卡莉(Carrie Bradshaw) — 莎拉洁西卡派克 饰

* 职业: 专栏作家

女主角卡莉是纽约某报的专栏作家,固定撰写《欲望城市》专栏,她周遭的女性朋友甚至男人都成为他的观察对象,从第一季的观察身分演变到第四季,卡莉自己也沦陷在广大无垠的《欲望城市》中。

* 婚姻状态: 未婚

* 爱情生活:

与大人物先生纠缠3季,卡莉从女友演变成婚外情的情妇,直到艾诺销魂才让她重新思考与大人物先生之间的关系,只是《人类一思考,上帝就要发笑》啦,卡莉在第四季中到底会选择成熟的居家男人还是性感具有魅力的坏男人呢?

* 个人风格: 大家应该记得绚丽的胸花,名牌颈炼,剪裁合身的的迷人礼服,卡莉的服装平均要花去服装设计师每集8-14套衣服,Manolo bahnik顶级高跟鞋也是凯莉的最爱。

莎曼珊(Samantha Jones) — 金凯特萝 饰

* 职业: 公关公司主管

* 婚姻状态: 未婚

* 爱情生活:

莎曼珊白天是干练的公关公司主管,晚上则成为《性爱》战场上的掠夺者,男人对他而言比Brkin包包还不值得珍惜,尽可能的与越多男人进行《性爱冒险》竟导致她逐渐对男人失去兴致,新一季来临,莎曼珊有可能自《同性》中重获新的生命力哦!

* 个人风格: 莎曼珊酷爱性感装扮,钉满亮面的低胸晚礼服,或曲线毕露性感的紧身上衣都是她的基本配备。

夏洛蒂(Charlotte York) — 克莉丝汀戴维斯 饰

* 职业: 艺廊的艺术经纪人

* 婚姻状态: 已婚(分居中)婚

* 爱情生活:

夏洛蒂是《欲望城市》中女孩们最早婚的一个,当然也最早成为婚姻受害者,她嫁给具有三高标准的医生老公,但婚后竟发现特瑞竟然有生理疾患,性生活不协调造成他们的婚姻处处碰壁,第三季终以分居收场。

新一季中,夏洛蒂要与老公重新来过,虽然克服了性生活的问题,但是棘手的老婆问题又接踵而至...

* 个人风格: 夏洛蒂是片中好女孩的发言人,她偏爱具有设计感的衣服,但是对于太前卫的设计敬谢不敏,一如她的职业——艺廊经纪人——她始终维持高雅婉约的外表,这样的典型是多数男人心目中的理想老婆。

米兰达(Miranda Hobbes) — 辛西亚尼克森 饰

* 职业: 律师

* 婚姻状态: 未婚

* 爱情生活:

米兰达满恨当个娇羞依人的小女人,她可是堂堂在纽约自力更生的女强人,她深信女人对自己有绝对的自主权,但是她又需要男人,所以她在与小男友史提芬的分分合合中,依然坚定信念寻找生命中的真命天子,只是被她吸引的不是同性恋者,就是害她染上性病...第四季中有一边卵巢已自动停工的米兰达似乎有可能怀孕生子哦!

* 个人风格: 米兰达除了平时上班的正式套装外,平时最爱的是休闲的装扮,棒球帽、吊带裤也会在她的衣柜中占去一个角落,她喜欢居家休闲服饰正如她略带中性的气质与实在的个性。

“迷人……欢闹……欢迎来到冷酷的曼哈顿。”

CARRIE BRADSHAW

"The only thing I've ever successfully made in the kitchen is a mess. And several small fires." - Carrie

No one captures the lives of the lovelorn and the love-seeking in New York City better than columnist Carrie Bradshaw does. As fodder for her column, single and fabulous Carrie looks to the experiences of her best friends and her own. Never shying away from difficult or delicate subjects, Carrie has covered everything from emotional dependence to sexual independence. And somehow, through all her research and realizations, she's remained open to the possibility of finding love among the ruins.

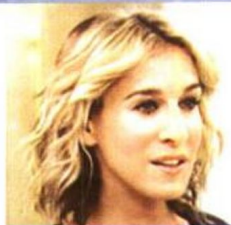

Of all her paramours over the past four years, no one has captured and frustrated Carrie's heart as much as Mr. Big. Their sexual chemistry was undeniable, as was the fact that Big would never fully commit to Carrie.

And every time Carrie mustered up the strength to say goodbye, there he was, driving up in his chauffeured car and luring her back with his charm. Until he married. Then, along came the anti-Big, Aidan Shaw - good-hearted, good-looking, emotionally honest and ready to commit. Carrie fell for Aidan's authentic charm. Still, the bad girl in her couldn't sever itself from Big and she embarked on a torrid affair with her married ex. When she came to her senses and ended the clandestine tryst, she confessed to Aidan and watched him and his broken heart walk away.

Until Season Four, that is, when Carrie and Aidan were reunited - each a little older and wiser. However, at each step forward in the relationship - living together and then getting engaged - Carrie was overcome with doubt. She struggled to quiet her fears, but ultimately realized she wasn't quite ready. When Aidan pushed her, she realized he still did not trust her and the relationship ended with heartbreak and a desperate need for a bank loan. Single again, Carrie turned to getting her life in order. She moved from being a "renter" to an "owner" and put her career on a new track with a job at the mecca of fashion journalism, Vogue. Nothing signaled the "end of an era" more than Big's decision to move to Napa, California. Carrie's said goodbye to her past and is striding forward with renewed strength and faith in her destiny.

Fashion Sense

The most fashion-forward of all the Sex and the City girls, Carrie's style defies all categorization. Rummage through Carrie's closet and you'll find haute couture pieces side by side with vintage frocks, downtown club wear and miles of Manolo Blahnik stilettos. Carrie expresses her eclectic, whimsical self and that of her city through a masterful and sometimes outrageous mix of these styles. A fashion chameleon, Carrie can start her day looking like a streetwise pixie, change into a neo-bohemian outfit for lunch, don an elegant princess dress for dinner and slip into a skin-baring ensemble for a late-night party. Every season, she makes a signature statement through her accessories. First it was the nameplate necklace, then the flower pins, and "baguette" bags and then gloves, newsboy hats and the diamond/gold stackable jewelry from Mia and Lizzie. Take a look at Carrie's far-ranging looks in our fashion slideshows.

Style and Substance

"We realized that what Carrie has in her apartment is not what she's all about," Conway explains. "She's not a decorator, but there's definitely a sense of style in the way she's put things together." The walls are a soft shade of celery green washed with a lavender iridescent glaze ("it looks better on screen - it has a glow about it," Conway explains). The size of the apartment is realistic as well: "I try to keep everything small, because that's what New York City apartments are," he says.

An Underlying Edginess

"Let's face it," says Conway, "Miranda does not mince words. She calls it like she sees it. She can be, well, blunt." To emphasize this, Conway scouted for furniture that was particularly angular or "edgy." "We were looking for interesting pieces that had a straightness to them, because Miranda will always tell it to you straight," says Conway. The coffee table, end tables, even her tube-steel bed fit the bill perfectly with long lean lines and mid-Century influences. "Miranda's decorating also looks a lot more put-together than Carrie's," adds Conway. "It's obvious she's had professional help - that was even a storyline in which her decorator stole her boyfriend."

by Sheryl Berk

Sex and the City production designer Jeremy Conway takes us through the transformation of Charlotte and Trey's Upper East Side apartment.

"A Park Avenue pad with a split personality," is how SATC production designer Jeremy Conway describes his design concept for Charlotte and Trey's apartment on the Upper East Side. "The whole idea is that it's a classic pre-war in the 80s that's been in the MacDougal family for god-knows-how-long. Bunny originally decorated it, but once there was a new lady of the house - a.k.a Charlotte - some radical changes needed to take place."

"We wanted the contrast between Bunny to Charlotte to be dramatic. So all the while I was thinking, 'Let's see - what would make Charlotte cringe?' Maybe a few mallards, some tartan plaid, a dark brocade...I'll admit we had fun being Bunny!"

A Palace Fit for a Princess

Under Conway's skillful command, the design team whipped up a palace fit for a princess. "If you recall Charlotte's old apartment when she was single, it was very tasteful, simple and elegant. Very 'ivory tower.' So that's what we wanted to carry into her married home as well."

Though Charlotte has an artistic background, she would hire an interior designer to help her execute her vision. "She knows what she wants; she makes the selections. She's the list maker and there's a facilitator," explains Conway.

HBO 夏洛蒂的生活风格

“布什纳尔精于对话,手法离奇……她作为一个作家的智慧,较少见于对人类行为起因的详细探究而多见于对人类行为的具体刻画。”

SAMANTHA JONES

by Sheryl Berk

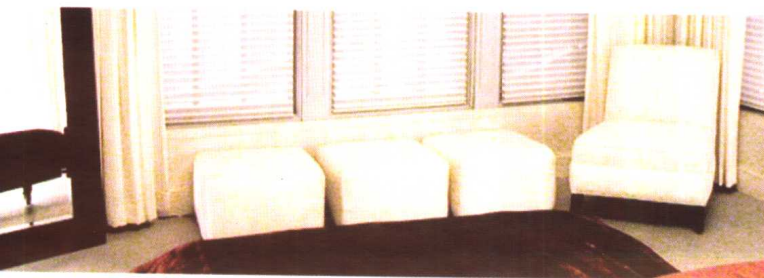

For Samantha, nothing less than a sensational space would do. So when her old neighbors on the Upper East Side objected to her amorous activities at all-hours, she decided to move to the meatpacking district in downtown New York.

The Boudoir

"Of course, there's no couch in the main room—just a bed. It's Sam's most lived-in piece of furniture, hence it's the star attraction of her living room!" laughs Conway. He and his crew actually built the bed. "It's very large, with a platform and two nightstands on either side that are attached," he says. "And it's on wheels so we could easily move it around the set."

Conway calls Sam's style of decor "The Big Game Hunter Look." There's lots of crimson and sienna-dark, passionate reds that evoke heat and desire. The linens are from Calvin Klein and ABC Carpet and Home. There's even a fireplace. "A nice touch, but you just know that Sam never uses it," Conway says. "Too much work. The best she'll do is light some red candles along the mantel. Besides, if she wants heat, she can generate her own."
