我的艺术视角,观察的是当代社会现实中存在和正在发生的问题。在我营造的如童话般的缤纷世界里,略带几分荒诞与诡异色彩的幻想:现实世界的真实里,政治与经济左右我们的生活与价值,这危机所带来的不安,上面还浇盖着一层文化的归属与全球化混杂一起的文化冲突与矛盾。

My art perspective is to observe present Chinese social problems that are happening in reality. In my work, I intend to create a particular illusion with absurd and mysterious state: In our world, politics and economics essentially structured our life and the value to life, which of course bring us unstable feeling to life. In addition, such feeling of the reality is also covered combined with contradiction of culture identity and globalization.

1962年生于江西

留校任教于美院附中
