今日江门

Today's Jiangmen

江门市位于美丽富饶的珠江三角洲，濒临南海，毗邻港澳，与佛山、珠海、中山、肇庆接壤。蓬江、江海、新会三区及台山、开平、鹤山、恩平四个县披市，俗称“五邑”。面积9541平方公里，人口1381万。其中江门市辖区面积1818平方公里，人口131万。

江门市历史悠久，人杰地灵，曾哺育了明末著名理学家陈白沙，近代维新派代表人物梁启超、民主革命先驱陈少白、中国首位飞行员冯如等著名人物，充分体现了五邑侨乡浓郁的人文情怀。

改革开放以来，江门市经济社会取得了历史性进步，综合实力显著增强，是全国率先基本实现小康的城市之一，是国家信息化试点城市，并被国务院组织确定为中国唯一的RISE计划（区域经济可持续发展）试点城市。2002年全市GDP659亿元，人均GDP2090美元。新会（区）、台山、开平进入了全国经济实力百强县（市）。

Located in the beautiful and richly-endowed Pearl River Delta, Jiangmen is adjacent to Hong Kong and Macao, faces the South China Sea in the south, and borders on Foshan, Zhuhai, Zhongshan and Zhaoqing. Under its jurisdiction are three districts (Pengjiang, Jianghai and Xinhui), and four county-level cities (Taishan, Kaiping, Heshan, Enping and Xinhui are commonly referred to as "Wuyi", meaning five counties). It has a total land area of 9,541 square kilometers and a population of 3.81 million. The land area of Jiangmen City proper is 1,818 square kilometers and its population, 1.31 million.

Endowed by its long history, the land of Jiangmen has cultivated and nurtured a number of prominent figures, among whom are Cheng Baisha, a thinker in late Ming Dynasty, Liang Qichao, a representative of the Constitutional Reform and Modernization of 1898, Chen Shaobai, a pioneer of democratic revolution, and Feng Ru, the first airplane pilot in China.

Since China's reform and opening up to the outside world, Jiangmen has achieved historical progress in economic and social development. Its comprehensive strength has been remarkably enhanced and it is one of the earliest cities in China to have achieved a moderately high standard of living for its inhabitants. It is also the trial city of the nation's informationization program. It has also been selected by APEC (Asia-Pacific Economic Cooperation) as the only experimental city of the RISE (Regional Integration for Sustainable Economy) Program. In 2002, the GDP of Jiangmen reached 65.9 billion yuan and per capita GDP US\$ 2,090. Xinhui, Taishan and Kaiping joined in the 100 strongest counties or cities in terms of comprehensive strength in China.
