

葫芦岛园林

HULUDAO'S LANDSCAPE

序

葫芦岛，位于辽宁西部，渤海湾畔。她人杰地灵，山青水秀，集城、山、海、岛、河、港于一地，被誉为辽西地区一颗璀璨的绿色明珠。

葫芦岛人，从领导到市民，十分注重弘扬绿色意识，倡导绿色观念，确立绿色伦理，把创建国家园林城市作为改善城市生态环境，提高人居环境和投资环境质量的重要内容。

建设现代化园林式海滨名城，是葫芦岛人矢志不渝的理想。大手笔、大体量、高品位，是葫芦岛始终坚持的园林绿化方针。

在园林中建设城市，在城市里雕刻园林。葫芦岛人用诗化般的园艺，为广大市民再造美好家园。

几分耕耘，几分收获。近几年，葫芦岛各项绿化指标快速增加，形成点、线、面、环、带、廊的网状绿地框架体系。继1999年被国家建设部命名为“全国园林绿化先进市”后，今年又荣膺“辽宁省园林城市”荣誉称号，并通过国家园林城市考核验收。

隔窗能观景，出门可游园，已是摆在葫芦岛市民面前活生生的现实，100幅园林绿化的艺术摄影，不仅是葫芦岛园林绿化成就的真实写照，更让人领略到一个园林城市的美学真谛。

21世纪，是城市的世纪，而适合人居的城市首先应该是生态城市。

正如1999年第20届世界建筑师大会通过的“北京宪章”倡议的那样，“在21世纪，能更加自觉地营造美好、宜人的人类家园。”

葫芦岛，作为一个年轻的城市，将一如既往地以城市园林绿化为契机，带动城市基础设施建设，完善城市功能，努力实现城市的综合环境、经济和社会协调发展，人与自然的和谐的生态环境。构建南秀北宏、天人合一的生态型的山水园林式海滨城市，为广大市民创造上乘的生产和生活环境。

二〇〇一年十月十六日

Preface

Huludao, is situated in the western Part of Liaoning ,along the coast of Bohaibay .Famed for its picturesque scenery,the port city is called a bright green pearl of the Eastern Liaoning.

Huludao citizen pay more attention and effort to strengthening green consciousness,to advocating green concept and establishing green ethics . To build the city into a national landscape city is the important content of improving ecological environment for living and investment.

To build a famous modern landscape port city is the firm aim of the Huludao people. they hold firm the guide line of

building the city with masterskill, high standard and elegant taste.

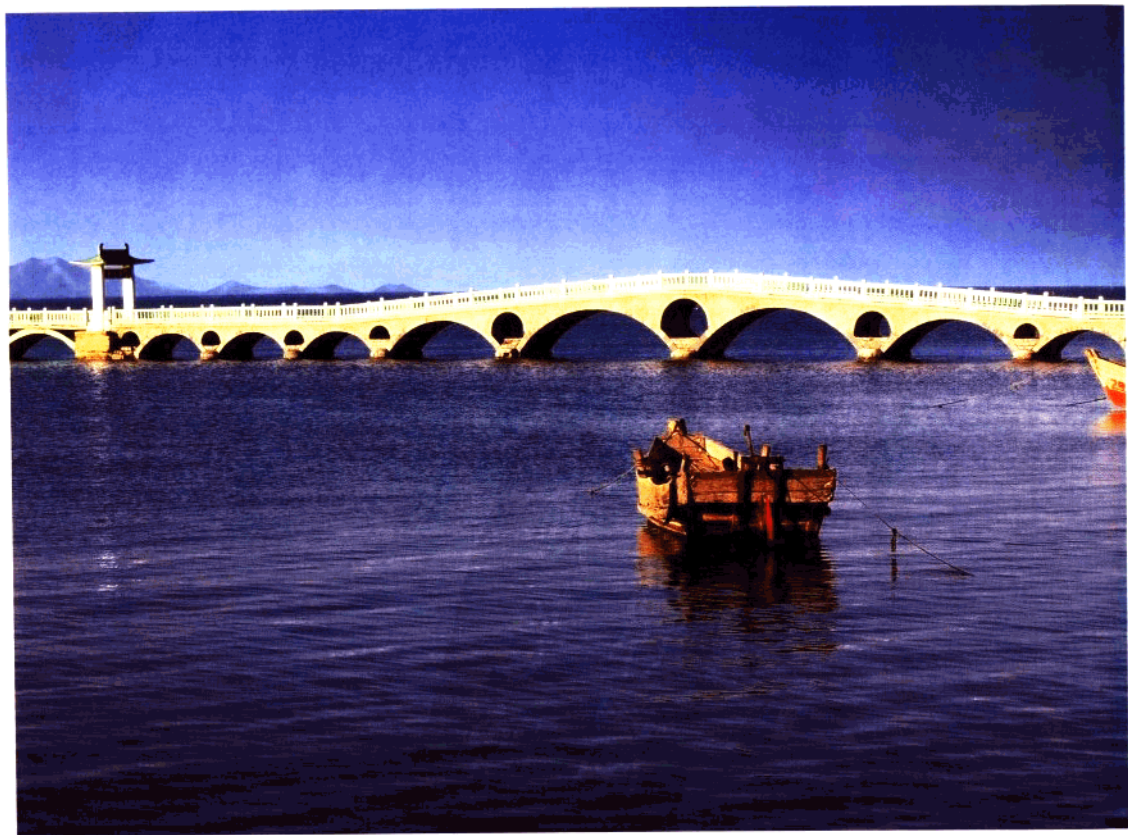

With poetic horticulture in mind they build city in the landscape and engrave the landscape in the city to furnish a fine homeland for the citizen.

The more ploughing and weeding,the better the crop . Each offoresting targets of the city increases quickly in recent years. So the city was awarded National Landscape and Afforest Advanced City By the Construction Ministry in 1999.The city also won Liaoning Province's Landscape City and passed the National Landscape City Examination this year.

To enjoy scenery through the win-

dow and have delight in the air is now realized in Huludao.The 100 pictures of the city is a real discription of the city.

As a young city , Huludao will use the city's Landscape building and afforesting as the key to promote urban fundamental construction as before, to perfect the urban function and work hard to realize coordinating development of comprehensive environment,economy and society, to realize human in harmony with ecological envirement, so as to build the North great contrasting with the Southern China's grace,and provide a superb producing and living environment for the people.

四海潮歌入洞箫

清心静海沐夕阳

幕启云天鸥剪影

孤舟静泊待扬帆

时有神槎来天外

海市蜃楼齐放开

碧海蓝天驻芳洲

贝阙藏宫云海间

群鸿畅浴天潢水

一曲渔歌万点银

窗含晓日玉生烟

碧波万顷牧长鲸

佳人拾翠春相问

开网尽收海云天
