## Preface

Dear Students,

We often hear you tell us that the portion of the IELTS that most worries you is the Speaking Test. The mystery surrounding the content of the speaking test only makes this feeling stronger. We hope that this book will help you approach the IELTS Speaking Test with more confidence.

The purpose of this book is two-fold. We hope to 1) provide students with an idea of the type of questions that come up on the IELTS, and 2) give them some ideas about how the questions can be answered.

In order to present the types of questions that come up on the IELTS Speaking Test, we have taken advantage of our many years of experience helping students prepare for the IELTS Speaking Test, along with the experience of our countless students who have taken the test, and compiled a set of questions that match closely to the questions that are asked most frequently during the Speaking Test.

In addition, we have provided two sample answers for each question, all written from the perspective of a Chinese student. The purpose of the sample answers is to give you an idea of what a successful answer from a Chinese student might look like. Following each sample answer are some tips and ideas for you to use as you think about how you might answer a similar question.

There are many ways in which you can use this book. We suggest familiarizing yourself with the questions, and perhaps reading the sample answers out loud. Most importantly, though, spend some time with the sample answers covered up practicing responding to the questions on your own.

If you would like more specific information on the format of the

Speaking Test, we highly recommend Mark Griffiths' 《雅思考试口语突破》。You can also learn more about the IELTS at the official IELTS site, [www.ielts.org](http://www.ielts.org), or at [www.newchannel.org](http://www.newchannel.org).

We wish you the best of luck in your preparations for the IELTS. Should you have further questions, please feel free to visit us on the IELTS forum at [www.newchannel.org/bbs/](http://www.newchannel.org/bbs/).

Also, if you have any comments or questions about this book, please send an email to ...

# 前 言

亲爱的同学们：

常听你们说雅思考试里最让你们担心的就是口语考试。而口语内容的神秘性让这种感觉更强烈。我们希望这本书能让你们信心更足地应付雅思口语考试。

创作本书的目的有两方面。我们希望：1) 让同学们清楚地知道雅思口语考试所提问题的种类；2) 提出一些建议，让同学们把握好回答这些问题的要点。

为了介绍雅思口语考试中出现的问题种类，我们利用多年来帮助考生准备雅思口语考试的经验，以及参加过口试的很多学生的经验，编写了一套很接近雅思口试最常出现问题的真题。

此外，我们就每个问题给出了两个参考答案，这些答案都是从中国学生的角度来回答的。提供参考答案的目的在于让你们知道一个中国学生怎样回答问题才算成功。我们在每个答案后面附上了提示和答题思路，让大家在遇到类似问题时知道如何回答。

同学们可以多方面地利用这本书。我们建议先熟悉这些问题，然后可以大声朗读参考答案。但最重要的是，花些时间，不看参考答案，自己练习回答这些问题。

如果想知道更多有关雅思口语考试形式的信息，我们极力推荐 Mark Griffiths 编写的《雅思考试口语突破》这本书。也可以登陆雅思的官方网站 [www.ielts.org](http://www.ielts.org) 或是 [www.newchannel.org](http://www.newchannel.org)（北京新航道学校网站）了解更多有关雅思考试的信息。

祝大家在准备雅思考试过程中好运不断。如果还有什么问题，请登陆我们新航道的雅思论坛：[www.newchannel.org/bbs/](http://www.newchannel.org/bbs/)

还有，如果对这本书有什么意见或问题，可以发 e-mail 给——
