## 前　　言

京杭大運河，凝聚了中華民族的精髓，是世界上最壯觀、最著名的人間奇迹之一。她，是中華民族文明的象徵；她，是中華民族智慧的結晶；她，是中華民族歷史的豐碑。

從公元前 486 年吳王夫差下令開鑿邗溝算起，京杭大運河至今已有 2400 多年的歷史。經過隋、唐、宋、元、明、清等歷代的大力修建，南北縱貫，全程近 1800 公里。千百年來，她在中華民族社會發展中，不僅在政治上、軍事上發揮了極其重要的作用，而且創造了極其豐厚的經濟財富和文化財富。過去，為國家民族的繁榮昌盛建立了不朽功勳；現在，仍造福於人民，默默地奉獻着她的一切。

為了向炎黃子孫和世界各國朋友展示我國這一神奇多姿的瑰寶，我們編輯了這本《京杭運河書畫集》。

《京杭運河書畫集》是京杭運河沿線的河北、山東、江蘇、浙江四省和北京、天津、上海三市的 150 餘位著名國畫家、書法家精品的薈萃。書畫藝術家們積極為畫冊揮毫潑墨，寫字作畫，力求以最美的藝術創造，展現大運河的歷史和今天的豐姿，抒發對大運河熱愛的情懷。或描繪運河上下四時變換的自然景觀，或再現運河兩岸值得緬懷的名勝古迹，或塑造與運河有關的文人雅士、英雄豪傑的生動形象，或表現運河的傳統故事和文物特產，或歌頌運河上日夜辛勤工作的勞動人民等等，其思想內容之豐富，形式風格之多樣，筆情墨趣之雋永，堪稱我國一流的書畫藝術。

在較短的時期內，能集中各地這麼多位書畫家，為着同一命題寫字作畫，這在我國美術書法界尚屬創舉。更可貴的是，他們的創作熱情高漲，態度認真，各盡其力，各顯其能。有的已年逾古稀仍冒着酷暑，到運河實地寫生；有的為提高作品質量，反復推敲，徹夜不眠，此景此情，實在感人。這本書畫集之所以能順利出版，還與人民美術出版社、中央美術學院、中央工藝美術學院、中國美術館、中國畫研究院、北京畫院、浙江美術學院、榮寶齋、以及山東、江蘇、浙江、天津、上海等省市的美協、畫院和出版社等單位的大力支援是分不開的。在此一并表示衷心的感謝。正如大家所說：“是大運河把我們的心連在一起了。”是的，大運河不僅把作者和編者的心連在一起，而且通過書畫集的出版發行，也必將會把廣大讀者的心連在一起。讓我們為共同開發大運河，宣傳大運河，為繼承發揚大運河文化而貢獻自己的力量吧。

源遠流長的大運河將萬古常青！

## PREFACE

The Grand Canal, the embodiment of the quintessence of the Chinese nation, is one of the most magnificent and the most known wonders of the world. She is a symbol of China's civilization, the crystallization of Chinese people's wisdom and a monument to the history of China as well.

The Grand Canal has had a history of 2,400 years and more since 486 BC when Fu Chai, the King of Wu ordered to dig the Hangou Canal. After repeated efforts of digging during the dynasties of Qin, Sui and Yuan, the Grand Canal now runs for almost 1,800 kilometers from the south to the north. During all her years, she not only played an extremely important role politically and militarily in the social development of China, but also helped to create immense economic and cultural wealth. In the past, she had performed immortal feats for the prospering of China; at present, she is still silently devoting all herself to the happiness of the people.

To illustrate this wonderful and colourful treasure of China to the offsprings of Emperors Yan and Huang and to friends of the world, we have edited this grand album *The Grand Canal in Calligraphy and Paintings*.

This album has collected the best works of more than 150 artists and calligraphers along the canal from Beijing, Tianjin, Shanghai and provinces of Hebei, Shandong, Jiangsu and Zhejiang. They have, with painstaking efforts, tried to create the most beautiful art in displaying the past and today of the Grand Canal. Some of them portrayed the landscape along the canal in four seasons, some presented historical sites and points of interests, some depicted the vivid images of scholars and heroes related to the development of the canal, some portrayed legends, cultural relics and native products while the rest extolled the labouring people who work day and night on the canal. This album can be regarded as the first class art of painting and calligraphy for its richness in content and variety in styles.

It is the very first time in China's art circle that so many artists and calligraphers were gathered together to work on the same theme and in such a short period. What was more commendable was their enthusiasm, earnest attitude and desire for doing their best. Advanced in years as some of them are, they still went down the canal to paint on the spot in spite of the intense heat of summer; some of them had spent many sleepless nights to improve their work. We would like to thank the People's Fine Art Publishing House, the Central Institute of Art, the Central Institute of Industrial Art, the China Art Gallery, the Academy of Chinese Traditional Painting, the Beijing Art Academy, the Zhejiang Institute of Art, Rong Bao Zhai Art Shop and local artists' associations, academies and publishing houses in Shandong, Jiangsu, Zhejiang, Tianjin and Shanghai, without the efforts of all the above, the publication of this album would have been impossible. Everybody has said, "It is the Grand Canal that has linked our hearts together." Very true, the Grand Canal has linked the hearts of artists and editors, she will, through the publication and distribution of the album, link the hearts of the readers together. Let us do our bit in developing the Grand Canal and in carrying on the culture of the Grand Canal.

May the ancient Grand Canal be young forever!
