VII. 阅读理解: (10分)

The sun says he is stronger than the wind. The wind says he is stronger than the sun.

A man is walking down the street with a hat and a coat on.

The sun says, "Let's see who can make the man take off his hat and coat. If you can do that, you are stronger than I."

Now the wind begins to blow(吹,刮风). But the harder he blows, the tighter(更紧地) the man holds his hat and coat. The wind can't make the man take off his hat and coat.

Now the sun tries(试). He shines(照耀) brightly(明亮地). Soon the man take off his hat. Then the sun shines more brightly, and the man takes off his coat.

So the wind says, "That's all. You are stronger than I."
