目 录

特 裁

法 规

淮河流域水污染防治暂行条例 (3)

重要讲话

李鹏总理在听取水利部汇报“九五”计划和
2010年远景目标规划时的讲话 (5)

姜春云副总理在国家防汛抗旱总指挥部
1995年第一次全体会议上的讲话
(摘要) (8)

国务委员宋健在国务院环委会第二次淮河
流域环保执法检查现场会上的讲话
(摘要) (10)

水利部钮茂生部长在国家防汛抗旱总指挥
部1995年第一次会议上的讲话
(摘要) (14)

钮茂生部长在全国水利工作会议上的讲话
(摘要) (17)

国务院副秘书长杨景宇在国务院环委会
第二次淮河流域环保执法检查现场
会上的讲话(摘要) (22)

水利部严克强副部长在国务院环委会第
二次淮河流域环保执法检查现场会
上的讲话(摘要) (23)

国家环保局长解振华在国务院环委会第
二次淮河流域环保执法检查现场会
上的讲话(摘要) (24)

水利部朱登铨副部长在淮河流域水资源
保护领导小组第四次会议上的讲话(摘要)
..... (25)

会议文件

国家防汛抗旱总指挥部成员名单 (26)

淮河流域水污染防治计划工作会议
纪要 (27)

淮河流域水资源保护领导小组第四次会
议纪要 (27)

国务院环委会第二次淮河流域环保执法
检查现场会会议纪要 (30)

南水北调工程论证委员会组成人员 (31)

治 淮 综 述

概 况

淮河流域片概况 (35)

一九九五年治淮工作 (38)

Special Publicity

Laws and Regulations

- Provisional Regulations for Water Pollution Control of the Huaihe River Basin (3)

Important Speeches

- Speech made by premier Li Peng after listening to the reporting about the "Ninth - five Programme" and "Long - term Prospective Planning in 2010" by the Ministry of Water Resources (5)
- Speech Made by Vice - premier Jiang Chunyun on the First Plenary Session Held in 1995 and Sponsored by the National Flood - Control and Drought - against Headquarters(abstract) (8)
- Speech Made by Song Jian, a Member of the State Council, on the Second Site Meeting of Environmental Regulation - Execution for the Huaihe River Basin Sponsored by the National Environment Protection Agency under the State Council(abstract) (10)
- Report by Niu Maosheng, the Minister of Water Resources Ministry, on the First Plenary Session Held in 1995 and Sponsored by the National Flood - Control and Drought - Against Headquarters(abstract) (14)
- Speech by Niu Maosheng, the Minister of Water Resources Ministry, on the Work Meeting for the National Water Resources(abstract) (17)
- Speech by Yang Jingyu, Vice Secretary - general of the State Council, on the Second Site Meeting of Environmental Regulation - execution for the Huaihe River Basin Sponsored by the National Environment Protection Agency under the State Council(abstract) (22)
- Speech by Yan Keqiang, Vice Minister of Water Resources Ministry, on the Second Site Meeting of Environmental Regulation - execution for the Huaihe River Basin Sponsored by the National Environment Protection Agency under the State Council(abstract) (23)
- Speech by Xie Zhenghua, the Director of the National Environment Protection Agency, on the second Site Meeting of Environmental Regulation - execution for the Huaihe River Basin Sponsored by the National Environment Protection Agency under the State Council(abstract) (24)

Speech by Zhu Denquan, the vice Minister of Water Resources Ministry, on the Meeting of the Leading Group for Water Resources protection of the Huaihe River Basin(abstract) (25)

Meeting Documents

Member List of the National Flood - control and Drought - against Headquarters (26)

Summary of Planning Meeting for Water Pollution Control of the Huaihe River Basin (27)

Summary of the Fourth Meeting of the Leading Group for Water Resources Protection of the Huaihe River Basin (27)

Summary of the Second Site Meeting of Environmental Regulation - execution for the Huaihe River Basin (30)

Member Composition of Expounding and Proving Committee for the Project of South - Water - To - North (31)

Summary Of Harnessing Huaihe River

General Situations

General Situation of the Huaihe River Basin and relevant Areas (35)

Works of Harnessing Huaihe River in 1995 (38)

Water Policy · Water Management

Provision of Water Quality Management for Water - taking Permission (40)

Efforts on Water Policy and Water Resources (42)

Efforts of "Second - Five" Water Law Popularization (43)

Researches on Policy and Regulations (43)

Appraisal Methods for Reservoir Safety (44)

Water Management in 1995 (46)

Hydrology · Water Resources

Groundwater Dynamics in the Plain Areas of the Huaihe River Basin and related Areas in 1995 (47)

Reports by the Governments of Henan, Anhui, Shandong and Jiangsu Provinces on the Second Site Meeting of Environmental regulation - execution Sponsored by the National Environment Protection Agency under the State Council(abstract) (48)

Reports since the First Site Meeting of Environmental Regulation - execution Examination for the Huaihe River Basin (52)

Summary of Expanding the Technology Related to Water Pollution Control for the Huaihe River Basin (54)

Attempts of Water Pollution Control in 1995 for the Huaihe River Basin	(54)
Joint Attempts of Water Pollution Control in 1994 - 1995 for the Huaihe and Sayinghe Rivers	(55)
Water Pollution Control Plan for the Huaihe River Basin(abstract)	(57)
Analysis of "95.7" Pollution Accident in the Main Stream of the Huaihe River	(58)
Quality Assessment of Surface Water of Major Streams in the Huaihe River Basin 1995	(59)

Integrated Plan

General Conditions of Plan Execution of Capital Investment by the Central Government in 1995 to the Huaihe River Basin	(63)
Preliminary Studies of "Eighth - Five" Harnessing Huaihe River	(66)
Management Measures of Preliminary Study of Water Resources Works by the Huaihe River Commission(trying out)	(68)
Establishment of Water Project Investment System in the Period of "Eighth - Five" to the Huaihe River Basin	(70)
General Conditions of Granting Relief Fund by Labor Investment for Harnessing Huaihe River in the Period of "Eighth - Five"	(71)
Capital Investment Program of Water Project for Harnessing Huaihe River in the Period of "Eighth - Five"	(72)
Project Approval of Capital Construction for Harnessing Huaihe River in 1995	(74)
Progress of Preliminary Studies for Harnessing Huaihe River in 1995	(75)
"Ninth - Five" Program of Water Resources Development for the Huaihe River Basin(abstract)	(78)

Flood - control and Drought - against

Flood - control Efforts of the Huaihe River Basin in 1995	(81)
Flood - control Efforts of the Yi - Shu - Si Water System in 1995	(85)

Plan - Survey - Design
