力技巧的讲解具有系统性、完整性、详尽量考虑与所在单元内容的

这套系列教林的编写得到了浙江省高等教育学会大学外语专业

委员会高职高专分会、新宣省各商等际校、尤其是高职高专院校的大 力支持,是"新宣省高等教言文学改革"的,最是高重程"的一个重要

且成部分,也是浙江省广大英语教师长期以来在語言教学,语言学习

《新编实用英语》是按照"以学生为中心的主题教学模式"编写的教材。

根据《高职高专英语课程教学基本要求》和高职高专院校学生的特点,在教材编写过程中遵循四条原则:

- 1) 以学生为中心; Line Annual long 由 公路上 Tulk 本
  - 2) 重视语言基本功的训练:
- 3) 根据"实用为主,够用为度"的原则,注重语言应用能力的培养;
- 4) 寓文化素质教育于语言教学之中, 寓语言教学于信息交流之中。

该教材共有5册,含预备级1册和1—4级共4册。各册教材分别由《读写教程》学生用书、教师用书和《听说教程》学生用书及教师用书组成,侧重点有所不同。

《读写教程》各册每个单元除了共有的导入(Warm-up)、以阅读为中心的语言活动 (Reading-centered Activities)、趣味英语(Reading for Fun) 以外,预备册增加了应用文写作技巧讲解及练习(Practical Writing),第 1—3 册增加了语法讲解及练习(Grammar Focus),第 3 册增加了阅读技巧讲解及练习(Reading Skills)。

《听说教程》各册每个单元共有三个以听力为中心的语言活动和快乐一刻(Happy Minute)。每个语言活动包括导入(Warm-up)及形式多样的听力训练。此外,在预备册和第 1—2 册还增加了听力技巧讲解及练习(Listening Skills)。

《新编实用英语》的每一个单元围绕一个主题展开听、说、读、写、译等活动,旨在培养学生的语言综合应用能力。因为语言技能的发展是相辅相成、不可分割的,在实际语言环境中也要求语言技能的综合应用。本教材所选用的材料语言规范,具有趣味性、可思性、时代性,并尽量贴近学生生活。此外,本教材在选材时注意包括各英语国家的材料,尤其是英美英语的比例,并注意文章的题材与体裁。练习形式的多样性有助于加强应用能力的训练与培养。语法、阅读技巧、听

力技巧的讲解具有系统性、完整性,并尽量考虑与所在单元内容的结合。

这套系列教材的编写得到了浙江省高等教育学会大学外语专业委员会高职高专分会、浙江省各高等院校,尤其是高职高专院校的大力支持,是"浙江省高等教育教学改革与质量提高工程"的一个重要组成部分,也是浙江省广大英语教师长期以来在语言教学、语言学习方面进行理论研究和实践的产物。在此,谨向他们表示衷心感谢。

本教材由浙江省高职高专英语教材编写委员会组织编写,何莲珍任总主编。本册主编蒋景阳,副主编方富民。参加本册编写的有(按字母顺序):鲍泓、陈军、方富民、郭亚莉、蒋景阳、李航、马小涛、马以容、张利以及美籍专家 Maxine Huffman 博士和 Don Huffman 博士。

本书听力部分由 Carol Hannah 女士和 John Meny(Ph.D.)先生朗读。

| Exercise 1 Directions: Listen to the passage and then answer the following questions. Be sure to read the following questions carefully before your listening.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 1) When is the usual time for shops to open?  2) What is becoming rarer?  3) Why do some local authorities encourage shops to stay open late?  4) What has caused an argument? Indicate quite add and nontable amount and a series |
| Exercise 2 80.018.01 98.048.01 (8) \$14.95.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Directions: Listen to the passage again and complete the sentences with the exact words you hear from the tape. Write one word in each blank.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 1) Large supermarkets stay open all day about eight o'clock. Most small shops stay open all day and then at half-past five or a bit later.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

2) In fact, \_\_\_\_\_ the last twenty-five years, shop opening hours have become more

| •                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                |                       |                   |
