My name is Lemuel Gulliver. I am English. I studied
medicine and became a ship's doctor. In May 1699, our ship
left England. On the way to Indonesia, there was a huge
storm.

Our ship began to sink. I fell into the dark sea. I swam for a
long time. Then I saw an island. I swam to shore and fell
asleep. When I woke up, I couldn't move.
