用餐空间

Urban

都市

Design Agency / Joey Ho Design Limited

Inspired by the context of Hong Kong metropolis which is full of contrasts and contradictions, we divided the café into the market place, a side walk café and a city square.

Within the core area a graffiti installation was used to set strong contrast within this luxury mall. False ceiling is cut-out to form silhouette of Hong Kong's skyline while exposing part of the raw ceiling.

Portuguese street artist VHILLS was selected for his unique drill-and chisel graffiti that combines human portrait and typography, creating a mural which summarizes his impression of the city while exploring the unique interplay of the multi-layered city and people who live here.

Other design details include turning the burned out neon sign "Bakery Open" into "Bar open", the "chandelier" above the communal table constructed with water pipes, and the round cast iron legs of the tables that mimic manhole covers. ●

Design Team / Joey Ho, Noel Chan

Location / Hong Kong, China

Client / Maxim's Group

Area / 290 m²

受到香港充满碰撞与冲突的都市气息的启发，设计将咖啡馆分成三区：集市区、道路旁和城市广场。

咖啡馆核心区安放一座涂鸦装置，与豪华的购物商场形成强烈对比。假吊顶覆盖了一半的天花板，仿佛是香港天空的轮廓。

葡萄牙街头艺术家 VHILLS 运用他独特的钻凿式涂鸦，把人物肖像和文字相结合，刻画出一幅他印象中的香港城市壁画，展示出城市的多层互动和居住在这里的人们。

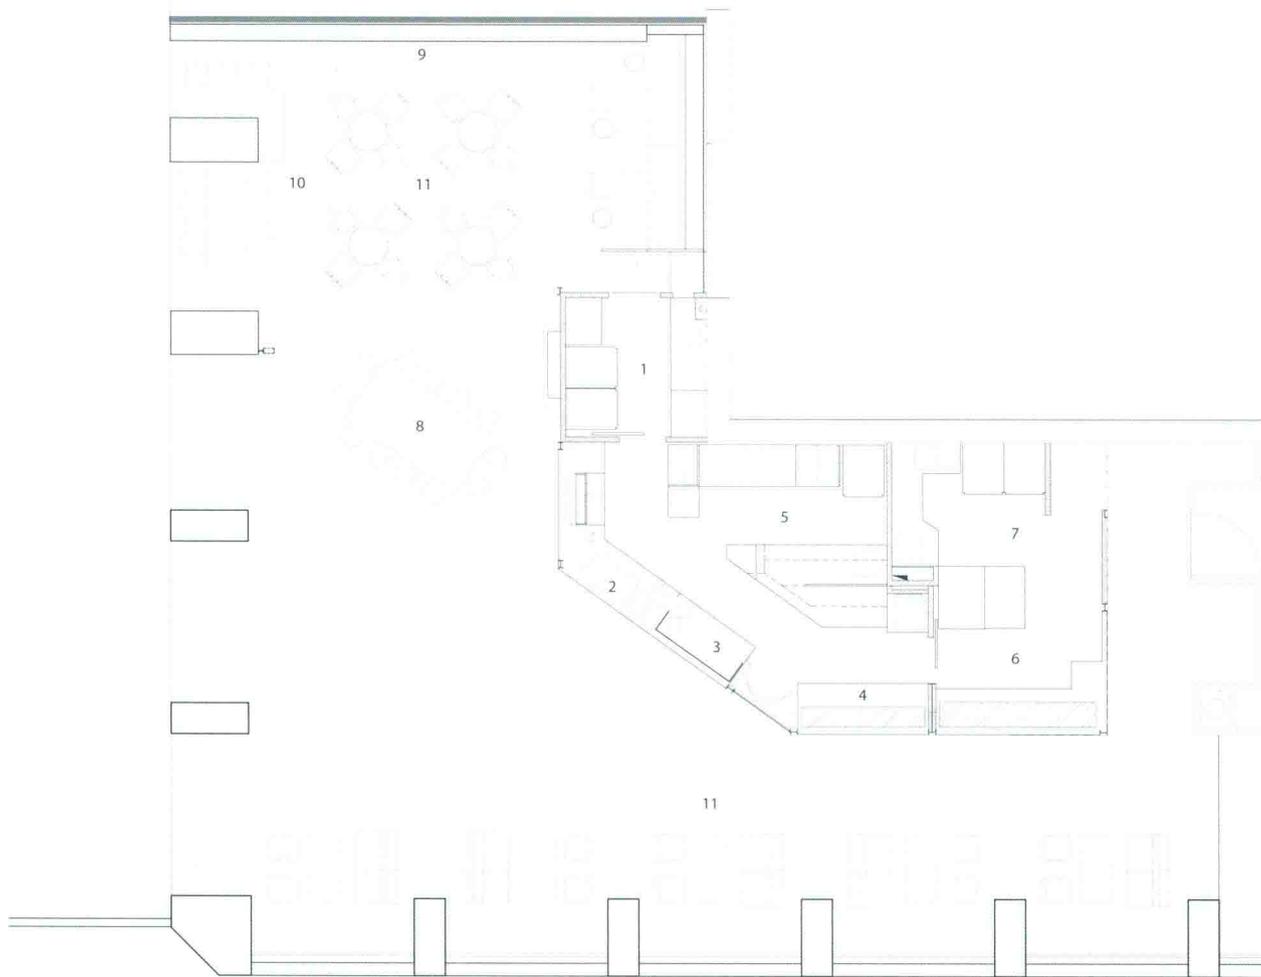

其他设计细节包括把霓虹灯招牌“面包房开放”改成“小店开放”。桌子上方的吊灯与水管共同构成。桌子腿是圆形铸铁，桌面样子好似井盖。

The Spring Food Bazaar Kuching

古晋春天美食广场

Design Agency / Blu Water Studio Sdn Bhd

The food bazaar owned by The Spring Shopping Mall in Kuching, highlights the green house and oversized elements to narrate the concept of Enchanted Spring and fantasy like tea party.

The tea party theme is elaborated with long communal table and colourful stools. They, together with the enlarged picnic table cloth pattern and exaggerated yellow basket weaving in the ceiling, evoke a sense of adventure.

The hit of spring is injected into the space through the greenhouse concept. Normal items that are seen around a garden also appear here: like fencing, black framing and the yellow bicycle.

The space is divided into a few clusters of seating areas: cozy banquette seating with an informal set up, areas of group seating, and the playful bird cage inspired seating. The space planning is created purposely to add energy and a full experience as one weaves through the bazaar. ●

Design Team / Lai Siew Hong, Mak Sook Har,

Hanako Suzuka, Alice Lee

Client / PE Land Sdn Bhd

Location / Malaysia

Area / 2,017 m²

古晋市春天购物商场中的美食广场，突出绿色房屋和超大元素的概念，为人们呈现“迷人的春天”和“梦幻般的下午茶时光”。

下午茶聚会的主题详细表现为长长的公用桌子，桌子上野餐布放大的图案和丰富多彩的凳子，还有穿插在天花板上夸张的黄色篮子，这些都唤起了一种冒险的感觉。

通过温室的概念，春天的特点被注入空间中。在花园周围常见的物品也出现在这里，像栅栏、黑框和黄色的自行车。

空间被划分成几簇座位区：随意设置的舒适的人行道长椅，座位集中区和顽皮的鸟笼灵感设计的座位区。空间规划是为了让穿行于其中的人们能够充分体验到春天的能量。
