Chinese Folk Art of Paper-Cut——Works of Great Masters

中华民族古老神奇，华夏大地人杰地灵。几千年的农商文明蕴育出中华民族灿烂的乡土艺术。乡者，乡里也；土者，民间也。中国剪纸是古老传统的民间艺术，它有自己的发展历程，存在着各种流派和风格特点，有自己的艺术语言和比较成熟的表现手法。但都作为祝愿吉祥、驱鬼辟邪的象征物，它能引发人们对生活的美好回忆和思索，并向世人传播中华的文化精髓。

在中国剪纸百花园中乐清的细纹刻纸是一朵奇葩，历有“细纹刻纸，中华一绝”之美誉。为弘扬中国的民间剪纸艺术，经中华民族文化促进会剪纸艺术委员会授权同意，现以明信片方式出版中国民间剪纸艺术大师浙江乐清林帮栋先生之作品，以供爱好者共同欣赏。

The Chinese nation is ancient and magical, with large numbers of the birth of heroes brings glory to a place. Thousands of years of agricultural and trading civilization gave birth to the brilliant native art of the Chinese nation. The Chinese character Xiang means country, and Tu refers to folk. The Chinese paper-cut is a kind of old and traditional folk art, which has its own course of development. It has various schools and styles, its own art language and more mature technique of expression. However, it only serves as wishes for good luck and symbols of exorcizing evil spirits. It arouses people's sweet memory and thought of life, and at the same time spreads the essence of Chinese culture all over the world.

In the garden of the works of Chinese paper-cut, the fine-grained ones of Leqing are exotic flowers, which are crowned as the unique works in China. With the aim to carry forward the Chinese folk art of paper-cut, the works of Mr. Ling Bangdong, master of paper-cut from Leqing, Zhejiang Province have been published in the form of postcards authorized by the Committee of Art of Paper-cut affiliated to the Association For Promotion of Chinese Culture to be shared with all the paper-cut lovers.
