谨此纪念董存瑞烈士英勇牺牲六十周年

隆化县行政区域图

序

这是一个有着几千年历史的塞外山城，先民们刀耕火种，在这里埋播下了无尽的文明种子，拓展了这里发展的瑰丽时空。这就是寓意“隆盛开化”的隆化县。

隆化自古为兵家必争之地，它是草原文明向农耕文明的过渡地带，是北方民族进入中原的踏板，她见证了无数次民族的大融合和大发展。北魏时的安州、辽之北安州、金元之兴州，都在这里留下了历史的遗迹。暗淡了古代兵家相争的刀光剑影，远去了康乾木兰秋狝的车辙蹄声，积淀在这里的是浓郁的满蒙风情；自然的大手笔挥毫泼墨，点缀着这里的山山水水，粗犷与灵秀完美结合，自然景观与人文特色交相辉映。

六十年前，在解放隆化的硝烟炮火中，董存瑞烈士舍身炸碉堡的英雄壮举，在人们心目中树立了不朽的丰碑。爱国、奉献、拼搏、进取的存瑞精神，成为隆化人民战胜一切艰难险阻、共创美好明天的强大精神动力。英雄的土地，灵动的山川，孕育出无尽的英雄豪杰，四十二万隆化人民解放思想、拼搏进取、开拓创新，谱写了一曲曲隆化经济社会繁荣发展的赞歌；岁月无语，默默见证了隆化六十年风雨兼程的坚实足印和辉煌成就；岁月如歌，唱不尽党和政府挺立潮头、引领航向的无私情怀和宏伟气魄。

这本画册，采撷的不过是隆化经济社会巨大发展变化中“冰山”的一角，通过形象手段，把一座有着悠久历史和深厚文化底蕴的古城呈现在您的面前；方寸之间，容不下岁月的沧海桑田，却体现出苍莽神韵的塞北文化的永久魅力。愿从这里走出去的隆化人看到她，更加关心热爱自己的家乡；愿在这里工作的人们看到她，更加热爱这片深情的热土；愿来这里观光旅游的人们看到她，揽山水胜概，林泉高致，自然之韵足以养心。

这本画册，向您展示的是隆化一个个溢彩流韵的瞬间，同她的名字一样，让您《走进隆化》。

Preface

This is a city on the mountainous area beyond the northern frontier. With the primitive slash and burn agriculture thousands of years ago, our ancestors had sowed the seeds of civilization there and expanded its glorious development. And hence came the name of the city-Longhua Country, which literally means "thriving, prosperous and civilized".

Throughout the history Longhua has been a strategically important location. As the transition zone from the nomadic civilization to the agriculture civilization and also a gateway for the northern nomadic tribes to enter central China plains, this city has witnessed countless ethnic integrations and developments in history and acquired different names in different historical periods, such as Anzhou (State of Peace) during the North Wei reign, North Anzhou during the reign of Liao and Xingzhou (State of Prosperity) during Jin and Yuan dynasties. Now as the ancient bloody fighting and the horses and caravans of the nomadic tribes have faded away, what left here are the apparent bold and rough Manchuria and Mongolian styles combined with splendid landscape and distinguished humanistic features.

During the battle of Longhua's liberation six decades ago, the nation's martyr and hero Dong Cunrui sacrificed himself to blow up enemy's bunker, who has now become an immortal model for the people. Dong's spirits of patriotism, dedication, struggling and aggressiveness has also become a powerful incentive for the Longhua people to overcome any difficulties and build a beautiful future. 420, 000 Longhua people bred out of this land of marvelous sceneries and great heroes are now actively exploring and striving for a prosperous and rigorous social and economic development. History has witnessed the firm steps and glorious achievement made by Longhua in six decades lead by the visional and people-oriented government and party.

This album is a collection of but a tip of the "iceberg" of Longhua's great transformation in its social and economic development, showing the images of this ancient city with a long history and profound culture. Although such small pictures cannot contain the entire history, it could demonstrate the everlasting charisma of the northern frontier culture. We hope that when seeing these pictures, both the Longhua people working and living elsewhere and the people working here will have more affection to this city. We also hope that travelers will enjoy the natural beauty of Longhua shown in these pictures.

Recording every wonderful moment of Longhua, this album, like its name says, is trying to "lead you into Longhua".
