Yu Shimel was born in Shengxian County, Zhejiang Province in 1932. He is member of the Chinese Artists' Association, member of the Chinese Graphic Art Association, and council member of the Jiangsu Branch of the Chinese Artists' Association.

Yu never confines himself to one style, but learns strong points from other schools, no matter what styles they belong to: Classical, modern, Chinese or Western. Hence, His paintings give an impression of a great boldness of vision. Through his experiences in painting, he is fully aware that art should reflect the development of the times and its life lies in innovation. In these years, he has adhered to his persistent pursuit of art, renewed his ideas from time to time and done his best to achieve a flexible brushwork and novel approach to perfection.

He held one-man shows in the Soviet Union, the United States, Germany, Canada, Yugoslavia and Rumania and gave lectures in Detroit, the United States.
