## 告别M31

## Goodbye M31

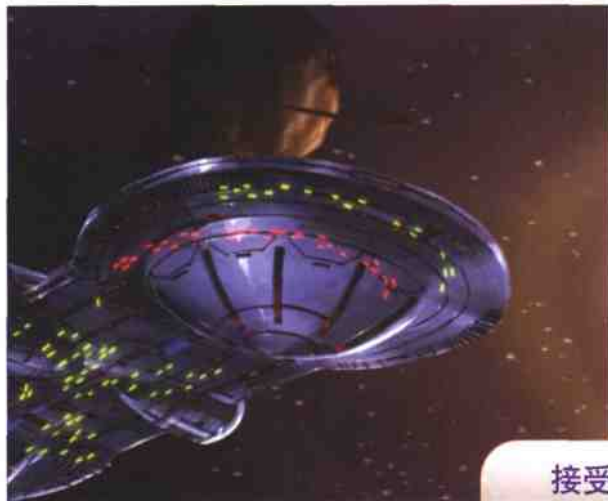

银河外星系M31星球上的科学家准噶尔召开新闻发布会，要带奇、娥眉到自己的祖籍——地球去做科学考察并寻根访祖，另一派科学家天霸为了制造超级生物也秘密尾随准噶尔来到地球……

On planet M31, an unremarkable planet in the distant extragalactic nebula, Dr. Xander is holding a news conference. He announces to travel to planet earth with Danny and Amy for scientific research and their origin discovering. At the same time, the evil scientist Terrevil, in order to rule the universe, follows Xander to the earth with his goons Ranter, Tigano and Wheezer.

茫茫的河外星系，有一个叫M31的星球，上面生活着各种高智慧生物。  
In a distant extragalactic nebula, there is a planet named M31, on which live various kinds of highly intelligent creatures.

接受请求，保持航线，立即入港。

Request is granted. Keep your current direction and enter immediately.

M31，这里是货运T—2，请求入港。

M31, this is cargo ship T-2, requesting entrance.

朋友们，我荣幸地向大家宣布……  
Dear friends, it's my honor to announce  
that .....

我和科奇先生将往地球进行科学考察及寻根访祖。

Dr. Danny and I are leaving for planet earth for scientific  
research and origin discovering.

下面请准噶尔博士发表宇宙和平宣言。

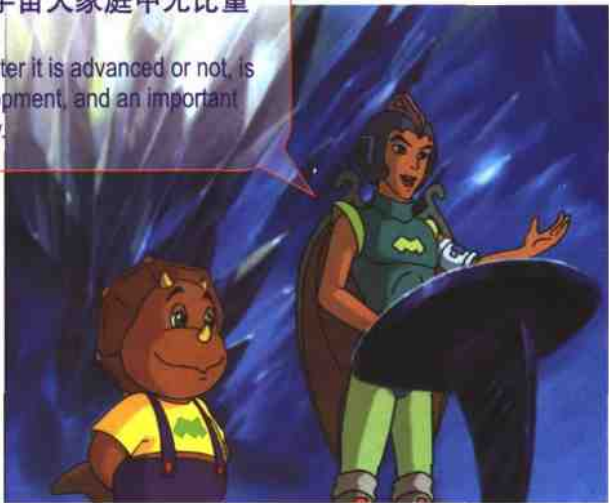

Attention. Dr. Xander and  
his declaration on universal  
peace.

……所有的生命形式无论先进与否都是宇宙发展的结晶，都是宇宙大家庭中无比重要的一员……。

Every living creature, no matter it is advanced or not, is the result of universal development, and an important member of a universal family.

难道是娥眉?  
Isn't that Amy?

我找她去。  
I go find her.

娥眉，你的散花功越来越厉害了。  
Amy, your spectral traps are obviously paying off.

就知道是你跟我玩！  
I've known it's you.

我可花了不少时间去研究它。  
I've spent plenty of time on it.

你们在忙什么呢？  
What are you researching at the moment?

你不知道？准噶尔和我要去地球寻根访祖。  
Haven't you heard that Xander and I are leaving  
for planet earth for origin discovering?

啊？怎么不告诉我，我也要去。  
Oh? Why didn't you tell me? I want to go with you.

哎，娥眉。  
Hey, Amy.
