MOST CONSECUTIVE OSCAR NOMINATIONS

Between 1991 and 1997 Aardman Animation of Bristol, UK, received six consecutive Oscar nominations for Best Short Animated Film — a record for any Oscar category. Three of the nominations, *Creature Comforts*, *The Wrong Trousers* and *A Close Shave*, all directed by Aardman's founder Nick Park, went on to win Oscars. The last two of these featured the cheese-loving inventor Wallace and his long-suffering canine companion Gromit (pictured).
