To flourish the cultural activities of the enterprise

副省长吴碧莲出席中国人寿全省系统工作会议  
Vice-governor Wu Bilian attended the working meeting of the system of China life insurance in the whole province.

**G**uided by the important idea of "Three Representatives", the system of life insurance in our province initiated a brand-new situation that the undertaking of Gansu life insurance developed in an abnormal and leap-forward way by catching the chance of China West Exploitation, developing the market of Gansu life insurance, serving the multitude in Gansu province and supporting the construction of local economy in 2002. At the end of 2002, the income from the premium in the whole province has reached 2 billion yuan that raised 855 million yuan (increasing 75%) compared with that of last year and realized the aim of "the tenth Five-year Plan" ahead of three years beforehand. At present, Gansu Province Division of China Life Insurance Company dominated the Gansu market of life insurance by 84.6% market share and the premium per capita in the whole province reached 78 yuan. Up to now, Gansu Division has totally provided all sorts of life insurance to more than 10 million persons and shouldered more than 100 billion yuan insured risk. Within one year, the company has compensated more than 350 million yuan for more than 0.3 million persons and effectively exerted the function of economic compensation and risk insurance that a state-owned commercial life insurance company should exert in the production and living of the multitude. At the same time, the total property of the company reached 4.79 billion yuan that raised 44.7% and the company realized the profit of over 10 million yuan, so good social and economic benefit has been gained.
