## Preface

Welcome to this collection of stories written to help you read and learn vocabulary. This is not a normal collection of stories. When I wrote these stories there were no concepts, no story lines, no goal of what types of stories should be included. There were no set characters to watch as they stumbled through a variety of experiences or even any specification that all stories needed to be first or third person. Instead, the stories in this book were created based on the assortment of alphabetical words they needed to be created around.

This has led to some interesting results. Some of the sets of words required light, humorous stories. Some became a snippet in a moment of a character's life, often occurring, as he or she encountered or dealt with a conflict. One of my favorites is the story about a man who is simply hanging from a cliff. Others were rants about a random topic. Yet others were dark, murderous, and quite a few dealt with criminals. This was dictated by the chosen vocabulary. And a few were impacted by themes of the day on which they were written. But hopefully most of them also impart a sense of playfulness in language and a joy for life.

The end result, as a tool for learning English, is a rich set of situations and expressions used in everyday life. While the language of some may be harsh and direct to create a certain mood, quite a few are filled with sentences that have a rhythmic rhyming pattern reminiscent of tongue twisters. Try finding these sentences and saying them out loud. This does not mean one would never say these things in real life. On the contrary, one of the joys of learning a language is learning how to play with it, mix crazy words together to say something clever, contradict yourself with double meanings, and create ironies alongside social commentaries.

I hope that you will therefore learn from these texts not just how to speak English, but also how to be playful and clever with words as you express yourself.

## 前言

欢迎大家读这些旨在帮助提高阅读和掌握词汇而写的故事。这不是一些常规的故事，因为创作时没有固定的概念、故事情节以及故事类型，没有固定的人物，他们只是偶然碰到了那许许多多不同的经历，甚至没有明确的规定故事要用第一人称或者是第三人称。相反，书中的故事是以按字母顺序提供的词汇为基础按照它们的需要创作的。

这样做的结果颇有些意思：有些组单词要求写出轻松、幽默的故事；有些则成了某个人物生活中一个小片断，这些故事经常在他或她遇到或解决冲突时发生，我最喜欢的故事当中有一个纯粹只讲一个人挂在了悬崖上；其他故事则是随便就某个主题而做的夸夸其谈；还有一些故事则讲述人性的黑暗、谋杀，不少故事还涉及到了犯罪分子。这一切都是所选词汇所要求的。还有少量故事受到了创作当天所发生的事情的影响，但是我希望大部分故事给大家带来的是一种语言上的游戏和生活上的享受。

作为一种学习英语的手段，这些故事的最终目的大量提供日常生活中的情景和语言表达。尽管有些故事的语言可能会因为要创造某种气氛而有些别扭，但是不少故事却是妙语连珠、押韵上口，使人联想起绕口令。试着把这些句子找出来并大声朗读，这并不是说在真实生活中你们不会说这些话。相反，学习语言的乐趣之一就是学习如何玩文字游戏，把一些荒唐的词混在一起说出一些机智的话，借助双重意思使自己自相矛盾，借助一些社会评论制造出讽刺效果。

因此我希望读者不仅从这些故事中学会说英语，而且学会在表达自己的时候运用游戏的方式表现出你的聪明和机智。

祝大家好运。

## Accommodating a Pregnancy

## abbreviation - activate

Xiaomin never thought **abortion** was a big deal. As he became **acquainted with** American politics, however, he realized you have to work hard **to keep abreast of** changing values to truly understand how **absurdly** controversial this issue has become. He found out from his American friends that opinions are **in abundance** of how to teach people to be **accountable** for their actions, how to make people **abide by** Family Planning laws, and even how to teach people just to **abstain** from sex. The significance of this issue became **abruptly** clear when Xiaomin's best friend, Jeff, got his girlfriend pregnant.

Jeff was an **acclaimed** graduate student who was living an **abnormal** life from other Americans just by attending a Chinese university to get his Ph.D. (Ph.D. is an **abbreviation** for Doctor of Philosophy, the highest degree available in a university). Jeff was also an ace soccer player and **acoustic** guitar player. There was also always an **abundance** of women around him. This is how he met Sarah.

When Sarah became pregnant with Jeff, his friends suddenly treated him as if he was an **accessory** to murder. Jeff also felt as if he needed to be **acquitted** of some crime. But he decided in the end that he and his **accomplice**, Sarah, would keep the baby. According to Jeff and Sarah, the life of their child was more important than their career. Xiaomin was amazed. Keeping the child would **abolish** any chance of a successful career for Jeff. And in Xiaomin's eyes, one could **activate** the process for an **abortion** with a simple visit to the doctor even though there might be lines, three people **abreast**.

But Jeff and Sarah were firm in their decision and Xiaomin had to **abide** his friends' decision. Life **abounded** in surprises. Now Jeff and Sarah were leaving school and returning to the United States. They would do everything they could to **accommodate** themselves to their new situation.

### 选择生孩子

小民从来没想过**流产**是个大事。但是,当他了解美国政治之后,他认识到得下很大的功夫才能一直了解不断变化着的价值观念,真正理解关于这个问题的争议是多么地荒唐可笑。他从美国朋友身上发现人们对许多问题的看法是很丰富的,如怎样教人们对自己的行为负责、如何使人们遵守计划生育的法律规定、甚至如何教人们节制性生活。小民最要好的朋友杰夫使女朋友怀孕了,这件事情使上述问题的重要性突然变得清楚了。

杰夫是位**颇受赞扬**的研究生,他的生活与其他美国人相比是有些**反常**,因为他在一所中国大学里读博士学位(Ph.D.是Doctor of Philosophy的缩写,是大学里能够获得的最高学位)。杰夫还是一名优秀的足球运动员和原声吉他手,他身边总是有一大堆女人围着他,他就是这样与萨拉相识的。

杰夫使萨拉怀孕后,他的朋友突然把他看作是谋杀**同谋**。杰夫也觉得好像有必要判他有罪,但最终决定他和他的共犯萨拉将生下这个孩子。杰夫和萨拉认为,孩子的生命比他们的事业更重要。小民感到很吃惊,因为要这个孩子将彻底**毁掉**杰夫在事业上取得成功的机会。在小民看来,你只要去一趟医生那里,整个**流产**过程就会**启动**,尽管可能要排队,三个人**并列**进行。

但是杰夫和萨拉的态度很坚决,小民只好**接受**朋友们的决定。生活**充满**了出人意料的事情。现在杰夫和萨拉正打算退学回美国,他们会尽全力使自己**适应**他们的新生活。

## A Change of Heart

activist - afflict

The anti-war **activist** was not surprised at all that his primary **adversary**, the **Admiral**, had been **afflicted** with a drug **addict** for a son. He was actually quite happy to find out that his enemy had such personal problems. It was the **advent** of a new day, however, when the **activist** decided to help **administer** the treatment for the **adolescent** and help the **Admiral** fight this **adverse** situation. And it was clear that the **Admiral** was a wonderful person when the **activist** saw how much the **Admiral** **adored** his son.

Now living in an **adjacent** room in a special section of a treatment center, the **activist** was able to **adhere** to the strictest methods for helping the boy fight his **addiction**. The **activist** was able to help with **aesthetic** changes, such as **adorning** the boy with clean clothes, as well as **affirm** the boy as his body struggled with the medical **additives** that would help the boy get better.

Certain events were luckily also not **adhesive** in the youth's mind. This included the boy's **aerial** leap from a tall building. He did not die only because he landed in the swimming pool of the **adjoining** building.

And now the **activist** was gaining the attention of his **affiliates** because of his honorable actions. This had never been his motive. He had only wanted to help a person in need. And, as the **Admiral** **adjourned** their weekly meeting about the boy's progress, the **activist** was really happy that he had been able to make a difference in someone's life.

## 彻底的改变

这位反战积极分子的主要对手,舰队司令因儿子染上毒瘾而十分苦恼,但他对此一点也不感到奇怪。实际上,发现他的敌人有这样的个人问题,他还感到很高兴。然而,当这位积极分子决定帮助实施对这位青少年的治疗并协助舰队司令对付这种不利情况时,新的一天到来了。很显然,当这位反战积极分子看到舰队司令对儿子是如何喜爱时,舰队司令成了一个可爱的人。

现在这位反战积极分子正住在邻近治疗中心特区的一个房间里,因而他能够坚持用最严格的方法帮助那个男孩戒除毒瘾。这位反战积极分子能够用审美上的变化提供帮助,如用干净的衣服打扮男孩,当他的身体与医疗添加剂的副作用作斗争的时候他会断言它们会使他好起来。

有些事情幸好没有在这个年轻人的心中留下记忆,其中包括他从高楼的空中跳下,他没有死只是因为他掉到了邻近大楼的游泳池里。

由于他的诚心相助,这位反战积极分子得到了他的下属的注意。这并不是他原来的动机,他只是想帮助一个需要帮助的人。在舰队司令使每周召开的讨论男孩病情的会议休会时,这位积极分子为自己能使一个人的生活发生变化而感到由衷的高兴。

## A Hungry Alien

## affluent - allude

When an **alcoholic** man dressed in dirty clothes and stinking of beer first **alleged** that an **alien** had landed in an **alley** behind a restaurant frequented by the **affluent**, no one listened to him. Photos from the **aftermath** filled 10 photo **albums**.

In the beginning, as he rushed down the center **aisle** of the pleasantly **air-conditioned** room, the **alcoholic** wasn't able to successfully **agitate** anybody. It was as if they were only looking at his appearance and not listening to his words. When he did finally find someone **agreeable** to come outside and see what he said had happened, he was completely **alienated** to see that the creature was no longer there. Now that he had **aggravated** so many rich people, he was sure that he would leave the room in **agony**. His fears were **alleviated**, however, when the **alien** broke through a window into the restaurant, somehow knowingly coming to the **aide** of the **alcoholic**.

When all the people realized that the **alien** that the **alcoholic** had **alluded** to was really there and composed of an **aggregate** of unknown **alloy** not affected by normal bullets, they screamed and ran around leaving no chance for anyone to **allot** a route of escape. They behaved, **in the aggregate**, as if no one in the world could relieve them of this **alien ailment**. And they were right. None of the outside help that came could stop the **alien** from eating everyone in the restaurant.

## 饥饿的外星人

当一个穿着脏衣服、满口啤酒味的酗酒男人宣称有外星人在一家富人经常光顾的酒店后面的一个胡同里降落时，没有人听他的话。事后的照片装满了10个影集。

起初，当他从舒服的空调房间的中心过道冲进去的时候，这位酗酒者没能成功地鼓动起任何人。大家好像只在看他的样子，没有注意听他在说什么。当他终于找到一个人愿意出来看一看时，他完全成了孤家寡人，因为那东西已经不见了。由于激怒了那么多的有钱人，他清楚他不得不痛苦地离开那里。但是，很快他的恐惧得到了缓解，因为这时外星人破窗而入，好像知道要当酗酒者的助手似的。

当大家明白酗酒者提到的外星人确实存在而且总体上是由一种不知名的、普通子弹打不穿的合金构成的时候，他们尖叫着四处乱跑，竟没有留出一条出路，结果谁也没有机会逃出去。他们的行为总的来说就好像世界上没有人能把他们从这种性质不同的疾病中解救出来。他们的感觉是对的，因为任何外来的援助都没能阻止外星人吃掉酒店里的每一个人。

## A Second Chance

allure - annex

It had been an **ambitious** plan. The **anarchist** had tried to rob a bank all by himself, but then he had ran out of **ammunition** and now he was trapped in a back portion of the bank building with no escape.

As he stood in silence, hugging his gun and waiting to be found, the **anarchist** knew that there would be **ample anecdotes** from newspaper **analysts** the next day to **amend** to his obituary. They would certainly refer to the **anguish** he had undergone as a child. Then they would employ all their **analytical** abilities to reveal other impacts of his **ancestry** on his **ambiguous** life.

These thoughts flew from his mind however when an **angel** suddenly appeared to him. He fell to his knees, sure that the **Almighty** God was coming to take him home. His fears were only **amplified** when the **angel** said in an **alluring** yet powerful voice, "Fear not, your time is short. Stop your goal to **amass** a fortune for yourself and turn to God."

Not having any **analogy** to help him know what to say, or any reference for his excellent **analytic** abilities to think about, the **anarchist** only kneeled in silence and empty thought.

Then the **angel** smiled and spoke again in a more **amiable** voice, "Stand up. The Lord is providing you a chance to lead an **alternate** life. Leave this place now through the rear buildings **annex** and you will escape. But remember, God is watching."

When the **angel** was gone the **anarchist** stood and ran. He had no idea how to describe this experience by **analogy**, but he was happy for a second chance.

## 第二次机会

这是一个野心勃勃的计划。这名无政府主义者想自己一个人抢劫银行,但后来他没了弹药,被困在银行大楼的后面无处可逃。

他静静地站着,紧紧地抱着枪,等着被发现,这时无政府主义者知道,第二天将有足够的报纸分析家撰写的轶事修改他的讣告。他们肯定会提到他小时候经历的极度痛苦,然后运用他们所有的分析能力揭示他的祖先对他的含糊不清的生活方式的影响。

这些想法在他脑海里闪现,然而这时突然出现了一个天使。他跪下来,心想肯定是万能的上帝要抓他回去。天使的声音具有诱惑力和威慑力,这更增加了他的恐惧。“别害怕,你的时间不多了,别再为自己积累财富了,仰赖上帝吧。”

由于没有任何类比可以帮他知道该说些什么,也没有任何参考供他优秀的分析能力进行思考,这名无政府主义者只能静静地跪着,脑子一片空白。

这时天使笑了,并且用更加友好的声音说道:“起来吧!上帝正给你一次机会让你过一种供选择的生活,现在你就穿过后方建筑物的附属建筑,离开这个地方,你会逃走的。但是记住,上帝在看着你。”

天使消失之后,无政府主义者站起来跑掉了。他不知道如何用类推的方法描述这次经历,但是他很高兴能有第二次机会。
