序

从自然、产业、城市、人文等方面，以系列丛书的形式，深入地挖掘、全面地记录、艺术地表现晋江之美，是晋江市宣传文化工作者，特别是摄影工作者一直以来的一个梦想，应该说，也是一项责无旁贷的重任。

经数年之时，积众人之力，今天，《晋江古厝》、《晋江揽胜》终于如愿付梓、率先面世。

两书在编辑思路，大致以时间为序，顺着历史的脉络，穿插若干典故轶事，兼顾地方、类别、事件，力求从古厝、名胜两个窗口，管窥古邑新城的万千气象。从某种意义上说，两书不仅具有较强的乡土性、可读性，而且具有一定的学术价值，有助于增进人们对晋江地域特点、历史演变、多元文化等方面的了解，对于进一步彰显晋江“海滨邹鲁”的历史文化名城形象也颇有裨益。

东南形胜地的独特区位和中原文化、闽越文化、海洋文化的交汇激荡，成就了晋江的山川毓秀、人文荟萃。编辑出版《晋江古厝》、《晋江揽胜》，只是一趟锲而不舍但仍不免遗憾的乡土文化之旅，一个颇费苦心但却不甚完美的抛砖引玉之举。更加系统的工程，更多深入的工作，亟需多方合力、相与建功。我们期待着有关各方的精品力作次第问世。

是为序。

PREFACE

Recording the beauty of Jinjiang City from various aspects including its natural beauty, industry, infrastructure and culture is the ultimate purpose of the people in Jinjiang, who devote themselves to promoting the city's magnificence... which is always the dream of photographers who have a special regard for the city. Producing a series of books to fully exhibit the historical culture of the city is the responsibility of the people who are responsible for cultural promotion in Jinjiang.

With persistent effort from a dedicated group, we are finally able to offer the publications, *Ancient Houses in Jinjiang* and *Scenic Attractions in Jinjiang*. After years of hard work, the two books which record Jinjiang's ancient houses and scenic attractions are now available to people who want to know more about the city.

Both books follow the chronicle order by, taking the records of the history of the city from two different aspects... that is, ancient houses and scenic attractions. With stories and pictures, these books reveal a whole new perspective of Jinjiang City which encompasses a remarkably long history. Importantly, these books capture the regional culture in a readable and valuable way to make them of great importance in academic research. These books are designed to help people understand the regional features, the history and multi-culture of Jinjiang City, which together enhance the image of historical... Jinjiang City.

Its unique geological location, the central plains culture, Fujian culture, and the ocean culture, blend and produce the picturesque landscape and abundant culture which makes Jinjiang City. The publication of *Ancient Houses in Jinjiang* and *Scenic Attractions in Jinjiang*, is only the beginning of our work. During our work, we discovered so much to record that we came to realize that these two works are not the perfect exemplification of the great ancient city. To fulfill our dream of making a more systematic record of Jinjiang, requires for effort and support from various fields. We do hope that books concerning Jinjiang will come out one after another.

晋水海韵

在美丽的晋江东南海滨，龙湖街口、深沪华峰、金井围头等沙滩连绵数公里，宛如一条银色的项链镶嵌在蓝天碧海之间。滩前碧波万顷，滩面金黄开阔，景色蔚为壮观。沙滩清一色的细纯沙粒，如银屑布地，质细坡缓，沙软潮平。滩床宽阔，舒展广拓，潮漫滩上，涛声柔和。海水洁净，水温适中，是沙滩休闲、踏浪嬉水和开展各种海上沙滩活动的理想休闲场所。更为难得的是，沿着海湾的一条古老通道徐徐而来，一路上明珠般连缀着国家级自然保护区深沪湾海底古森林遗迹、街口施琅将军纪念馆、深林寺、镇海宫、崇真殿、宝泉庵、壁山栈道、烟墩山烽火台等一系列名胜古迹，金井围头与金门隔海相望，厚重的人文意蕴与绚丽的海岸景观交相辉映，令人流连忘返。

Beaches in Jinjiang City

Situated on the southeast coast of Jinjiang City, numerous beaches come together to create a wonderful view for visitors. Like a silver necklace meandering along the coast, these delightful beaches boast great expanse, soft sand and crystal-clear water. Undoubtedly it is an ideal place for all kinds of beach activities and entertainment. The ancient road here also holds various scenic attractions, namely, the state natural reserve, the Hulu Bay Ancient Forest Relics, General Shi Lang's Memorial Hall and the "Shenlin" Temple. It also has the Zhenhai Palace, Chongzhen Hall, Baoquan Nunnery and Bishan Plank Road, among others. Facing Quermoy Islet, the city is also famous for its folk culture and magnificent sea views.
