前 言

人們常用「山幗英雄」、「女中聚傑」來讚譽心目中傑出的女性。但這些稱呼却絕 難概括她的品貌、她的經歷、她的性格。

彷彿只有「我們的鄧大姐」 一這樸素的稱呼,才能恰切地說明她一一鄧穎超在 我們大家心目中的形象。被全國人民由衷地愛戴,她的同輩,她的晚輩,甚至當代 的年輕人,也願尊一臂「鄧大姐」,說明了這愛是超越時空觀念的實在。

她有令人感佩的人生絕歷,她有堪稱表率的優秀性格。她的一生都在爲祇國的 興盛、人類最景高的共產主義理想奮鬥着,始終不渝……。

剛剛二十歲,青春年華,她選定了共產主義作為自己的人生信仰,同時選擇了一條苦難曲折的革命者的路。領導學生運動,為了婦女和民族的解放,她經歷過額 油流離,不怕流血犧牲;以一個柔弱的女性之驅,她跋涉過二萬五千里的漫漫征途;她在國共合作,共同抗日以及反對內戰,呼籲和平的特殊歷史時期,作出了特殊的實獻。新中國的誕生,對她來說並不意味功成名就,而是繼續為祖國的社會主義建設勤奮的工作。直到八十三高齡的今天,她還在細細地體察和傾聽人民的心願,人民的呼聲,她與人民的感情是那樣水乳交融.....。

如果說,政治上的成就使她成為中華民族歷史上最傑出的女性代表之一,那麼 她的品格、氣質、修養同樣令人景仰——她就像華夏之邦隨處可見的白楊樹、質樸 、淳厚、淡泊、深遠……。

也許,她還有一個令婦女界欽義已極的幸運,便是與周恩來結成了終身伴侶。五 上多年風風雨雨,難得的志同道合、難得的心心相印、雖得的患難與共……這大概 會成為一段流傳於後人的挂話。

恐怕沒有哪一個人能夠靠相片讓人們記住他的形象。一本攝影畫冊也很難生動而 又全面概括一位傑出人物的一生,但是,肯定會有許多人願意得到一個可尊敬的人 物的相册,留給自己,也留給兒孫後代。願我們這本相册,能給人以啟迪,能成為 你的一個珍藏。

PREFACE

Terms such as 'hero in skirt' and 'woman giant' are often used to address women held in high esteem. But these titles can hardly fit in with Deng Yingchao for her unique personality, charm, experience and character.

'Our Big Sister Deng', the simple address now used by many of us, seems to be the only one for Deng Yingchao which can call up her image in the hearts of the people. She is so sincerely loved by her compatriots that those of her generation and the younger generation, and even the youth of today, affectionately call her 'Big Sister Deng'. The adoration for her indeed knows no limit, whether in time or in space.

Big Sister Deng has dedicated all her life to the prosperity of our motherland and to the lofty ideal of communism. Her life arouses admiration, and her excellent character has set a fine example for all.

At the young age of 20, she chose communism as her life-long faith and began to tread a revolutionary path beset with hardships and dangers. She drifted from place to place, without fearing bloodshed or death, to organize student movements and to fight for women's emancipation and national liberation. As a delicate-looking young woman, she trudged through the 25,000-ti Long March. During certain historical periods, she made unusual contributions to the Kuomintang-Communist Coalition, the War of Resistance Against Japan and the peace movement aimed at preventing a civil war. Even when New China was born, Big Sister Deng did not consider her mission having come to a successful conclusion and went on working hard for the country's socialist construction. Now at an advanced age of 83, she is still concerned with the wishes of the people and listens carefully to the voice of the people so as to keep herself in perfect harmony with them.

If her political achievements have made her one of the most prominent women in Chinese history, her personality, disposition and accomplishments are equally admired. Like a white poplar which is popular throughout China, she is faithful, honest, simple in style and is deeply and firmly rooted in her mother country.

Perhaps, her marriage to Zhou Enlai was for her the most important luck envied by many. The couple stood through thick and thin for more than 50 stormy years. How they worked for the common cause, how much affinity they had for each other and how they shared tribulation will be handed down as a legend in years to come.

Photographs can hardly keep one's image alive for the future and it is difficult to record every aspect of an outstanding personality in a single album. However, there must be many who possess an album of a personage for whom they hold great respect. They not only can keep it for their own reading, but also can pass it down to future generations. Let this album be an inspiring and treasured one in your collected items.
