前 言

湟中县位于青海省东部农业区，蜚声中外的喇嘛教圣地塔尔寺就座落在县府鲁沙尔镇。这里山峦起伏，土地肥沃，民族文化遗产十分丰富。智慧、勤劳的湟中人民，从古朴的民间艺术中吸取滋养，造就出了一批热情朴素的业余美术作者。

《湟中民族民间绘画艺术集》的作者是当地民间美术家，包括汉、藏两个民族，他（她）们为适应生活需要和审美要求，在艺术实践的过程中，吸取了本省藏族壁画、刺绣、剪纸以及皮影等艺术养料。在构图、造型、设色及表现手法方面，进行了大胆的探索和创新。作品涉猎的题材广泛，绘画语言质朴真挚，散发出浓郁的高原乡土气息。其中《鸡花图》、《庆丰年》、《骏马驰原》、《小站通四海》等四幅作品曾参加一九八三年举办的全国农民画展，三幅作品获二等奖，两幅作品被选赴国外展览，一幅作品由中国美术馆收藏。

选入本集中的作品，是从一九八三年以来的三百余幅作品中选出来的精萃之作，现将她奉献给广大读者。愿《湟中民族民间绘画艺术集》在祖国文艺百花园中留下她的清新芬芳。

本画册在选编过程中，承蒙旦正、常成元等同志大力协助。在此，特表诚挚的感谢。

Introduction

Huang Zhong County is located in the eastern agricultural region of Qinghai Province. The famous sacred place of Lamaism, the Taer Lamasery, is situated at Lushaer, the seat of county government. In this mountainous area, the land is fertile and its people have a rich cultural heritage. The people of Huang Zhong County, who are worthy of the loeses that reared them, deriving nourishment from the simple and unsophisticated folk art, have brought up a group of warmhearted amateur artists.

The authors of this collection are all local folk artists, including both Han and Zang nationalities. In order to solve their problems and satisfy their aesthetic desires, they have, through their artistic practice, learned much from the concrete models of Zang murals, embroidery, paper-cuts and shadow plays. They have diligently explored and blazed new trails in composition, modelling, colour and technique of expression. These works cover a wide range of subjects.

Their expression of drawing is simple and sincere, giving off a strong local flavour of the plateau. Four pieces of these drawings, "Flowers and chickens," "Celebrating a Bumper Harvest," "In Full Career," and "A Small Railway Station" were sent to be displayed in the National Peasant Art Exhibition in 1983, among which three pieces won the second prize; two of them were chosen to be exhibited abroad, and one went to enrich the collection of the Chinese Art Gallery.

All of the works in this collection are the pick of more than 300 drawings done after 1983. We now present them with respect to our readers. It is hoped that this collection will send forth a new waft of fragrance from the exuberant garden of literature and art in our motherland.

Finally, the editor wishes to tender his best thanks to Comrades Dan Zheng and Chang Chengyuan for their energetic cooperation in the laborious undertaking.
