八. 擊落三輪寬

全面抗戰揭開後，太原成了敵人在華北用兵的大目標，常常派轟炸機來肆虐，二十九年九月二十一日那天。敵人終於遇到我們英勇的空中戰士了。這一天敵人的飛機二十架，由敵陸軍航空先進的攻擊名手三輪寬少佐率領，向太原進襲，我機四架即升空截擊，苦戰十餘分鐘，我機衆寡不敵，一架被擊下墜，我勇士陳其光眼見戰友陣亡，抱着決死復仇擒賊先擒王的決心，奮勇百倍，與數架敵機纏鬥，結果卒將三輪寬坐機擊落，其餘敵機見主將已喪，紛紛逃竄，從此太原安靜了許多時。

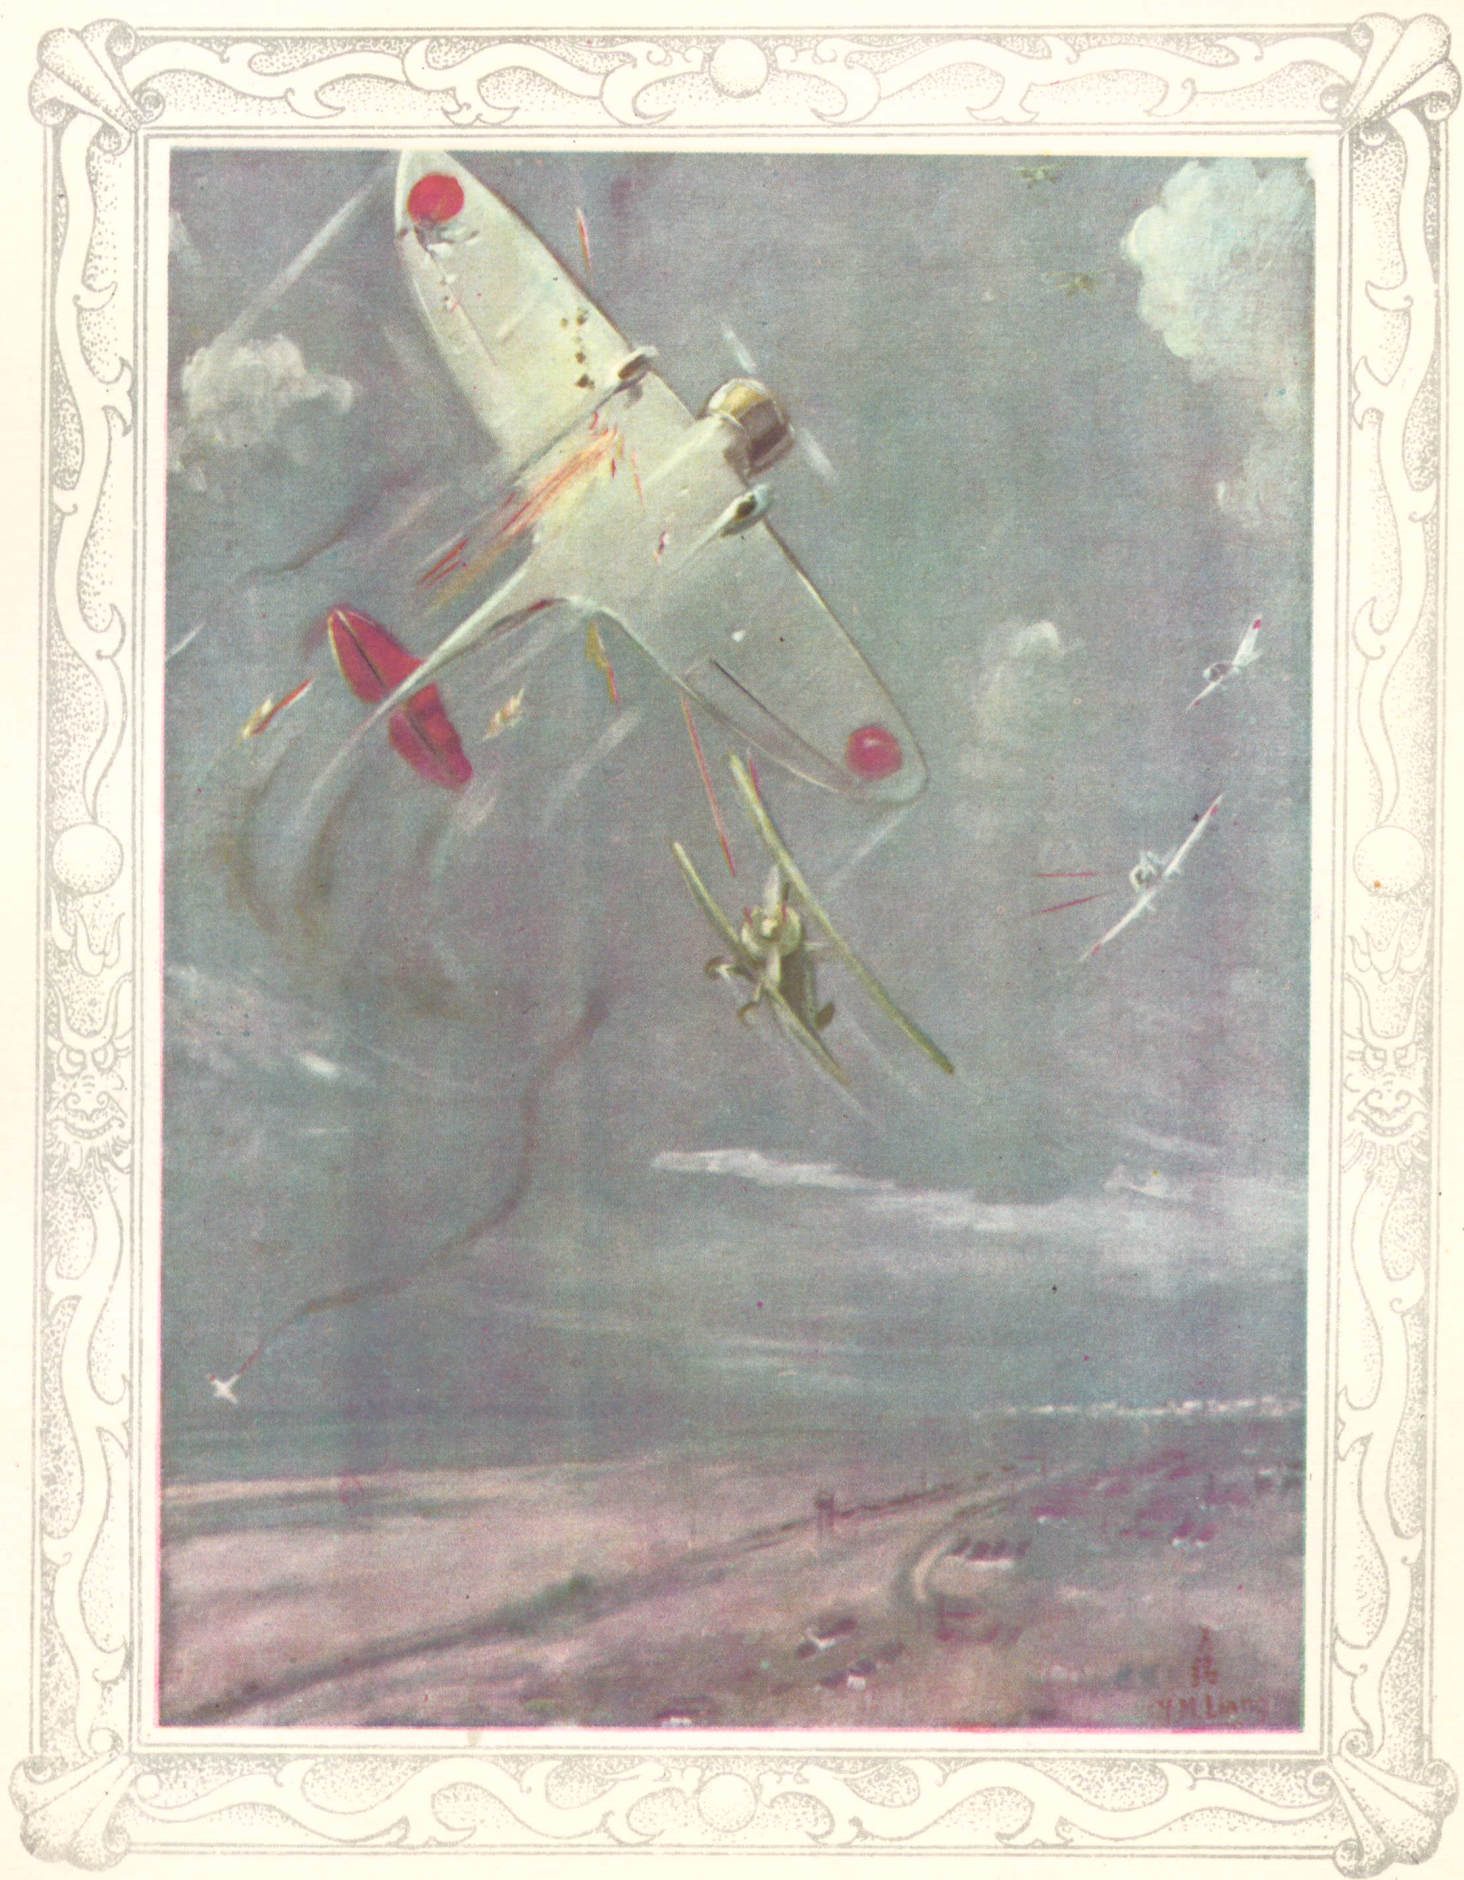

8. A DOGFIGHT

On September 21, 1937, a dogfight took place over Taiyuan, Shansi with four Chinese fighters against twenty enemy planes. One Chinese plane was shot down by an overwhelmingly large number of enemy planes. The remaining three saw the misfortune of their comrade, and fought with grimmer determination. Finally, Lieut. Chen Chi Kwang brought down the leading plane of the enemy squadron, thus eliminating the much vaunted career of Major Miwa Hiroshi, supposed to be a Japanese air ace, and at the same time putting the other Japanese planes to flight.
