VOLUME XXIII/1 Environmental Law Dimensions of Human Rights

The Collected Courses of the Academy of European Law
Edited by Professor Loïc Azoulay,
Professor Nehal Bhuta, and Professor Marise Cremona
Assistant Editor: Anny Bremner

Each year the Academy of European Law in Florence, Italy, invites a group of outstanding lecturers to teach at its summer courses on Human Rights law and European Union law.

A 'general course' is given in each of the two fields by a distinguished scholar or practitioner, who examines the field as a whole through a particular thematic, conceptual, or philosophical lens, or looks at a theme in the context of the overall body of law. In addition, a series of 'specialized courses' brings together a group of highly qualified scholars to explore and analyse a specific theme in relation to Human Rights law and EU law.

The Academy's mission, to produce scholarly analyses which are at the cutting edge of these two fields, is achieved through the publication of this series, the Collected Courses of the Academy of European Law.
