Do You Know about Dinosaurs?

Can you see the dinosaurs (恐龙) walking on the road today? Oh, no! That's terrible (可怕的)! But we can see them in many museums (博物馆) and books. In the museum some of them are very big. A very large dinosaur weighs (重) about 45,000 kilograms (千克). But some of them are small, just like dogs.

The dinosaurs with sharp (尖锐的) teeth can eat meat or other animals. We call them meat-eating dinosaurs. Plant-eating dinosaurs can't eat meat because of their flat (平的) teeth. They can eat only plants.

All the dinosaurs are cold-blooded (冷血的). The snakes are cold-blooded, too. The dinosaurs cannot move much without (没有) the sun. They can move quickly when they feel warm. They like to see the sun every day.

I Will Be a ...

There are five people in my family. We all love animals.

Tony, my big brother, is a special (特殊的) vet (兽医). He looks after terrible snakes, and some of the snakes are just out of eggs. The baby snakes are very weak.

David, my father, is a scientist (科学家). He works to save (拯救) rare (稀有的) birds. Some of the birds are very clever, and they can say some words.

Lucy, my mother, is a dog groomer (护理者). She loves dogs, big or small. Once (曾经) she styled (为……设计发型) a poodle (卷毛狮子狗). After that, the poodle looked just like a ball.

Anna, my sister, trains dolphins. Dolphins always stay in the pool. Anna can hear dolphins talk and sing — that is super (真棒)!
