福田教育展望

(代后记)

未来五年,经过全区社会各界的努力,通过改革和发展,基本实现我区教育的高标准、高投入、高效益、高质量,逐步满足全区人民对优质教育的要求,满足深圳特区经济、文化等方面可持续性发展对现代化建设人才素质的要求,满足深圳成为率先基本实现现代化示范市对提高市民整体素质的要求。

其中,我区的整体教育水平、中小学和幼儿园的标准化建设在全市达到先进的水平,在办好每一所学校的同时,努力办好一批名校和示范性学校。把我区中小学建设成为精神文明建设的阵地、创新人才培养的摇篮、教师事业成功的舞台、社区文化发展的依托,把校长、教师培养成先进理论的武装者,教育科研的探索者,创新教育的实践者,四有新人的培育者;把学生培养成“学会学习、学会做事、学会合作、学会生存”,具有创新意识、实践能力、科学精神、人文底蕴等可持续发展能力为核心素质的现代人。从而塑造与“福田中心区”地位相称的具有“时代特征、特区特点、福田特色”的福田教育的新形象。

Prospect of Futian's Education

Looking forward to the following five years, through the efforts of various circles of society, by the reform and development, our district education realized high standard, high investment, high benefit and high quality basically, thus it can satisfy the whole district's requisition on talents with high quality progressively, satisfy the requisition for the sustainable development, such as economy, culture of Shenzhen Special Zone, etc., satisfy Shenzhen's taking the lead in realizing the modernized demonstration city basically and the requisition for improving citizen's overall quality.

The middle and primary schools and kindergartens have reached the advanced level in the whole city in overall education level and construction standardization of school. While running every school well, we make great efforts to run a batch of famous schools and demonstrative schools well, we turn the middle and primary schools of our district into the position of the construction of spiritual civilization, the cradle of innovative personnel training, the stage where the teacher had a successful career, and the relying on of cultural development of the community, we train the headmasters and teacher to be master of the advanced theory, seeker of scientific research, and practitioner of innovation education, and raise the young with four cultivation. We also train the student to learn "studying, doing things, cooperation, surviving" and with innovative consciousness, practice ability, scientific spirit, human spirit. Let the students become modern persons with the key qualities of the sustainable development abilities. The new image of Futian's education with characteristic of the time, characteristic of special zone, characteristic of Futian will unfold before us.

前言

PREFACE

知

识改变命运，教育决定兴衰。基于这种认识，福田区接邓小平同志关于教育要“面向现代化、面向世界、面向未来”的精神，致力发展有区域特点的现代化教育事业。

福田区位于深圳经济特区中部，是深圳市委、市政府所在地，是市中心区，是深圳未来十年开发建设的重点，未来五年福田将成为全市行政、文化、信息、国际展览和商务中心。全区总面积78.8平方公里，总人口84.4万，其中户籍人口33.3万。2001年实现国内生产总值506亿元、地方预算内财政收入21.6亿元，比1997年分别增长63%和175%。

多年来，区委、区政府认真贯彻落实“科教兴区”的战略，始终把教育摆在优先发展的地位，坚持以教育现代化建设为主线，以改革为动力，以标准化、信息化建设为龙头，不断深化教育改革，全面推进素质教育，教育事业有了很大的发展，基本形成学前教育、基础教育、职业教育、成人教育和高等教育协调发展，公办、国有民办、民办等多种办学体制并存的大教育格局，高标准普及义务教育和高中阶段教育，大幅度提高高级学校比例，大面积提高教育教学质量。福田区现为全国第一个挂牌的“国家基础教育实验中心教育现代化实验区”。进入21世纪，福田广大教育工作者锐意改革，积极创新，全力推进教育现代化进程，实现区域性教育的高标准、高投入、高效益、高质量，努力塑造与“深圳市中心城区”地位相称的具有“时代特征、特区特点、福田特色”的福田教育新形象。

Futian's education marching toward the modernization. Knowledge changes destiny, education decides the rise and decline. Based on this kind of understanding, our district abides by the spirit of comrade Deng Xiaoping's remark that education should "face the modernization, meet the need of the world, face the future", and makes great efforts to develop modernized education undertakings with regional characteristics. Futian District lies in the center of Shenzhen Special Economic Zone, it is site of Shenzhen Municipal Party Committee and Shenzhen Municipal Government, it is the central district of Shenzhen City and a focal point of the construction of Shenzhen in the following ten years. Futian will become the administration, culture, information, international exhibition and commercial center of Shenzhen. In 2001 the area of the district is 78.8 sq. km.s, the gross domestic products finished 49,120 million yuan.s, the budgetary fiscal revenues finished 2,160 million yuan, increased by 63% and 175% respectively compared with 1997.

For several years, Futian District Party Committee and Futian District Government have carried out the strategy of "prospering the district with science and education" conscientiously, putting the development of education at priority position, regarding education modernization construction as the core, regarding the education reform as motive force, regarding standardizing information construction as the target, pushing forward quality-oriented education all-sidedly. Preschool education, basic education, vocational education, adult education and higher education have been developed harmoniously. State-run schools, state-owned run by the local people schools, and schools run by the local people coexist, we have realized that the high standard popularization of compulsory education and high school education, raised the proportion of school grade by a large margin, improved the proportion of school grade by a large margin, and improved education quality of teaching by a large scale. Futian District is the first "The test block of educational modernization of national basic education experiment centre" in the whole country now. Entering 21st century, the education workers of Futian District reform with keen determination, innovating actively, moving forward the education modernization drive. Futian's education has realized the high standard, high investment, high benefit, high quality. We have made great efforts to mould the Futian's education new image which can match the status of "central district of Shenzhen" with "characteristic of the era, characteristic of Shenzhen Special Zone, characteristic of Futian."
