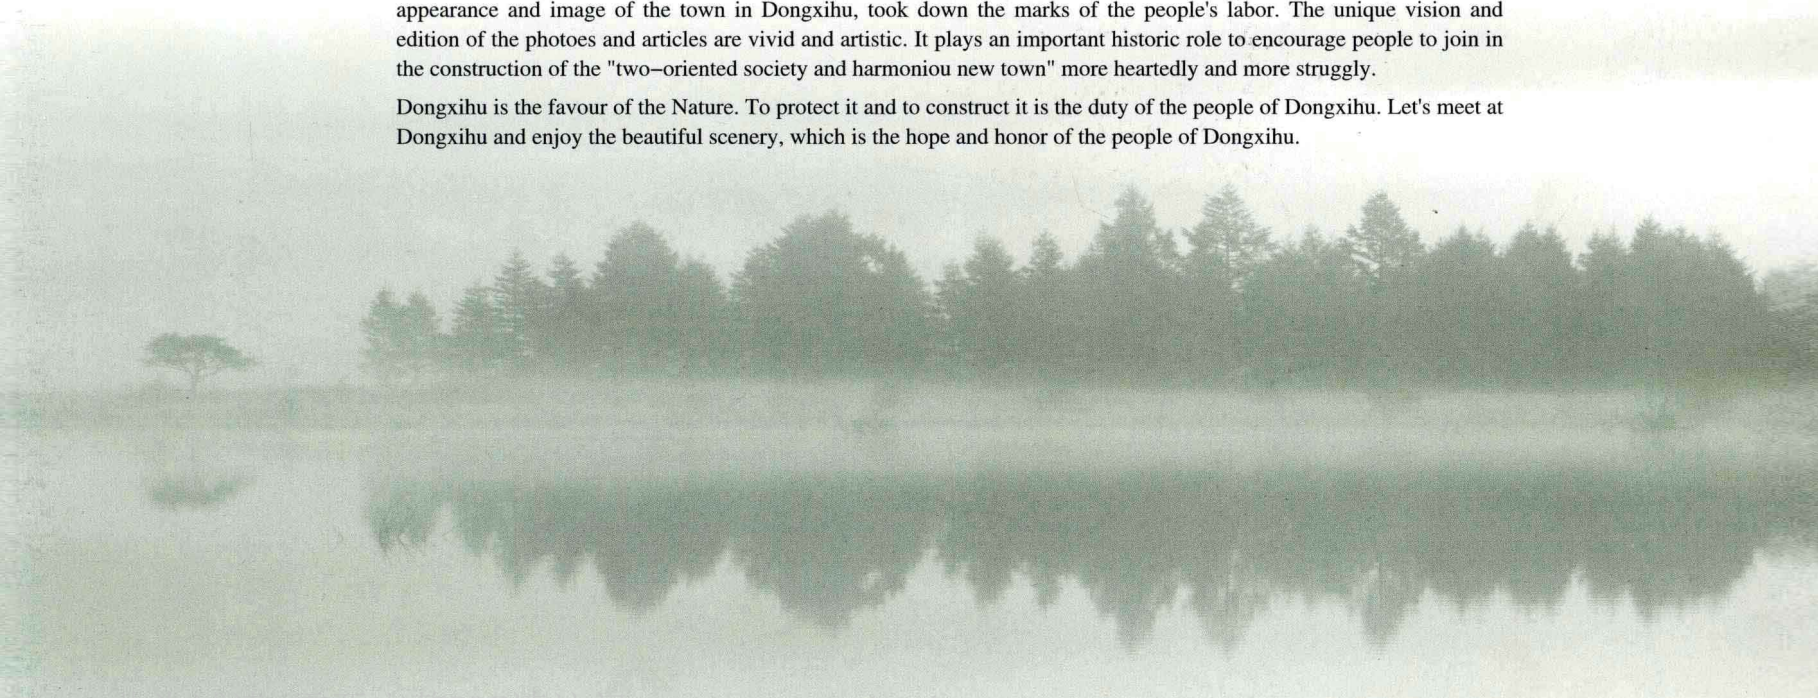

Since the Reform & Opening Up, having analysed the superiorities of its own, Dongxihu District decided the getting-strong road of "to enhance the industrialization and the civilization through ecological and information's development", it fastened the civil infrastructure, focus on to build a new town of "strong district, rich citizens and harmonious circumstance". Through the efforts of several generations, a new beautiful town suitable for living is showing up nowadays.

Overviewing today's Dongxihu District, Jinyin Lakes are lying on the two sides of Jinshan Avenue. To the east, the north, and the west of Jinyin Lakes, the four waterways of Dongliugang, HuangshiHai, Xiaoxianghai and Jin River are conjunctive, Nine peninsulas including Jin Peninsula, Yin Peninsula, Wolong Peninsula extend into the lake, thus develop a water landform plenty of river bends, whirling bends, the conjunction of four rivers and nine dragons around the pearl of water. Together with the Oriental Horse City, golf course and Jinyin Lake National Waterlands Park, the place is full of water culture. With scenic gardens, it is blossoming and fragrant all the year. Fishes swimming in water, birds singing in the trees, visitors are leisure in the gardens and kids are playing in the grounds, which shows a scene of romantic and harmonious living.

Flowers and green trees in all the seasons is the never-fading scenery of Dongxihu District. The colorful Jinshan Avenue is pleasant for people with different color flowers blooming. The around-lake ecological protection woods belt, the farms ecological protection woods belt and along-roads ecological woods belt are the three ecological galleries, together with varies of gardens and greenlands in the city, they are composed of the comprehensive gardening greenland system. Upto the end of 2008, the total greening covering rate of the district has reached 46.9%, the rate of greenlands has reached 39.08%, the average garden greenland area, 9.22 sqm, which are all over the standard of national gardening city.

The album THE MELODY OF THE OLD LAND has nearly 200 photoes, titled with ecologic civilization struction, classified into seven parts:scenic roads, greenlands in the parks, social greening, green living zones, protectiong greenlands, natural ecologic environment and historic culture. The album discribed the great changes of environment, appearance and image of the town in Dongxihu, took down the marks of the people's labor. The unique vision and edition of the photoes and articles are vivid and artistic. It plays an important historic role to encourage people to join in the construction of the "two-oriented society and harmoniou new town" more heartedly and more struggly.

Dongxihu is the favour of the Nature. To protect it and to construct it is the duty of the people of Dongxihu. Let's meet at Dongxihu and enjoy the beautiful scenery, which is the hope and honor of the people of Dongxihu.

绿水青山，
长天一色。

每到春暖花开，

夏秋果熟，

这里沁心花香飘十里，

绿叶成荫果满枝；

水中鱼游虾戏，

树梢鸟儿歌唱；

园中游人成群，

地头孩童嬉戏。

一派青山碧水，

和谐人居之诗情画意。
