# 张家口精神

## ZHANGJIAKOU SPIRIT

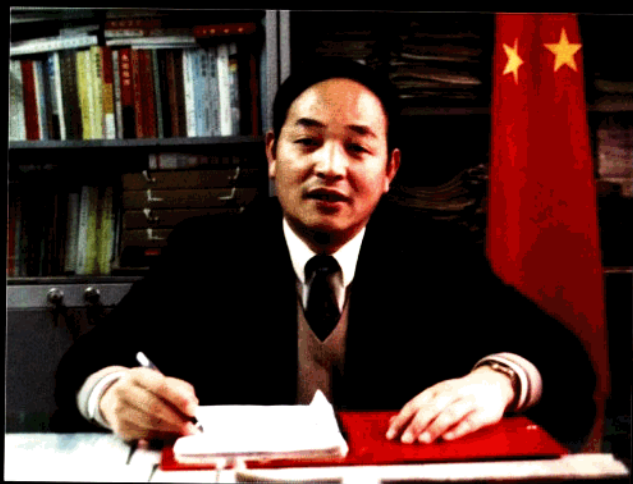

Be united and do solid work

Be arduous and strive for progress

Be endurable and undertake more

Be quick to make up for the lateness

张家口市是河北省省辖的地级市之一。位于河北省西北部，全市辖4区13县，总面积3,690平方公里，人口432万，其中建成区面积70平方公里。

张家口市历史上以“陆路商埠”而著称，是晋、冀、内蒙古接壤区的中心城市。这座塞外名城在历史的长河中历经沧桑。新中国成立后，经过40多年的建设，这座古城焕发了生机，特别是党的十一届三中全会之后，张家口市的经济社会各项事业发生了历史性的变化，城市建设和容貌得到明显改善。城市道路四通八达，建筑群体层次对比，居民小区不断涌现，绿化美化成绩斐然。各种道路占地总面积已达480公顷；供水管网总长316公里，日供水总量18万吨，排水管网总长288公里，日处理污水16.7万吨；园林绿化地总面积1700公顷，路灯、桥梁、燃气、供热、环卫等各项事业也都有了长足发展。

1995年5月9日，张家口市被批准为对外开放城市，为今后的快速发展提供了难得的机遇。全市人民按照市委、市政府的长远规划和统一部署，紧紧围绕“路、水、气、貌、房”的建设，改善城市投资环境和人民群众的生活环境，重点搞好京张、宣大高速公路的建设；完善市区环城路，改造西坝岗路，打通上营东西大街；加快市区管道煤气入户步伐，进一步提高燃气普及率；抓好国家安居工程的实施，不断改善群众居住条件；下大力搞好城市容貌综合整治，搞好城市的绿化、美化、净化、亮化，为人民群众提供舒适、宜人的工作和生活环境。

展望未来，张家口市这颗塞外明珠，将以其更绚丽的英姿镶嵌在晋、冀、内蒙古三省区接壤的土地上，并放射出更灿烂的光辉。

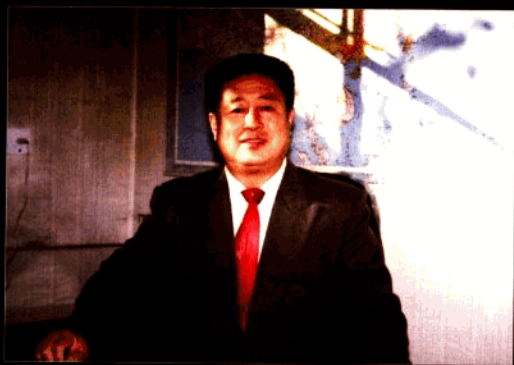

Zhangjiakou is a city of Hebei Province at prefectural level. The city, in the northwest part of the province, has 4 districts and 13 counties under its jurisdiction, with a population of 4.32 million and an area of 36,900 km<sup>2</sup> of which the built-up area is 70 km<sup>2</sup>.

Zhangjiakou famous as 'the inland commercial port' in history, is a central city connecting Hebei, Shanxi and Inner Mongolia. This old city outside the Great Wall has gone through the shifts and changes of life. Since the founding of New China, with forty year's construction, the old city has radiated its vigor since the third plenary session of the Eleventh Party Congress. In particular, historical changes have taken place in all fields of economic society. Significant improvement has been made in urban construction and the city's appearance. Roads radiate in all directions. Buildings are arranged in close order. Residential quarters appear one after one. Afforestation makes tremendous progress. Roads of all kinds take up a space area of 480 hectares. The length of water pipes reaches 316 km while daily water supply reaches 180,000 tons. The length of drainage pipes is 288 km with a daily sewerage treatment capacity of 167,000 tons. The whole afforestation is 1709 hectares. Considerable progress has been made in the fields of street lamps, bridges, gas, heating, environment sanitation.

On May 9th, Zhangjiakou became a city open to the outside world. This provides a rare chance for rapid development in the future. People of the city, in accordance with the long-term plan and unified plan made by the municipal party committee and the Municipal government, centering around roads, water, gas, appearances are working hard to improve the city's investment environment and people's living environment, lay stress on the construction of Beijing-Zhangjiakou, Xuanhuan-Datong Expressways, improve the ring roads in the city, prosper, upgrade Xibogang Road, build Shangdongying East-West street, step up the gas into the household project, further boost the coverage of gas pipes, lay stress on the building of anjiu Comfot project, improve housing conditions, make great efforts to improve the city's appearance, do better in afforesting, cleaning, beautifying, brightening the city so as to provide the people with comfortable and pleasing living and working conditions.

Looking forward to the future, we are sure that Zhangjiakou, a bright pearl outside the Great Wall, with its newer and more beautiful heroic bearing, glow more brightly and beautifully over the lands connecting Hebei, Shanxi and Inner Mongolia.
