Stamp design, denomination and issuing quantity:

(1-1) United as One in Fighting against SARS

80 fen 12.5 million

这是中国邮政自 20 世纪 90 年代以来,为我国突发性重大灾害性事件发行的第三套邮票。在全国人民齐心协力抗击“非典型性肺炎”的关键时刻,国家邮政局为抗击“非典”斗争特别发行了这枚邮票。邮票以极富视觉冲击力的符号化语言,表达了提示、警示、声援和宣传的主题。邮票图案中由众多红心组成的圆圈,既表示爱心,又表示团结一致;英文“SARS”字样被一个国际惯用的“禁止”符号所包围,表示坚决抵制“非典”病毒侵害和传播的决心。这套邮票从设计、印制到发行只用了十几天的时间,国家邮政局和各省市自治区邮政局还将邮票和邮品赠送给卫生部和当地的卫生部门,作为广大医务工作者参加抗击“非典”战斗的纪念。

This is the third set the State Post Bureau has issued for emergent disastrous incidents in China since the 1990s. During the critical period when all the Chinese people were joining efforts to fight against SARS, the State Post Bureau issued this stamp for the anti-SARS war. With an eye-catching symbol language, the stamp expresses the theme of alert, support and publicity. In the picture, the circle composed of red hearts implies love and unity; the word "SARS" surrounded with the international symbol for "prohibition" represents the resolution to resist the harm and spread of the SARS virus. It took only ten-odd days to design, print and issue the stamp. The State Post Bureau and the post offices of all the provinces, municipalities and autonomous regions presented the stamp and relevant philatelic items to the Ministry of Public Health and local public health organizations as souvenirs of the medical worker's contribution to the war against SARS.
