第二十三章	增强抗御风险的企业经营方针·····	(448)
第一节	搞好资本经营,为增强企业核心竞争力奠定 实力基础·····	(448)
第二节	抓住市场竞争核心,提高企业的技术竞争能力····· ·····	(450)
第三节	在企业进行对外开放中始终坚持自我发展 的核心能力·····	(454)
第四节	在产业开放中防范可能出现的有损中方发展 条件的因素·····	(457)
第五节	发展我国企业的跨国经营·····	(460)

Industrial development risks and The management (Outline)

Introduction

- I. The mention of the questions
- II. The objects of the book
- III. Research methods of the book

Part I International industrial competition and industrial development risks

Chapter one The theoretical starting point : the industrial expanded opening and industrial development	(3)
Section one The industrial opening promotes the industrial development	(3)
I. Industrial opening and resource transfer	(3)
II. Industrial opening and industrial upgrading	(4)
Section two Shocks of the industrial opening involve industrial security	(5)
I. Two basic shocks that lead to industrial contraction	(5)
II. Concept of national industry	(6)
III. Concept of industrial security	(12)
Section three The relation of four important problems	(15)

I. Industrial maintenance	(15)
II. Relation of four important problems	(16)
