真情放歌 亦诗亦画

(代序)

白庚胜

情歌是古往今来百姓生活的一种态度，是对自身情感的自由的歌吟。孔子编定《诗经》，把《关雎》列在首位，乃情真之故。“但有假诗文，却无假山歌”。民间情歌，这束漾动着百姓真情的奇葩，在文化的天地里以其特有的美艳和芳香成了人们特别乐于传之诵之的景象。顾桐山先生编选的《中国民间情歌精选》，就是这样一束透着乡野至诚和心灵亲切的鲜花。用它献给读者，无疑是一种特别的文化享受。

中国百姓最善于歌唱，即便有地理的、风俗的、民族的、封建式文化元素的阻隔，心灵的真情的声音总要用种种方式来传递的。从“山无陵，江水为竭”，“天地合，乃敢与君绝”(《上邪》)的直白大胆、激昂热烈，到“始欲识郎时，两心望如一；理丝入残机，何悟不成匹”(《子夜歌》)的细腻纤绵、柔情似水、倾吐情感、舒展人性的自由，都是普通布衣百姓自身文化价值的一个基本体现。在民间，相亲相爱、相守相伴、相离相思，一种爱的声音即便穿越千年万年，也依然如清泉活水流，岁岁年年润泽着人们的生活。这种直抒胸臆、形态自由的口头歌谣，与人们的生活同在，在人类漫漫情感长河中不断演绎时代的、地域的新内涵。现代汉语言学家王力曾说，这类歌谣“常常不受格律的束缚，往往只管押韵，而不管平仄粘对的原则”，是一种“半自由诗体”。情歌这种在口头相传中不断创造的生命能量，使它在百姓情感的领地里不断招摇着魅力的芳香。刘勰说它“婉转附物，怊怅切情”，虽是对某一特定类别而言，却足以显示情歌审美的力量。

顾桐山先生是江苏一位杰出的民间文艺学家。他编著的多种民间故事、民间歌谣系列读本，已饱受许多有识之士的肯定和广大读者的欢迎。他新近推出的《中国民间情歌精选》举凡 333 首，涵盖了各民族、各地域较为经典的情歌，并请江苏著名画家为每一首歌配了图，做到诗画相配、意趣横生，成为近年国内不可多得的民间情歌选本。他所选情歌，句式简短，朗朗上口，在情感的长廊里翻晒出多重审美的清韵。如“荷叶出水尖又尖，荷花爱藕藕爱莲。荷花爱藕身子白，藕爱荷花色色鲜，好哥哥呀，爱你爱了十八年”，以物咏情，意想丰满，整首歌如乡野的荷香缭绕在人们的情感深处，情韵绵长。又如“郎有心，姐有心，不怕山高水又深。山高也有人行路，水深也有摆渡人，只要郎心合姐心”一首，大胆率真，平白上口，体现了百姓歌吟质朴的审美和情趣。

民间情歌是历史留给后人们的宝贵的口头文化遗产。这一放歌千万年的真情的声音是不应从我们身边丢失的。顾桐山先生以诗画相配、中英文并举的方式大力推介本土文化这一盛举值得称道。希望这一开放于百姓生活中的艺术之花，永远摇漾其古韵和芳香。

FOREWORD

A POETIC AND PICTORIAL REPRESENTATION OF TRUE LOVE

Bai Gengsheng

Throughout the ages, folk love songs have been free expression of emotions reflecting people's attitude towards life. When Confucius compiled the *Book of Songs*, he placed the love song "The Song of the Ospreys" at the beginning of the book, because the feelings it depicted were genuine and moving. As the saying goes, there might be inauthentic poems, but there cannot be inauthentic folk songs. Folk love songs are flowers breathing with common people's true emotions, and this book of *A Selection of Chinese Folk Love Songs* is a fresh bouquet of such flowers. With its idyllic settings and heartfelt sentiments, it is undoubtedly a special cultural feast dedicated to the readers.

The Chinese people are good at singing and vocalizing their feelings. Though there might be geographic or cultural barriers between them, they can always find ways to communicate with each other. The folk love songs they sing are rich in styles, as some might be straightforward, brave and passionate while others might be subtle, exquisite and reserved. It is one of the basic needs for common people to realize their own cultural value by expressing their feelings and freeing their human nature in folk songs. Folk songs have no fixed forms except that they are often rhymed. They might be called "half free verse" and they are transmitted orally, evolving and changing with the progression of history while enriching people's daily life and nourishing their hearts.

Mr. Gu Tongshan, as an outstanding folklorist in Jiangsu Province, has compiled many books on folk tales and songs, which have been well received by people of insight as well as common readers. In his new book *A Selection of Chinese Folk Love Songs*, there are altogether 333 songs, including those of many ethnic minorities and those popular in different areas. The songs he selected have the characteristic of being short, rhythmic and lively. The famous painter Gao Ke's illustrations perfectly match the songs, adding great appeal to this book. It is no exaggeration to say that this book is the best anthology of Chinese folk love songs in recent years.

Folk love songs are a precious non-material cultural heritage that has been passed down for generations, and we have the duty to prevent it from disappearing before our eyes. Mr. Gu's book, with its combination of poems and paintings, Chinese and English versions, is an admirable attempt to promote Chinese folk culture. I hope that folk love songs as a unique flower of art growing in common people's life will bloom forever with its ever-lasting charm and fragrance.

再序

陶思炎

民间情歌是在民间生活的沃土中长成的一树奇花，它用甘醇的心泉浇灌，代代传承，永世留芳。民间情歌以抒情示爱为主旨，它质朴自然，情真意切，曲调优美，生动多趣，并以浓郁的乡土气息和醉人的生活韵味，成为民间歌谣中最为动人的篇章。

不论是直白的述说，还是隐晦的象征，情歌总是以“情”为歌咏对象。“情”又谓何呢？《荀子·正名》曰：“性之好、恶、喜、怒、哀、乐谓之情。”可以说，民间情歌中的“情”正包括了这所有的方面，不过，男欢女爱永远是其中的主调。

学者刘复在《吴歌甲集·序》中称民歌是“民族的灵魂”，并说民歌俗曲中包括了“语言、风土、艺术三件事”。在《中国民间情歌精选》里，我们也不难看到这三重价值的存在。例如，《九月重阳还在香》唱道：“情妹头发梳得光，一双大眼水汪汪。三月清明亲了嘴，九月重阳还在香。”这夸张的表述显示了民间语言的活泼和想象的丰富。此外，《姐在河边》中的“姐在河边洗蒜苗，一双玉手水上漂，顺带一个白米淘”；以及“细妹送条花手巾，早晨洗面夜洗身；手巾里面七个字：见妹不着见手巾。”这类劳动生活场景和信物相赠的描写，正是风土人情的真实再现。至于《郎在高山唱山歌》则唱道：“郎在高山唱山歌，妹在房中跺小脚，娘问女儿什么响，妈呀，背时花鞋不合脚？”歌中有角色，有对话，有动作，有心理，颇具艺术的情趣。

《中国民间情歌精选》共收录各地民歌333首，大多为四句头的短歌，由编者顾桐山先生从个人的采风搜集和文本审读中选出，同时，又由画家郜科先生为每首情歌配了画，可谓诗情画意均在书中。这种诗画互映，俗雅相通，不仅扩大了阅读与想象的空间，同时也提高了鉴赏与收藏的价值。

当然，中国各民族的情歌浩如烟海，这册选本仅能起到尝鼎一脔的作用。即便是一星半点，我们仍能从这些民间情歌中，感受到爱的伟大和真情的可贵，从而得到一次情感的陶冶和美的享受，并能激发起对生活和幸福的热爱与追求。

Introduction to A Selection of Chinese Folk Love Songs

Tao Siyan

Folk love songs are like a beautiful flower growing in the fertile land of folk life. They flow out from people's bottom of heart and are handed down from generation to generation, enjoying an ever-lasting popularity. Folk love songs are mainly love songs, which are simple, natural, melodious, and overflowing with true emotions. With vivid and sometimes playful language use, strong local flavors and a unique down-to-earth style, folk love songs are the most moving part of folk songs.

Folk love songs focus on the description of feelings, no matter they are conveyed in straightforward statements or in metaphorical symbols. But what are "feelings"? According to *Xunzi·Rectifying Names*, "like, dislike, pleasure, anger, sorrow, and joy are feelings". We can say that folk love songs depict all these feelings with love between men and women as the keynote.

Liu Fu, a famous linguist and writer, in his foreword to *The First Selection of Wu Folk Songs*, claims that folk songs are the spirit of a nation, in which three important factors are all well represented---language, local culture, and art. In this book of *A Selection of Chinese Folk Love Songs*, it is not difficult for us to find perfect combinations of these three ingredients. For example, in the song "My Lips Still Taste Sweet", which says "My love's hair has a lovely sheen,/And her eyes are bright and clean./In March I kissed her,/And my lips still taste sweet in September", the original exaggeration here reflect common people's fertile imagination. Other songs such as "A Girl Washes Garlic Sprouts at the Riverside" and "In the Paddyfield" give us a vivid description of country people's daily life. In songs like "My Sole Solace" and "An Embroidered Pouch", we get a glimpse of the local custom of sending presents to one's love such as an embroidered towel or pouch.

And in "My Shoes Are Too Tight", which sings "Hearing her love singing a folk song on the hill,/ The girl beat time with her feet in her room./ Her mother asked, "What's the noise?"/ "Mom, my old-fashioned shoes are too tight", we find there are characters, conversation, actions and psychological movement, whose artistic presentation makes the song interesting and lively.

This book collects 333 folk love songs, most of which are short ones with four lines. They are collected by Mr. Gu Tongshan over a long period of time as a result of his field work and long experience as an editor in folk arts. The famous painter Mr. Gao Ke makes illustrations to each song, which not only greatly facilitate readers' understanding of the texts, but also have their own unique aesthetic value.

China, with its vast population and over 50 ethnic minorities, has a boundless reservoir of folk songs. Like a drop of a vast ocean, this book will give us a taste of great love and sincere feelings conveyed in folk songs and excite in our heart a yearning for happiness and beauty in life.

THE BOAT RISES WITH THE TIDE

The girl was weeping with tearful eyes.
I'm with child but where's his father?
Pacing up and down under the shadowy trees she sighed,
It's harder to hide as the boat rises with the tide.

PICKING THE WATER CALTROP

When the sun shines bright after a shower,
A girl goes to the lake and meets her lover.
She picks water caltrops and he digs lotus roots.
The lotus roots and the caltrop vines tangle up.
He wants to help her but hesitates,
For there might be people with meddling tongues.

SO I COME EVERY DAY

I miss you, dear, I miss your beauty,
Your sweet personality,
And your hands deft with needlework.
So I come every day with a bouquet.

A FLOWER STUCK IN THE DITCH

I was born into a decent family,
But why marry me to a poor cowherd,
Like a flower stuck in the ditch?
Alas, heaven and earth and my parents,
I blame you all for this mismatch.

DON'T COVET OTHERS' WIVES

Don't envy others' red-painted door and tiled wall,
And don't covet others' wives for it's no use at all.
If you've got money and rice, then marry one yourself.
By night you share the same bed and by day the same stool.
