白云区恢复建制 3 (周) 年
The 30th Anniversary of the 3 (Resumption of Baiyun District

序言

中共白云区委书记 马长青白云区人民政府区长 董兰杵

时光流逝,物换星移,风雨阳光,白云走过了极不平凡的三十年光辉历程。

在白云恢复建制三十周年之际,白云区委、白云区人民政府决定出版这部画册,以示纪念。

三十年来,白云从一个偏辟的山区小镇到工矿区,再发展成为一个充满活力的年轻城市,其向前跨越的每一步都凝结着历届领导班子和全体白云人的心血与汗水,画册的每一段文字,每一幅图片,都厚载着这段流金岁月,详实地记录了18万白云儿女在社会主义伟大事业中迎难而上、只争朝夕的精神面貌和取得的巨大成就。

三十年来,白云区的变化日新月异,各项事业蒸蒸日上,政通人和,百业俱兴,特别是近年来,更是白云历史上发展的最快时期。"第六、七届国际风筝会"、"第十一届中国(贵阳)兰花博览会"、"第十六届亚洲混合双人健美锦标赛"等一系列国际国内大型活动的成功举办,不但打响了白云品牌,而且把白云推向了全国,走向了世界。1998年白云区综合经济实力名列全省第13位,2000年名列第8位,到2002年已跃居到第3位。2002年全区财政总收入、人均GDP和人均地方财政收入居全省第一,2003年又取得了财税总收入、投资环境及招商引资三个全省第一名。经济实力与城市综合经济竞争力明显增强,人民生活水平稳步提高。

当前,白云区正处于"两个关键时期",一是处于经济发展战略调整的关键时期,二是处于城市发展转型的关键时期。面对千帆竞发,百舸争流的激烈竞争,能不能奋发有为克难前进成为全省改革发展的"排头兵",抢先一拍,领先一步,率先在全市实现小康社会,率先在全省基本实现现代化,就需要我们牢固树立"改革勇攀第一峰、竞争勇夺第一名、工作勇创第一流"强烈的争先发展意识。在全面建设小康社会的征程中,我们清醒地认识到,担子比以往任何时候都重。抢抓西部大开发、市级行政中心搬迁金阳、建设大贵阳和全省新一轮经济强县建设的四大历史机遇,以人一之我十之,人十之我百之的勇气,大力发扬"自加压力、开拓创新、团结拼搏、奋勇争先"的白云精神,紧紧围绕区委、区政府提出的"工业强区,城市建区、会展活区、科教兴区、环境立区"的战略思路,努力把白云建设成为经济发达、社会进步的城市中心区,现代化的工业区,环境优美的园林式生态居住区,具有文化特色的休闲旅游商贸区。

《白云》画册的出版,将为世人了解白云,研究白云,认识白云区情,开发白云经济资源,提供诸多直观的依据,对加强横向联系和协作都有着重要的作用。对于客居异地的白云籍儿女,《白云》必定会加深他们的悠悠思念之情。我们借此寄意各方贤达,诚望协力同心,竭忠尽智,在邓小平理论和"三个代表"重要思想的指引下再创白云新的辉煌!

Ma Changing Secretary of the CPC Baiyun District Committee Dong Lanchu Director of the District People's Government

Baiyun District has gone for a 30-year glorious period.

On the occaasion of the 30th anniversary of the founding of the district, the district party committee and the people's government decide to publish this picture album for commemoration.

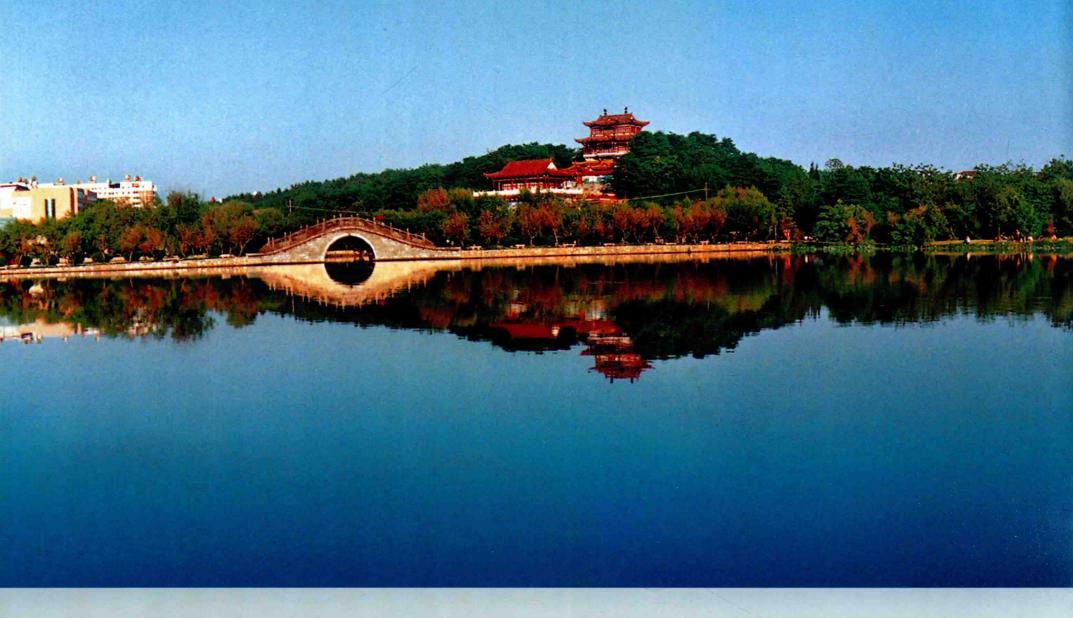

During the period of thirty years, Baiyun has witnessed an evolution from a small town, industrial and mineral area to an energetic central district. Each forward pace has illustrated the painstaking efforts of every leading team. Each paragraph and each picture in the album depict the spirit and accomplishments of the Baiyun people in the great course of building socialism.

Dramatic changes have taken place in the thirty years, especially in recent years. The development is the quickest nowadays. A series of large-scale domestic and international events have been held successfully in the district. The 6th and 7th International Kite Festivals, the 11th China (Guiyang) Orchid Fair, and the 16th Asian Mixed Pair Body Building Championships not only have won a reputation for Baiyun, but also have made the district well-known to China and to the world as well. The comprehensive economic strength of Baiyun District ranked 13th in 1998, 8th in 2000 and 3rd in 2002 in the province. Its total financial revenue, per-capita GDP and the local financial income per-capita ranked first in Guizhou in 2002. The living standards of people go up steadily.

At the moment, the district has met two key periods. One is the critical period for the readjustment of economic strategy. The other is the critical period for city development. The awareness of development in a fast way requires us to face square in the intense competition. We have a tough task to build an overall well-off society. We must seize the three historic opportunities, namely, the western development, the establishment of Jinyang New District, and the building of greater Guiyang, with great courage and spirit, to build Baiyun into a central district, a modern industrial zone, an ecological garden-like residential area, and a cultural-featured touring and commercial destination, according to the strategic plan made by the district party committee and government.

The publication of the picture album *Baiyun* will play a significant part in making people know, study and recognize Baiyun, in providing information for exploitation of economic resources in Baiyun, and developing economic cooperation with other places.

The picture album must strengthen the homesickness for natives who live in places other than Baiyun. We sincerely hope that all people from Baiyun will try their best to create a new glorious future for Baiyun, with the guidance of the important principle of Three Represents.
