妈妈跟我说爸爸的好朋友汤姆叔叔出差到这里,下午要来家里做客,我很开心,汤姆叔叔肯定会给我带礼物的。

Mom told me that dad's good friend Uncle Tom would come to our home business. He will be a guest at my home this afternoon. I am very joyful. I believe that uncle Tom will bring some gifts to me!

"安迪,你要做个懂礼貌的孩子,要和妈妈一起好好招待客人,知道吗?""妈妈,汤姆叔叔会给我带什么礼物来呢?"我只关心我的礼物,招待客人可不关我的事。

" Andy, you should be a courteous boy and entertain the guest with Mom together, do you know? " " Mom, what gift will uncle Tom give me? " I care of gift only. Entertaining guest is not my business.

"安迪,做个热情的小主人,好好招待客人是你应该做的,而且只有懂礼貌的乖孩子才会得到礼物,不懂礼貌的孩子只会让人觉得讨厌哦。""好吧,妈妈,我明天会做一个乖小孩的。"可是我还是在想着我的礼物。

" Andy, it is duty to be a enthusiastic host, only courteous child could get gift. And the impolite children will be accursed. " "  $\mathsf{OK}$ , mom. I will be a well-behaved boy tomorrow. "  $\mathsf{But}$  I am still thinking about my gifts.

汤姆叔叔来了,他长得很高大,爸爸见到汤姆叔叔非常开心,妈妈赶紧 把请进客厅,我被爸爸挡在身后,汤姆叔叔还没看到我。

Uncle Tom arrived. He is tall and strong. Dad was very happy when he saw uncle Tom. Mom invited him into the living room hurrily. I was kept off by dad and was standing behind dad. Uncle Tom did not see me yet.

"你就是安迪吧,长得真可爱!"汤姆叔叔终于看到我了。"安迪,快来帮妈妈端果汁。"妈妈真讨厌,要是不叫我,汤姆叔叔就该给我礼物了吧。

" Are you Andy? You are really lovely! " Uncle Tom saw me finally. " Andy, Hurry up, help mom to carry the fruit juice. " Mom was disgust. If she hadn't called me, uncle Tom should give me the gift.

妈妈说懂礼貌的乖孩子才会有礼物,好吧,我先去帮妈妈端果汁。"妈妈,我要喝香橙果汁。""安迪,你要先把果汁端给汤姆叔叔,然后才能喝你的果汁。"

I should help mom to carry the fruit juice first, because Mom said that only the polite children could get gifts. " Mom, I want to drink orange juice. " " Andy, you should bring the juice to uncle Tom, and then you can drink your juice. "

"不嘛,妈妈,我要先喝果汁。""果汁要先给客人,这是礼貌。"

 $^{\prime\prime}$  No. mom. I want to drink the juice first.  $^{\prime\prime}$   $^{\prime\prime}$  Giving the juice to the guest first, it is courtesy!  $^{\prime\prime}$ 

"好吧。"不礼貌的孩子会被人讨厌,我是懂礼貌的孩子,我要先把果汁端给汤姆叔叔。我把果汁给了汤姆叔叔,爸爸和他在聊天,聊得非常开心。

" OK! " Impolite children will be accursed by others, I am a polite child, so I should carry the fruit juice to uncle Tom firsly. I passed the juice to uncle Tom, dad was chatting with him, they were very happy.

"安迪,这是你的果汁,喝完到自己房间去玩,不要打扰爸爸和汤姆叔叔,知道吗?""可是,妈妈,我也想和汤姆叔叔说话。"

" Andy, It is your juice. Drink up , go back to your room and play by yourself. Don't disturb your dad and uncle Tom, do you know? " " But. mom. I want to talk with uncle Tom too. "

"安迪,爸爸现在要和汤姆叔叔说话,你不要去捣乱,捣乱的孩子不是好孩子哟。""好吧,妈妈,我自己去玩。"

" Andy, Dad is talking with uncle Tom. Don't make trouble. The children who make troubles are not good children! " " OK, Mom, I will go to play myself. "

我把小汽车、变形机器人还有积木都拿出来玩。一个人玩好没意思,我 又想起了汤姆叔叔会给我什么礼物,会是什么呢?汽车?机器人?还是组装 模型?

I took the car, the shapes changing robot toy and blocks out and played. It was so boring to play alone and I thought about the gift what uncle Tom would give me. What is it? A car, A robot, or an assembling models?

要是以前,我肯定会直接跑过去问。现在我只是偷偷跑到门口去看看汤姆叔叔有没有把礼物拿出来。

If it was before, I would go there to ask directly. Now I just crept quietly to the door and glimpsed at uncle Tom, whether he took the gift out or not yet.
