随着改革开放,搞活经济,近几年我国的皮革、毛皮生产企业发展迅速,市场对企业生产的产品不断提出新的要求。为沟通用户与生产企业间的联系,扩大我国皮革、毛皮制品生产厂家在国内外的影响,促进信息交流,我们决定编辑出版《中国皮革企业大全》一书,向国内外介绍我国皮革行业企业概况。

《中国皮革企业大全》一书汇集了目前国内最新统计的主要皮革企业约2000个,一览《中国皮革企业大全》基本上可以较精确的了解中国皮革企业的概况。全书将中国皮革企业分为制革、毛皮、皮鞋、皮革制品、皮革机械、皮革化工,以及有关为皮革工业服务、配套、管理、经营的公司,科研机构,大专院校等十个部分。本书还汇编了部分有关皮革的质量标准,技术参考资料索引。

《中国皮革企业大全》一书对入录企业逐一核实, 力求做到名实相符。本书的出版, 为国内各企业交流情况, 以及外商来华洽谈进出口业务、合资办企业、来样加工、来料加工, 来件装配等项技术合作, 提供一本难得的工具书。它对促进国内外信息传递, 中外技术交流, 贸易往来, 将起到难以估量的作用。

由于各单位千差万别,也由于资料来源面广,本书中入录单位的介绍出现差别实属**客观**原因,在此顺便说明。

《中国皮革企业大全》一书经过全国的20多位编委近一年的辛勤努力,以及全国同行的支持和理解,尤其是得到轻工部轻工业出版社的领导及同志们的大力协助,终于与读者见面了。对此,我们再次表示感谢。我们希望能够通过《中国皮革企业大全》一书的正式发行,有助于扩大国内皮革行业在国际上的影响,促进我国皮革产品的出口创汇,对我国皮革工业的发展作出较大的贡献。

PREFACE

With the policy of "Opening to the Outside World and Revitalizing Home Economy", our country has seen a great production expansion in the leather and fur enterprises, therefore, the products manufactured by the enterprises has been constantly made new requirements by the market In order to work hand in glove with the contact between endusers and the manufacturers and further extend the influence of our leather and fur-making enterprises at home and abroad, we edit and publish this (The Complete Introduction of China Leather Enterprises) on the purpose of introducing the general situation of our leather industry enterprises to home and the world.

(2)

This book compiled about 2,000 leather enterprises in our country according to the latest statistics at present A glance of this book can give you a better knowledgements of the general situation about chinese leather enterprises The book classifies china leather enterprises into companies dealing in leather making, fur, leather shoes, leather products, leather machinery, leather chemicals and leather service, leather management, leather handling industry: scientific research institutions; universities and colleges, etc It also collects parts of relevent leather quality standard and index of reference technical materials All of the enterprises listed in this book are carefully checked one by one in case that the name falls short of the reality. With the intensification of reform and openness, more and more foreign customers are willing to negociate with China on cooperations such as import and export business, joint venture, processing materials provided by the buyeers as per drawings and samples, assembling with supplied spare parts, etc.

As a guide book, it will make considerable effect to exchange with each other for informations and materials about commerce, trade and technology at home and abroad.

The book is at last published, we owe special thanks to the joint efforts of over 20 editors from all over the countries for nearly one year's work as well as the support and understanding from the same trade, especially the great helps from the light industrial publishing house of the light industry ministry. We, the editorial department of this book, hope it will be helpful to extend the influence of domestic leather industry to the outside world and to promote the development of chinese leather industry as well as the exportation of our leather products when it will be formally distributed throughout the country Meanwhile, we hope it will also contribute a lot to our national economy.

编辑说明

一、编辑方法

本书采用了两种方法:一种是按专业性质编辑,即接制革、毛皮、皮鞋、皮件、皮革机 械、皮革化工、其它皮革业,为皮革工业服务、配套的有关企业,管理经营机构、公司等分 类罗列,另一种是根据各企事业单位所在省、市、自治区的先后顺序编排。

按专业编排时的顺序参考了《皮革专业标准体系表》的专业划分方法。

按地区编排时,主要依据1988年哈尔滨地图出版社的《中国邮政编码图集》的顺序•
