EDITOR 'S NOTES

1. China Agriculture Yearbook is a reference book reflecting the conditions of agriculture, forestry, animal husbandry, fisheries, township enterprises, land reclamation, farm machinery, water conservancy, and meteorology etc. It has been published both in Chinese and English since 1985.

2. The English edition bases itself mainly on the Chinese edition of China Agriculture Yearbook 1989 and is supplemented by a few entries and special columns.

3. The English edition of the Yearbook 1989 does not include the information from Taiwan Province unless specially stated.
