国际摄影艺术 联合会代表大会(FIAP)

1950年在瑞士伯尔尼召开了第一次摄影代表大会,成立了国际摄影艺术联合会(FIAP)。FIAP是联合国教科文组织承认的唯一的国际摄影组织,成立初期会员主要是西欧、北欧和东欧一些国家,现在会员遍及世界各地,有60多个会员国。参加联合会必须是各国全国性的摄影组织,中国是在1981年第16届国际摄影艺术联合会代表大会上同毛里求斯、圣马利诺一同被接纳为会员的。

FIAP的宗旨是: 提高各国摄影爱好者的水平,增加各国人民的文化素养,充实各民族的技术、文献和艺术宝库,通过摄影手段为世界和平作出贡献,促进各国摄影艺术的发展。联合会设主席、副主席、秘书长、司库和理事。它的最高权力机构是会员代表大会,执行机构为管理委员会,负责管理日常事务,它下设新闻处、艺术委员会、征集委员会、彩色摄影委员会和青年委员会。艺术委员会每两年举办一次黑白与彩色照片展览,并举办两次重要的比赛,即:黑白摄影世界锦标赛和彩色摄影世界锦标赛。

国际摄影艺术联合会自1950年成立以来,每两年举办一次大会。第28届国际摄影艺术联合会代表大会于2006年9月4日~11日在成都和九寨沟两地举行,近40个成员国200多名国际著名摄影师和近500名国内摄影师齐聚成都,把镜头对准成都。

About FIAP

The first session of photographer delegates conference was held in Berne Switzerland in 1950, and FIAP was established. FIAP is the only international photograph organization recognized by UNESCO. Its members were mainly from west, north and east Europe countries in its early period. Now its members come from all over the world, and it has more than 60 member states. Only the national photograph organization will be accepted by FIAP. China was approved on the 16th FIAP in 1981 along with Mauritius and San Marino.

FIAP aims to improve the skills of photograph enthusiasts, develop the photographic arts of all nations, improve people's quality, enrich technic, documentary and arts of nations and make contribution to world peace. FIAP has its chairman, vice chairman, secretary, treasurer and manager. Its highest organization is member delegates conference. Its executive body is management council which deals with its daily affairs, and there are five divisions within it: the news division, arts committee, collecting committee, color photograph committee and youth committee. The arts committee holds a black-and-white photograph and a color photograph exibition every two years, and it holds two important matches: black-and-white photograph championship and color photograph championship.

FIAP holds conference every two years since its establishment in 1950. The 28th FIAP conference was held in Chengdu and Jiuzhai Gully from Sept, 4th to 11th, 2006. More than 200 world-renowned photographers and near 500 Chinese photographers gathered in Chengdu.

音乐是无国界的,我们可以用耳朵来聆听美妙的音乐; 影像是无国界的,我们可以用眼睛来感知整个世界。 2006年9月,来自全球40多个国家的近700名摄影家齐聚蓉城, 召开第28届FIAP大会,分享数万幅摄影作品的视觉盛宴, 同时记录下了他们眼中的成都, 带来了成都之外他们镜头里的世界。 在4000幅大师们的摄影作品中,遴选出150个精彩的瞬间汇集成册,献给永不落幕的FIAP大会!

——第28届FIAP大会组委会主任

Music has no border, so we can listen to wonderful music by ears. Image has no boundary, so we can feel the whole world with our eyes. In Sept., 2006, more than 700 photographers came to Chengdu to share tens of thousands of photos with us. They record Chengdu in their eyes, bring us the world with their lens. We select 150 pieces from the 4000 and edit a collection to the never-ending FIAP conference.

—Director of the Organizing Committee of the 28th FIAP Hao kang Li
